On The Names Of The Father

Philip Schaff

On The Names Of The Father:

On the Names-of-the-Father Jacques Lacan, 2015-10-05 What astonishing success the Name of the Father has had Everyone finds something in it Who one's father is isn't immediately obvious hardly being visible to the naked eye Paternity is first and foremost determined by one's culture As Lacan said The Name of the Father creates the function of the father But then where does the plural stem from It isn't pagan for it is found in the Bible He who speaks from the burning bush says of Himself that He doesn't have just one Name In other words the Father has no proper Name It is not a figure of speech but rather a function The Father has as many names as the function has props What is its function The religious function par excellence that of tying things together What things The signifier and the signified law and desire thought and the body In short the symbolic and the imaginary Yet if these two become tied to the real in a three part knot the Name of the Father is no longer anything but mere semblance On the other hand if without it everything falls apart it is the symptom of a failed knotting Jacques Alain Miller The Trinitarian Theology of Hilary of Poitiers Mark Weedman, 2007 This book offers a new reading of Hilary's Trinitarian theology that takes into account the historical context of Hilary's thought It shows how Hilary's exile altered his theological sensibility and it examines the theological themes that emerged from this new context **A Concordance of the Proper Names in the Holy Scriptures** Thomas David Williams, 1923 *A Definitive Look at Oneness Theology* Edward L. Dalcour, 2005 This book critically examines the claims of Oneness theology in light of biblical exegesis Specifically it affirms the biblical presentation of God existing as three distinct coequal coeternal and coexistent Persons or Selves **The Morning Exercise Methodized, Etc. [Edited by T. Case.]** Thomas CASE (M.A.), 1676 Humanisation? Colette Soler, 2018-06-19 Unquenched desire the dividing up of the drives repetition and symptom are the keywords for the effects that the unconscious as deciphered by Freud has on the body Harmony is not on the agenda but rather the discordance unlinking and arrogance of cynical jouissances It seems that the discourse of capitalism is today increasing their deleterious consequences with all of these demonstrative suicides but also suicides as diverse as those of terrorists Tibetan monks those beleaguered by the capitalist enterprise and all the hopeless of our time Hence the question that Lacan posed concerning the possible humanisation of this denatured animal about whom Freud did not hesitate to say that he is a wolf to man even though he has always made community What will the psychoanalyst say about possible solutions he whose act excludes the call to norms of any kind Humanisation is the 2013 2014 volume of the annual seminar held by the author at the Clinical College of the Lacanian Field in Paris **The Father's Eternal Freedom** Dario Chiapetti, 2022-06-30 John Zizioulas is renowned for his controversial reflection on the ontological freedom as the cause and cipher of God's being which also has important implications for anthropology ecclesiology and ecumenical dialogue This view is bound up with a personalist conception of the Trinity recognised in the teaching of the Greek Church Fathers in which the person represents the primary ontological category In particular Zizioulas shows how by virtue of the Father personhood coincides with absolute freedom In

The Father's Eternal Freedom Dario Chiapetti explores this ontology Taking into account Zizioulas epistemological principles his patristic reading and his theological development the author systematically presents Zizioulas thesis verifying its conformity to dogma and its internal coherence Chiapetti analyses how Zizioulas proposal brings back to the centre of systematic theology the teaching of the Greek Fathers especially the Cappadocians and the apophatic horizon of dogmatic reflection Such reflection pushes the discourse on God to its maximum degree identifying and bringing out rather than resolving or attenuating the aporetic terms that structure it

Ninan,2018-09-12 Early in the history of mankind when Jesus was alive he communicated as man In the end soon after the resurrection and the post resurrection period period showed himself to be God Now those who proclaimed Jesus as God was forced to declare God as Trinity This created a problem between Monotheism and Polytheism Is Christianity Monotheistic or Polytheistic This was the struggle in the early Christian period Arius was one who came up with one answer as many others What did he propose Is it a valid explanation Is it heresy Where do we place Arianism Who are the Arians today

Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume III of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find a complete collection of Saint Augustines writings concerning Christian doctrine and ethics On the Holy Trinity is one of his most important works and Augustine spent a significant amount of time crafting it Among the ethical considerations covered in the second half of the book readers will find essays on virginity lying patience and proper care for the dead *Biblical ABCs* ,2021-10-22 *Biblical ABCs* is a theological resistance primer Its author Kornelis Heiko Miskotte was a Dutch pastor theologian and antifascist who lived and worked under the Nazi occupation of his country Miskotte s family hid Jews inside their home and Miskotte facilitated underground Christian discussion groups In 1941 he published an illegal pamphlet as a study guide for these groups In an atmosphere saturated with propaganda and lies Miskotte felt that Christians needed a refresher course in the basics of biblical language an anti Nazi catechism as it were Miskotte presents this instruction in twelve brief poetic meditations on important terms drawn from the Bible Like his teacher Karl Barth Miskotte insists on the primacy of the Word and like his imprisoned colleague Dietrich Bonhoeffer he emphasizes the this worldliness of the Old Testament Miskotte also shows his deep debt to the Jewish theologian Franz Rosenzweig He begins his primer with the A of the biblical ABCs the Name of God the Tetragrammaton which Miskotte sees as the cornerstone of all resistance to authoritarianism and truth decay *A Tour of the Summa* Paul J.
