**Art and Sovereignty in Global Politics** Douglas Howland, Elizabeth Lillehoj, Maximilian Mayer, 2016-12-01 This volume aims to question challenge supplement and revise current understandings of the relationship between aesthetic and political operations The authors transcend disciplinary boundaries and nurture a wide ranging sensibility about art and sovereignty two highly complex and interwoven dimensions of human experience that have rarely been explored by scholars in one conceptual space Several chapters consider the intertwining of modern philosophical currents and modernist artistic forms in particular those revealing formal abstraction stylistic experimentation self conscious expression and resistance to traditional definitions of Art Other chapters deal with currents that emerged as facets of art became increasingly

commercialized merging with industrial design and popular entertainment industries Some contributors address Post Modernist art and theory highlighting power relations and providing sceptical critical commentary on repercussions of colonialism and notions of universal truths rooted in Western ideals By interfering with established dichotomies and unsettling stable debates related to art and sovereignty all contributors frame new perspectives on the co constitution of artworks and practices of sovereignty

*Primo Levi and Ka-Tzetnik* Yochai Ataria, 2021-07-14 This book is about Primo Levi and Ka Tzetnik both Auschwitz survivors and central figures in the shaping of Holocaust memory who dedicated their lives to bearing witness and writing about the concentration camps seeking in particular to give voice to those who did not return The two writers are generally treated as complete opposites Levi level headed and self aware Ka Tzetnik caught up in repeating the traumatic past In this book I show how fundamentally mistaken this approach is and how the similarity between them is in fact far greater than it may seem While Levi draws the map Ka Tzetnik reveals the territory itself and taken together they offer a better understanding of the human experience of the camps This book explores their writing and their lives up to their deaths Ka Tzetnik of old age and Levi by his own hand offering new explanations of Levi's suicide little understood to this day

*The Mythologies of Capitalism and the End of the Soviet Project* Olga Baysha, 2014-08-14 The purpose of The Mythologies

of Capitalism and the End of the Soviet Project is to show that in order to understand popular disillusionment with democratization liberalization and other transformations associated with the attempts of non Western societies to appropriate the ideas of Western modernity one must consider how these ideas are mythologized in the course of such appropriations Olga Baysha argues that the seeds of popular post revolutionary frustration should be sought in pre revolutionary discourses on democracy liberalism and other concepts of Western modernity that are produced outside local contexts and introduced through the channels of global communication and the interpretations of politicians activists and experts Analyzing the opinions of working people and intellectuals published in two Ukrainian newspapers of perestroika times the author shows how the concepts of democracy the market and the West acquired schizophrenic mythical significations The study is situated within the context of Ulrich Beck s theory of world risk society and Gregory Bateson s theory of schizophrenia as communicative disorder The author argues that schizophrenic mythologies constructed through globalized networks can lead to disorientation frustration and the sense of uncertainty and insecurity on the part of mass publics

Interpreting Primo Levi Arthur Chapman, Minna Vuohelainen, 2016-04-29 The legacy of antifascist partisan Auschwitz survivor and author Primo Levi continues to drive exciting interdisciplinary scholarship The contributions to this intellectually rich tightly organized volume from many of the world s foremost Levi scholars show a remarkable breadth across fields as varied as ethics memory and media studies

The Goodness of Judgment Jeff McSwain, 2024-11-12 In this volume McSwain continues to deploy Karl Barth Julian of Norwich Athanasius James Cone and dozens of others to buttress his claim about human duplicity and the Easter asymmetry which allows us to properly interpret our lives by the gospel Specifically the focus is on Christ s cross which provides the radical discontinuity judgment needed to preserve the continuity of God s good creation In resurrection light we see the inner connection of re creation to creation an atonement that disentangles good from evil righteousness from sin and life from death Even though the perfect clarity of this liberating separation is reserved for judgment day this same judgment of grace frees us to live now as eschatological activists in the Liberator s way of justice and peace In view of the cross the Spirit empowers us to live in the hidden truth of who Christ is and who we have always been in Christ as God s beloved in the Trinitarian communion McSwain s cosmic vision pictures all people sharing in Christ s sufferings and also in his glory Thus the reconciled human community genuinely participates as one in Christ s victory over sin death and the devil

Hell and its Afterlife Margaret Toscano, Dr Isabel Moreira, 2013-06-28 The notion of an infernal place of punishment for undesired elements in human culture and human nature has a long history both as religious idea and as cultural metaphor This book brings together a wide array of scholars who examine hell as an idea within the Christian tradition and its afterlife in historical and contemporary imagination Leading scholars grapple with the construction and meaning of hell in the past and investigate its modern utility as a means to describe what is perceived as horrific or undesirable in modern culture While the idea of an infernal region of punishment was largely developed in the

context of early Jewish and Christian religious culture it remains a central belief for some Christians in the modern world Hell's reception its afterlife in the modern world has extended hell's meaning beyond the religious realm hell has become a pervasive image and metaphor in political rhetoric in popular culture and in the media Bringing together scholars from a variety of fields to contribute to a wider understanding of this fascinating and important cultural idea this book will appeal to readers from historical religious literary and cultural perspectives *Canadian-American Slavic Studies*, 2005 A quarterly journal devoted to Russia and East Europe *Psychoanalytic Insights into Social, Political, and Organizational Dynamics* Seth Allcorn, Howard Stein, 2021-08-16 This fascinating interdisciplinary work explores U S politics since 2015 and offers psychodynamic insights into the unconscious undercurrents of contemporary culture and politics in the United States Allcorn and Stein expertly lead readers up the steep learning curve of understanding the Trump era by exploring seven key elements of recent political dynamics Using the complementary psychodynamic models of object relations Group Relations and Karen Horney's tripartite theory this book makes sense of the Age of Trump and its chaotic world of alternate facts conspiracy theories reality TV politics hoax pandemics and the sweeping chaos of life in the United States This sense making relies on two triangulations The first represents the complex systemic political scene The second uses three psychoanalytic theories to understand social political and organizational dynamics This book is a key resource for helping readers know and understand ourselves our fellow citizens colleagues family friends and what Trump and his followers call them such as liberals and foreign immigrants as well as both the larger polarized social and political context in the United States today The book also provides concrete examples of how these discoveries can be operationalized both in organizations and at the level of national government and leadership This book is an essential reading for students in organizational behavior including leadership and how governments operate as well as behavioral health professionals consulting or offering therapy to organizations
