On Fire For Christ Stories Of Anabaptist Martyrs Retold From Martyrs Mirror:

On Fire For Christ Dave Jackson, Neta Jackson, 1989-07-14 The stories of 15 Anabaptist martyrs are retold by Dave and Neta Jackson from Martyrs Mirror These stories including those of Michael Sattler Elizabeth Dirks and Dirk Willems reflect a cross section of the thousands of men and women who lost their lives because of their faith during the 16th century The storytelling perspective varies sometimes from the martyr s point of view or that of a friend or relative sometimes that of a child or bystander or even the executioner or betrayer The martyrs come alive through these stories and their witness for Christ inspires us Discussion questions focus on present day meaning making this a valuable tool for study groups

Queering Mennonite Literature Daniel Shank Cruz, 2019-01-27 Though the terms queer and Mennonite rarely come into theoretical or cultural contact over the last several decades writers and scholars in the United States and Canada have built a body of queer Mennonite literature that shifts these identities into conversation In this volume Daniel Shank Cruz brings this growing genre into a critical focus bridging the gaps between queer theory literary criticism and Mennonite literature Cruz focuses his analysis on recent Mennonite authored literary texts that espouse queer theoretical principles including Christina Penner s Widows of Hamilton House Wes Funk s Wes Side Story and Sofia Samatar s Tender These works argue for the existence of a queer Mennonite identity on the basis of shared values a commitment to social justice a rejection of binaries the importance of creative approaches to conflict resolution and the practice of mutual aid especially in resisting oppression Through his analysis Cruz encourages those engaging with both Mennonite and queer literary criticism to explore the opportunity for conversation and overlap between the two fields By arguing for engagement between these two identities and highlighting the aspects of Mennonitism that are inherently queer Cruz gives much needed attention to an emerging subfield of Mennonite literature This volume makes a new and important intervention into the fields of queer theory literary studies Mennonite studies and religious studies *The Persecution of Christians Concerns Us All* Thomas

Schirmacher, 2018-05-10 In this situation I can highly recommend Dr Thomas Schirmacher s new book It gives a clear and logical insight in many of the questions even people who consider themselves nonreligious people now ask It can best be read with an open Bible and some open daily newspaper It will give a surprisingly new insight into what it means to live in a time like this From the preface by the Very Rev Johan Candelin Director of the Religious Liberty Commission of the World Evangelical Alliance Suffering comes in many forms but the one that Scripture tells all Christians to expect is persecution for one s faith As Thomas Schirmacher s theological study will demonstrate the Bible has a tremendous amount to teach us about persecution Without a Biblical understanding we are unlikely to fully grasp the nature of the spiritual battle I am delighted therefore that his book puts the Bible s teaching on persecution centre stage Preface by Julia Doxat Purser Socio Political Representative the WEA represents churches with 600 million members altogether He also is a member of the board of the International Society for Human Rights Schirmacher regularly testifies in the German parliament and other

parliaments in Europe as well as in the EU in Brussels the OSCE in Vienna and other international bodies His has written 102 books three of his newest books are Fundamentalism Racism and Human Trafficking He has earned four doctorates in missiology and ecumenical theology in cultural anthropology in ethics and in sociology of religion and received two honorary doctorates from the USA and India *Parade of Faith* Ruth A. Tucker, Ruth Tucker, 2011 Through this lively narrative of church history readers will discover that the story of Christianity is an exhilarating adventure Tucker's engaging writing style informative historical overview and selection of colorful characters are sure to attract and fascinate students and lay learners alike *Spiritual Guides for the 21st Century* K. James Stein, 2000 The Protestant Reformation comes to life through these spiritual stories of the individuals who led the reform movements In making history come alive Stein shows that the spiritual issues of that day are equally contemporary and relevant today This authoritative and comprehensive volume describes the world of the Reformation Stein devotes one chapter to each of these leading characters Martin Luther Ulrich Zwingli John Calvin Menno Simons and Thomas Cranmer Each chapter includes a prayer or a hymn written by the reformer A time line and map of Europe help readers understand the issues by showing where and when the events took place Discussion questions for each chapter make this a valuable study for adult groups Offering insights for contemporary Christian discipleship Stein shows readers how the cloud of witnesses referred to in the book of Hebrews spans the centuries from the Bible to the present *Mennonite Life*, 1990 **But Why Don't We Go to War?** Susan M. Landis, 1993 When parents do not believe in war how do they teach their children this ethic when all around them war and violence are glorified in videos movies TV toys and books Susan Mark Landis helps parents communicate with their elementary school aged children Jesus way of peace Each session has dialogue about God and the Bible stories about peacemakers and ideas for parents
