

On The Comic And Laughter On The Comic And Laughter

Henri Bergson

On The Comic And Laughter On The Comic And Laughter:

Laughter Henri Bergson, 2019-09-25 Reproduction of the original Laughter by Henri Bergson **Laughter: An Essay On The Meaning Of The Comic** Henri Bergson, 2023-07-01 Laughter An Essay on the Meaning of the Comic is a philosophical work written by Henri Bergson In this influential essay Bergson explores the nature and significance of laughter in human life Bergson argues that laughter is a uniquely human phenomenon and seeks to uncover its underlying causes and social functions The author delves into the comedic elements present in various situations such as comic characters wordplay and incongruity Through a blend of wit analysis and anecdotal examples Bergson examines how laughter arises from the tension between rigid social norms and the inherent flexibility of human behavior The book also addresses the psychological and physiological aspects of laughter exploring its release of pent up energy and its role in social bonding Comic Laughter Marie Taylor Collins Swabey, Marie Collins Swabey, 1961 **Laughter** Henri Bergson, Cloudesley Shovell Henry Brereton, Fred Rothwell, 2014-01 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Laughter An Essay On The Meaning Of The Comic reprint Henri Bergson Cloudesley Shovell Henry Brereton Fred Rothwell Cloudesley Shovell Henry Brereton Fred Rothwell Macmillan 1911 Philosophy History Modern Comedy Laughter Philosophy History Surveys Modern **Laughter: an Essay of the Meaning of the Comic** Henri Bergson, 1924 *Bergson, Laughter* Henri Bergson, 2018-03-19 This is a fascinating work with all the clearness characteristic of French criticism and the carefulness of a philosophic thinker and it is excellently done into English But few will be converted to M Bergson s theory of the comic Laughter is defined at the outset as a social corrective of the anti social and its cause has universal characteristics however it occur The laughable is always human it is devoid of emotional elements and appeals to intelligence pure and simple it appeals only to some social group and may be unintelligible to outsiders It is the automatic and mechanical aspect of what should be living and free that makes us laugh With this as a leitmotiv M Bergson analyzes the comic in forms and movements in situations and words and in character The chapter dealing with this last phase is the most deeply interesting for it gives us the author s views on art and its relation to life and hints at his ethics Comedy belongs neither to art nor to life its position is equivocal Art deals with the individual and real comedy with types Comedy organizes laughter and its material is ready made when life is seized upon by vanity In his conclusion he admits that we often sympathize with the comic character and are

relieved from the strain of thinking Again laughter is simply the result of a mechanism set up in us by nature or what is almost the same thing by our long acquaintance with social life It goes off spontaneously It has no time to look where it hits We are told that laughter is often unjust and should never be kind If we push the matter farther the result may be most unflattering Laughter is gaiety itself But philosopher who gathers a handful to taste may find that the substance is scanty and the after taste bitter The book would repay a much more detailed analysis and it is perfectly delightful to read Richard Smith International Journal of Ethics Vol 23 No 2 pp 216 218 *Laughter: An Essay on the Meaning of the Comic* Henri Bergson, 2019-08-13 What does laughter mean What is the basal element in the laughable What common ground can we find between the grimace of a merry andrew a play upon words an equivocal situation in a burlesque and a scene of high comedy What method of distillation will yield us invariably the same essence from which so many different products borrow either their obtrusive odour or their delicate perfume The greatest of thinkers from Aristotle downwards have tackled this little problem which has a knack of baffling every effort of slipping away and escaping only to bob up again a pert challenge flung at philosophic speculation Our excuse for attacking the problem in our turn must lie in the fact that we shall not aim at imprisoning the comic spirit within a definition We regard it above all as a living thing However trivial it may be we shall treat it with the respect due to life We shall confine ourselves to watching it grow and expand Passing by imperceptible gradations from one form to another it will be seen to achieve the strangest metamorphoses We shall disdain nothing we have seen Maybe we may gain from this prolonged contact for the matter of that something more flexible than an abstract definition a practical intimate acquaintance such as springs from a long companionship *Laughter* Henri Bergson, 2015-07-13 Excerpt from *Laughter An Essay on the Meaning of the Comic* The book has been highly successful in France where it is in its seventh edition It has been translated into Russian Polish and Swedish German and Hungarian translations are under preparation Its success is due partly to the novelty of the explanation Offered of the comic and partly also to the fact that the author incidentally discusses questions Of still greater interest and importance Thus one Of the best known and most frequently quoted passages of the book is that portion of the last chapter pages 150 in which the author outlines a general theory Of art About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Laughter** Henri Bergson, Cloudesley Shovell Henry Brereton, Fred Rothwell, 2015-08-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true

to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Redeeming Laughter Peter L. Berger,2013-02-06 The author of numerous previous books of broad appeal and scholarly acclaim on subjects ranging from sociological theory to religious ethics in government and economic systems and the coauthor of a vastly influential treatise on The Social Construction of Reality Berger unfolds in Redeeming Laughter a new perspective on a classic domain Berger s comic terrain is at once noble and amusing the terrain of Erasmus and Swift Like his predecessors Berger s writing in these pages is bolstered with exemplary learning and wry observation

Laughter Henri Bergson,Fred Rothwell,Cloudesley Shovell Henry Brereton,2015-08-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Laughter Henri Bergson,2020-02-10 What does laughter mean What is the basal element in the laughable What common ground can we find between the grimace of a merry andrew a play upon words an equivocal situation in a burlesque and a scene of high comedy What method of distillation will yield us invariably the same essence from which so many different products borrow either their obtrusive odour or their delicate perfume The greatest of thinkers from Aristotle downwards have tackled this little problem which has a knack of baffling every effort of slipping away and escaping only to bob up again a pert challenge flung at philosophic speculation Our excuse for attacking the problem in our turn must lie in the fact that we shall not aim at imprisoning the comic spirit within a definition We regard it above all as a living thing However trivial it may be we shall treat it with the respect due to life We shall confine ourselves to watching it grow and expand Passing by imperceptible gradations from one form to another it will

be seen to achieve the strangest metamorphoses We shall disdain nothing we have seen Maybe we may gain from this prolonged contact for the matter of that something more flexible than an abstract definition a practical intimate acquaintance such as springs from a long companionship And maybe we may also find that unintentionally we have made an acquaintance that is useful For the comic spirit has a logic of its own even in its wildest eccentricities It has a method in its madness It dreams I admit but it conjures up in its dreams visions that are at once accepted and understood by the whole of a social group Can it then fail to throw light for us on the way that human imagination works and more particularly social collective and popular imagination Begotten of real life and akin to art should it not also have something of its own to tell us about art and life

Laughter Henri Bergson, 2020-03-05 What does laughter mean What is the basal element in the laughable What common ground can we find between the grimace of a merry andrew a play upon words an equivocal situation in a burlesque and a scene of high comedy What method of distillation will yield us invariably the same essence from which so many different products borrow either their obtrusive odour or their delicate perfume The greatest of thinkers from Aristotle downwards have tackled this little problem which has a knack of baffling every effort of slipping away and escaping only to bob up again a pert challenge flung at philosophic speculation Our excuse for attacking the problem in our turn must lie in the fact that we shall not aim at imprisoning the comic spirit within a definition We regard it above all as a living thing However trivial it may be we shall treat it with the respect due to life We shall confine ourselves to watching it grow and expand Passing by imperceptible gradations from one form to another it will be seen to achieve the strangest metamorphoses We shall disdain nothing we have seen Maybe we may gain from this prolonged contact for the matter of that something more flexible than an abstract definition a practical intimate acquaintance such as springs from a long companionship And maybe we may also find that unintentionally we have made an acquaintance that is useful For the comic spirit has a logic of its own even in its wildest eccentricities It has a method in its madness It dreams I admit but it conjures up in its dreams visions that are at once accepted and understood by the whole of a social group Can it then fail to throw light for us on the way that human imagination works and more particularly social collective and popular imagination Begotten of real life and akin to art should it not also have something of its own to tell us about art and life

On the Problem of the Comic Peter G. Martenson, 2006

On the Comic and Laughter Vladimir Propp, 2009-11-07 An extensive investigation of the forms and functions of the comic this lively and engaging English critical edition will be welcomed by those interested in laughter comedy folklore Russian literature and specific authors such as Gogol Pushkin Chekhov Rabelais Moli re and Shakespeare The direct humorous and provocative style of this work which tackles the subject of humour with a vast array of vivid examples encountered on every page will certainly appeal to the contemporary reader Vladimir Propp takes various forms of laughter in literature and real life and addresses questions such as the comic of similarity the comic of difference parody duping incongruity lying ritual laughter and carnival laughter The author of the widely acclaimed *Morphology of the Folktale*

has written an original comprehensive and exciting study on how humour works and on everything you wanted to know about the genre in a clear approachable and insightful manner **Laughing Matter** Marcel Gutwirth,1993 With the help of theorists in such fields as psychology anthropology physiology sociology and folklore as well as literary criticism Gutwirth perceives that writers across history have attempted to explain laughter in one of three ways focusing on its social or political function its emotional rationale or its intellectual dimension Offering an array of readings of comic texts and incidents he constructs a general model of laughter which takes into account its causes immediate effects and long range influence on human affairs In conclusion he looks at the unique nature of comic wisdom particularly as reflected in works by Santayana Cervantes and Beckett **Laughter** Henri Bergson,2018-01-17 This vintage book contains a collection of essays by Henri Bergson Within these thee essays Bergson explores laughter especially that which is caused by a comedian He goes on to discuss the categories of comedic experiences and situations as well as ddefining the laws of comedy Contents include The Comic In General The Comic Element In Forms And Movements Expansive Force Of The Comic The Comic Element In Situations And The Comic Element In Words and The Comic In Character Henri Louis Bergson 1859 1941 was a seminal French philosopher Many vintage books such as this are becoming increasingly rare and expensive We are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new introduction

Laughter: an Essay of the Meaning of the Comic Henri Bergson,1924 Comedy Wylie Sypher,1956 **The Psychology of Laughter and Comedy** John Young Thomson Greig,1923

On The Comic And Laughter On The Comic And Laughter Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading On The Comic And Laughter On The Comic And Laughter free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading On The Comic And Laughter On The Comic And Laughter free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading On The

Comic And Laughter On The Comic And Laughter free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading On The Comic And Laughter On The Comic And Laughter. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading On The Comic And Laughter On The Comic And Laughter any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About On The Comic And Laughter On The Comic And Laughter Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
