

An impressionistic painting of a room. In the foreground, a large, messy pile of books and papers is scattered across a wooden floor. The books are of various colors, including white, brown, and dark green. In the background, a window with a white frame is visible, letting in bright light. The overall style is soft and painterly, with visible brushstrokes and a warm, slightly hazy atmosphere.

On Moral Certainty, Justification and Practice J. Hermann, 2015-06-23 Taking inspiration from the later Wittgenstein *On Moral Certainty Justification and Practice* explores the practical basis of human morality It offers an account of moral certainty which it links with a view of moral competence Drawing on everyday examples it is shown how morality is grounded in action not in reasoning

**On Moral Certainty, Justification and Practice** J. Hermann, 2015-06-23 Taking inspiration from the later Wittgenstein *On Moral Certainty Justification and Practice* explores the practical basis of human morality It offers an account of moral certainty which it links with a view of moral competence Drawing on everyday examples it is shown how morality is grounded in action not in reasoning

Philosophical Perspectives on Moral Certainty Cecilie Eriksen, Julia Hermann, Neil O'Hara, Nigel Pleasants, 2022-12-30 Moral certainty refers to those aspects of morality moral acting feeling and thinking that are beyond doubt explanation and justification The essays in this book explore the concept of moral certainty and its application and usefulness in contemporary moral debates The notion of moral certainty which is inspired by the philosophy of Ludwig Wittgenstein is emerging as a key reference point in contemporary moral philosophy An investigation into the implications of moral certainty is called for given that so many discussions in moral philosophy concern the possibility of justifying our moral beliefs The concept of moral certainty also feeds directly into the emerging field of hinge epistemology The chapters in this volume tackle the following issues meta questions around whether and how we can make sense of the concept of moral certainty the role of moral certainty in contemporary debates on gender racism bias and historically unjust practices ways in which radical change in society engendered by new technologies might affect moral certainties and the role of the notion of moral certainty in the debates on free will and moral responsibility *Philosophical Perspectives on Moral Certainty* will appeal to researchers and advanced students working on ethics and moral philosophy epistemology philosophy of technology and Wittgenstein

**Moral Certainty and the Foundations of Morality** Neil O'Hara, 2018-03-15 What lies at the foundation of our moral beliefs If we dig down far enough do we find that our moral values have no ground at all to stand on and so are apt to collapse upon serious philosophical investigation This book seeks to answer these and related questions by positing an indubitable foundation for our moral beliefs they arise from the phenomenon of primary recognition and are fundamentally shaped by basic moral certainties Drawing on philosophers such as Ludwig Wittgenstein and Knud Ejler Løgstrup this book draws together insights from both Analytic and Continental philosophy to provide a convincing new picture of our moral foundations And it does so in a way that eschews moral conservatism and opens the way for a rich understanding of the variety and particularity of our human moral systems while also keeping a significant place for those moral beliefs that occur universally across cultures

**The Later Wittgenstein and Moral Philosophy** Benjamin De Mesel, 2018-09-07 This book shows that Ludwig Wittgenstein's later philosophical methods can be fruitfully applied to several problems in contemporary moral philosophy The author considers Wittgenstein's

ethical views and addresses such topics as meta ethics objectivity in ethics and moral perception Readers will gain an insight into how Wittgenstein thought about philosophical problems and a new way of looking at moral questions The book consists of three parts In the first part Wittgenstein s later philosophical methods are discussed including his comparison of philosophical methods to therapies The book then goes on to explore how these methods give insight into Wittgenstein s ethical views Readers will see how these are better understood when read in the light of his later philosophical thought In the third part Wittgenstein s later methods are applied to problems in contemporary moral philosophy including a look at questions for moral advice The author reviews and criticizes some of the secondary literature on Wittgenstein s later philosophical methods and indicates how the topic of the book can be developed in future research There is something of value for readers of all levels in this insightful and well written volume It will particularly appeal to scholars and students of Wittgenstein of philosophy and of ethics

*Political Philosophy in a Pandemic* Fay Niker,Aveek Bhattacharya,2021-07-15 Government lockdowns school closures mass unemployment health and wealth inequality Political Philosophy in a Pandemic asks us where do we go from here What are the ethics of our response to a radically changed even more unequal society and how do we seize the moment for enduring change Addressing the moral and political implications of pandemic response from states and societies worldwide the 20 essays collected here cover the most pressing debates relating to the biggest public health crisis in the last century Discussing the pandemic in five key parts covering social welfare economic justice democratic relations speech and misinformation and the relationship between justice and crisis this book reflects the fruitful combination of political theory and philosophy in laying the theoretical and practical foundations for justice in the long term

*Ethics after Wittgenstein* Richard Amesbury,Hartmut von Sass,2021-01-28 What does it mean for ethics to say as Wittgenstein did that philosophy leaves everything as it is Though clearly absorbed with ethical questions throughout his life and work Wittgenstein s remarks about the subject do not easily lend themselves to summation or theorizing Although many moral philosophers cite the influence or inspiration of Wittgenstein there is little agreement about precisely what it means to do ethics in the light of Wittgenstein Ethics after Wittgenstein brings together an international cohort of leading scholars in the field to address this problem The chapters advance a conception of philosophical ethics characterized by an attention to detail meaning and importance which itself makes ethical demands on its practitioners Working in conversation with literature and film engaging deeply with anthropology and critical theory and addressing contemporary problems from racialized sexual violence against women to the Islamic State these contributors reclaim Wittgenstein s legacy as an indispensable resource for contemporary ethics

**Where is the Good in the World?** David Henig,Anna Strhan,Joel Robbins,2022-07-08 Bringing together contributions from anthropology sociology religious studies and philosophy along with ethnographic case studies from diverse settings this volume explores how different disciplinary perspectives on the good might engage with and enrich each other The chapters examine how people realize the good in social life exploring how

ethics and values relate to forms of suffering power and inequality and in doing so demonstrate how focusing on the good enhances social theory This is the first interdisciplinary engagement with what it means to study the good as a fundamental aspect of social life     Wittgenstein, Religion and Ethics Mikel Burley, 2018-08-23 Ludwig Wittgenstein was an outstanding 20th century philosopher whose influence has reverberated throughout not only philosophy but also numerous other areas of inquiry including theology and the study of religions Exemplifying how Wittgenstein's thought can be engaged with both sympathetically and critically Wittgenstein Religion and Ethics pushes forward our thinking about religion and ethics and their place in the modern world Bringing Wittgenstein's ideas into productive dialogue with several other important thinkers including Elizabeth Anscombe St Thomas Aquinas Georg Cantor Søren Kierkegaard and George Orwell this collection fosters a highly informative picture of how different strands of contemporary and historical thought intersect and bear upon one another Chapters are written by leading scholars in the field and tackle current debates concerning religious and ethical matters with particular attention to the nature of religious language This is a substantial contribution to religion and ethics demonstrating the significance of Wittgenstein's ideas for these and related subjects     Ethics in the Wake of Wittgenstein Benjamin De Mesel, Oskari Kuusela, 2019-04-25 This book brings together essays from leading scholars who rather than taking a strictly exegetical approach attempt to show how discussions in moral philosophy can benefit from Wittgenstein's later philosophical work The essays in this volume make the argument that Wittgenstein's relevance for moral philosophy depends not only on his views about ethics but also on the methods he introduces on his views on the nature of philosophy and philosophical problems and on the insights into language developed in his philosophy They also focus on the Wittgensteinian tradition in moral philosophy and its relation to more mainstream analytic moral philosophy addressing how several prominent philosophers use these ideas and methods in their work Ethics in the Wake of Wittgenstein seeks to answer the following question Can we apply Wittgenstein's ways of dealing with problems in logic philosophy of language epistemology philosophy of mind and philosophy of mathematics to moral philosophy as well It will be of interest to Wittgenstein scholars and those working on current debates in moral philosophy metaethics and normative ethics

**Ethical Inquiries after Wittgenstein** Salla Aldrin Salskov, Ondřej Beran, Nora Hämäläinen, 2022-05-18 This volume showcases contemporary ground up ethical essays in the tradition of Wittgenstein's broader philosophy and Wittgenstein inspired ethical reflection It takes the ethical relevance of Wittgenstein as a substantial and solid starting point for a broad range of ongoing thinking about contemporary ethical issues The texts are organised in two sections The first consists of chapters exploring questions around what could be called the grammar of our moral forms of life and thus represents a more traditional approach in ethics after Wittgenstein The second part represents a recent turn in the tradition towards investigating moral conceptions perspectives and concepts that are undergoing change either because the world itself is changing for instance with new technologies or because human agency such as social movements has brought us to

reconsider previously unquestioned ideas and structures Within the book the authors contributions are inspired in their ways of working with ethical questions by Wittgenstein s conceptions of language understanding and the nature of philosophical inquiry This book is of interest to philosophers influenced by Wittgenstein as well as to all ethicists seeking ideas for how to do philosophy in a manner close to lived experience and practice      *Ludwig Wittgenstein's Philosophical Investigations* Joseph Agassi,2018-11-23 This book collects 13 papers that explore Wittgenstein s philosophy throughout the different stages of his career The author writes from the viewpoint of critical rationalism The tone of his analysis is friendly and appreciative yet critical Of these papers seven are on the background to the philosophy of Wittgenstein Five papers examine different aspects of it one on the philosophy of young Wittgenstein one on his transitional period and the final three on the philosophy of mature Wittgenstein chiefly his *Philosophical Investigations* The last of these papers which serves as the concluding chapter concerns the analytical school of philosophy that grew chiefly under its influence Wittgenstein s posthumous *Philosophical Investigations* ignores formal languages while retaining the view of metaphysics as meaningless declaring that all languages are metaphysics free It was very popular in the middle of the twentieth century Now it is pass Wittgenstein had hoped to dissolve all philosophical disputes yet he generated a new kind of dispute His claim to have improved the philosophy of life is awkward just because he prevented philosophical discussion from the ability to achieve that he cut the branch on which he was sitting This according to the author is the most serious critique of Wittgenstein      **Virtue Ethics: Retrospect and Prospect** Elisa Grimi,2019-04-24 The rise of the phenomenon of virtue ethics in recent years has increased at a rapid pace Such an explosion carries with it a number of great possibilities as well as risks This volume has been written to contribute a multi faceted perspective to the current conversation about virtue Among many other thought provoking questions the collection addresses the following What are the virtues and how are they enumerated What are the internal problems among ethicists and what are the objections and replies to contemporary virtue ethics Additionally the practical implications following from the answers to these questions are discussed in new and fascinating research Fundamental concepts such as teleology and eudaimonism are addressed from both a historical and dialectical approach This tome will contribute not only to providing further clarity to the current horizons in virtue ethics but also to the practical conclusion following from the study to challenge the reader towards a greater pursuit of the virtuous life      **Language, Ethics and Animal Life** Niklas Forsberg,Mikel Burley,Nora Hamalainen,2012-10-11 New research into human and animal consciousness a heightened awareness of the methods and consequences of intensive farming and modern concerns about animal welfare and ecology are among the factors that have made our relationship to animals an area of burning interest in contemporary philosophy Utilizing methods inspired by Ludwig Wittgenstein the contributors to this volume explore this area in a variety of ways Topics discussed include scientific vs non scientific ways of describing human and animal behaviour the ethics of eating particular animal species human nature emotions and instinctive reactions responses of wonder towards the

natural world the moral relevance of literature the concept of dignity and the question whether non human animals can use language This book will be of great value to anyone interested in philosophical and interdisciplinary issues concerning language ethics and humanity s relation to animals and the natural world      **Handbook of Ethics and Social Psychology**

Simon M. Laham,2025-06-09 This thought provoking Handbook examines a range of novel intersections between ethics and social psychology extending the boundaries of the field beyond concerns of moral and positive psychology It reflects on a range of social psychological approaches to moral issues as well as on the ethical implications of social psychology research

**Philosophy in the Age of Science?** Julia Hermann,Jeroen Hopster,Wouter Kalf,Michael Klenk,2020-06-09 Current academic philosophy is being challenged from several angles Subdisciplinary specialisations often make it challenging to articulate philosophy s relevance for the societal questions of our day Additionally the success of the scientific method puts pressure on philosophers to articulate their methods and specify how these can be successful How does philosophical progress come about What can philosophy contribute to our understanding of today s world Moreover can it also contribute to resolving urgent societal challenges such as anthropogenic climate change This edited volume evaluates the place of philosophy in the age of science It addresses three related sub themes philosophical progress philosophical method and philosophy s societal relevance Fourteen authors engage with these sub themes focusing on the topics of their philosophical expertise such as the philosophy of religion evolutionary ethics and the nature of free will In doing so they explore their methods of enquiry and look at how progress in their research comes about      **La filosofía como terapia** Pamela Lastres

Dammert,2025-06-04 Es la filosof a una forma de terapia Pamela Lastres convoca al pensador contempor neo Ludwig Wittgenstein para presentar a la filosof a como una pr ctica vital transformadora antes que un cuerpo de doctrinas explicativas es una actividad de clarificaci n conceptual que propicia una clarificaci n existencial En la ruta filos fica de Socrates y Sexto Emp rico se trata de una manera no dogm tica de situarse en el mundo La terapia psicoanal tica de Freud sirve tambi n a Wittgenstein para modelar su concepci n terap utica de la filosof a C mo tratar terap uticamente un problema filos fico Entre 1949 y 1951 Wittgenstein escribi un conjunto de anotaciones cr ticas contra el escepticismo filos fico recogidas p stumamente en el volumen titulado Sobre la certeza El original desmantelamiento del escepticismo filos fico que lleva a cabo Wittgenstein en dicha obra no constituye una mera respuesta te rica permite adem s descubrir c mo el planteamiento tradicional del escepticismo filos fico afecta nuestra comprensi n del mundo y de nosotros mismos      **Social**

**Theorists of Morality** Owen Abbott,2025-01-29 This book provides an interdisciplinary series of essays on key social theorists of morality It explores contributions to social moral theorising made by W E B Du Bois G H Mead Jane Addams Alasdair MacIntyre Carol Gilligan Seyla Benhabib Kwame Anthony Appiah and Jonathan Haidt It thus seeks to integrate alternative voices at the foundations of sociological theorising about morality while entering into dialogues with post Enlightenment moral philosophy and contemporary moral psychology In so doing it engages with perspectives of pragmatism

virtue ethics care ethics feminist critiques and moral foundations theory The essays discuss key topics in social theories of morality including moral action socialisation habit and reflexiveness relationships emotion self identity racism and colonialism universalism and innateness It centres crucial but often overlooked questions of moral power and assesses the relationship between moral theorising and normative argument The essays are conjoined by a running theme of moral agency how it is constituted and how it is enacted which orientates the book's arguments and critiques

**Moral Change** Cecilie Eriksen, 2020-12-14 How does moral change happen What leads to the overthrow or gradual transformation of moral beliefs ideals and values Change is one of the most striking features of morality yet it is poorly understood In this book Cecilie Eriksen provides an illuminating map of the dynamics structure and normativity of moral change Through eight narratives inspired by the legal domain and in dialogue with modern moral philosophy Eriksen discusses moral bias conflict progress and revolutions She develops a context sensitive understanding of ethics and shows how we can harvest a knowledge of the past that will enable us to build a better future

**Wittgenstein and Value** Eric B. Litwack, 2009-05-01 Ludwig Wittgenstein 1889-1951 was one of the most important and influential thinkers of the 20th century In *Wittgenstein and Value* Eric B Litwack attempts to clarify his many challenging ideas and arguments related to the notion of value and the implications of his work for debates in contemporary ethics aesthetics and religious studies Litwack shows that Wittgenstein was engaged in a project of philosophical anthropology which set him against some of the main currents of 20th century intellectual life The book explores the key notions in Wittgenstein's philosophy of mind and language and reveals how he developed a consistently expressionistic conception of value in its many manifestations Litwack also examines some of the key arguments of post Wittgensteinian philosophers in the analytic Anglo American tradition and explores the ways in which they have used Wittgenstein's arguments in addressing contemporary philosophical problems
