On Deadline Managing Media Relations Fifth Edition

**Carole M. Howard, Wilma K. Mathews, J.
Suzanne Horsley**

On Deadline Managing Media Relations Fifth Edition:

On Deadline Carole M. Howard, Wilma K. Mathews, 2013-03-01 Media relations professionals must know how to stay ahead of the game to be effective in today's complex world. It is no longer enough that they craft news releases, orchestrate interviews, and build sustaining relationships with reporters. Their multiple roles now include planner, crisis manager, communicator, counselor, and strategist. Called virtually an encyclopedia of media relations by one reviewer, the Fifth Edition covers relationships with reporters, spokesperson training, news conferences, and special events; integrating media relations into marketing communications plans; crisis management; global media relations; ethics; establishing a media policy within the organization; measuring results; and becoming a counselor to management. Its practical advice and how-to ideas draw on current case studies, most involving social media, and the authors' extensive experience in the U.S. and around the world. With a clear and fast-moving style, the Fifth Edition maintains its status as the foremost book on media relations in the corporate and nonprofit sectors. It is a must-read for prospective and current media relations professionals dedicated to maximizing their organizations' results.

On Deadline Carole M. Howard, Wilma K. Mathews, J. Suzanne Horsley, 2020-12-30 With a clear and fast-moving style, the Sixth Edition maintains its status as the foremost book on media relations in the corporate, nonprofit, and government sectors. The authors retained the best and enduring aspects of media relations in the previous edition while skillfully integrating all current trends, such as the increased reliance on technology, complex legal rulings, and concerns about credibility that have had an impact on how professionals work with the media. *On Deadline* is a must-read for prospective and current media relations professionals dedicated to maximizing their organization's results. As one reviewer remarked, *On Deadline* is like having a professional mentor and media consultant on speed dial. It presents all the tools necessary to plan and implement a successful media relations program, from relationships with reporters, crisis management, and global media relations to spokesperson training, ethical and legal issues, news conferences, and special events. New case studies illustrate the multiple roles of media relations professionals as planner, crisis manager, communicator, counselor, and strategist in a world that encounters ubiquitous messages dispersed at the speed of light.

On Deadline Carole Howard, Wilma Mathews, 1994 This second edition maintains its status as the only full-length text on media relations in the corporate and nonprofit sectors.

Using Public Relations Strategies to Promote Your Nonprofit Organization Ruth Ellen Kinzey, 2013-04-15 Learn how to strategically execute public relations assignments. In *Using Public Relations Strategies to Promote Your Nonprofit Organization*, you will explore an easy-to-follow explanation on why nonprofit groups must take a more business-like approach in their communications. You will also discover instructions on how to make newsletters, annual reports, speaker's bureaus, and board selection easy yet effective. As a marketing, public relations, or development professional, you will gain effective public relations tools that are within your established budget parameters. Public relations expertise is becoming extremely important to the survival of nonprofit organizations as more and more nonprofits compete for dollars.

Using Public Relations Strategies to Promote Your Nonprofit Organization recognizes that nonprofit professionals may wear many different hats and may have very limited public relations or marketing training. Therefore, with Using Public Relations Strategies to Promote Your Nonprofit Organization, you will find that even a novice communicator will be able to perform marketing and public relations tasks in an effective strategic manner. Some of the areas you will explore include adopting a business strategy, step by step guide to creating your annual report, step by step guide to creating your nonprofit newsletter, how to set up an effective speaker's bureau, strategically market your speaker's bureau and monitor its effectiveness in generating revenue for your nonprofit organization, writing speeches to promote your nonprofit organization using audiovisual aids and nonverbal communication in your speeches, selecting and organizing a board of directors, board of directors job description, recruiting and retention. Using Public Relations Strategies to Promote Your Nonprofit Organization explains why you must take a more business-like approach to public relations, write nonprofit groups and assists the novice public relations specialist with executing basic PR tasks that are pertinent to an organization's profits. You will gain step by step guidance on steering your nonprofit organization to financial success.

On Deadline Carole Howard, Wilma Mathews, 2000

Managing Public Relations Peter M. Smudde, 2023-03-02

The second edition of *Managing Public Relations* introduces students to the key concepts and practices involved in the day to day running of a PR operation, whether it is a company department, an independent agency or any organized group focused on PR. The book's unique approach places the PR function within the broader context of an organization, equipping students with the essential business knowledge, perspective and skills needed when starting out in their careers. This second edition has been fully updated throughout and includes current examples and testimonials from across the globe, as well as updated Executive Viewpoints. Expanded content on strategic planning, budgeting and financial statements. Detailed commentary on topics relevant to the modern workplace, including remote management, consideration of diversity, inclusion, equity and access within PR. Additional content on the use of analytics and measuring return on investment (ROI). Updated online material including an Instructor's Manual that incorporates problem-based questions, example assignments and activities. A highly practical and comprehensive guide, this textbook should be essential reading for advanced undergraduate and postgraduate students studying public relations, management, strategic communications and marketing management.

The Public Relations Journal, 1986
