ON THE ROAD TO ARMAGEDDON

HOW EVANGELICALS
BECAME ISRAEL'S BEST FRIEND

TIMOTHY P. WEBER

On The Road To Armageddon How Evangelicals Became Israels Best Friend

Donald M. Lewis

On The Road To Armageddon How Evangelicals Became Israels Best Friend:

On the Road to Armageddon Timothy P. Weber, 2004 Examines dispensationalism the evangelical relationship with Israel and how it affects American politics regarding the Middle East **Evangelicals and American Foreign Policy** Mark R. Amstutz, 2013-09-02 Mark Amstutz offers a timely and insightful look at how Evangelicals have shaped America's role in the world and how they can best use their power without compromising their principles [American Christians and Islam](#) Thomas S. Kidd, 2018-06-05 In the wake of the September 11 terrorist attacks many of America's Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world's Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today's evangelicals have deep roots in American history Tracing Islam's role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation's founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals' fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians' anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America's immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals' unwillingness to acknowledge Islam's theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world *American Christians and Islam* is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today **Apocalyptic Fever** Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more [Evangelicals and Israel](#) Stephen Spector, 2009 Most observers explain evangelical Christians' bedrock support for Israel as stemming from the apocalyptic

belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church's past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush's beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies *Evangelicals and Israel* corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism

The Apocalypse Code Hank Hanegraaff, 2010-09-20 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts *The Apocalypse Code* offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust *The Apocalypse Code* is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world Provocative and passionate this fascinating book is a must read for everyone who's interested in end times controversies Lee Strobel Author *The Case for the Real Jesus* This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the *Left Behind* series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School

Israel and the United States Robert Freedman, 2018-04-19 This unique volume intensively studies the nature and extent of US Israeli relations from 1948 through the Bush and Obama administrations Leading experts in the field including

Israeli and North American scholars from a variety of political perspectives contribute original essays on the principal political religious ethnic military economic and juridical connections between the United States and Israel Specific topics covered in this new book include the pro Israel lobby in the United States the US Jewish community and its relations to Israel evangelical Christians and Israel military and economic ties between the United States and Israel the threat of a nuclear Iran for both countries and the impact of American jurisprudence on Israel Section introductions from the editor effectively contextualize the issues and provide students with an in depth understanding of the past present and future of the US Israel relationship

Both Swords and Ploughshares Ineke Bockting, Linda Martz, 2015-10-13 This collection of essays examines interactions of war peace and religion in the United States a country where religious faith was and still is often deeply felt and widely held where faith has provided a set of values to uphold with fervor or to transgress in protest and where religion has been used to legitimize both armed violence and passive resistance These essays analyze the mythos of America as a place of religious freedom yet one imbued with a socially imposed civil religion and underpinned by a heavy presumption of Protestant dominance With subjects ranging from the War of Independence to the early 21st century the contributions to this volume focus on a variety of historical and chronological circumstances in order to consider what concrete tangible outcomes what artifacts were produced by the interface of war peace and religion the swords and ploughshares of the title This volume thus presents a variety of often multifaceted responses that reflect its interdisciplinary scope Some contributions refer to fine art pieces including statues paintings and murals and others to works of literature theology or public speaking Some of these interfaces were performed on stage or in film while yet others were heard on the radio or read in newspapers or journals Some of the essays gathered here concern individuals working through the meaning of armed conflict in terms of their own personal faith while others examine the impact of such conflicts on a larger scale as with whole faith communities or in the shaping of national or foreign policy The first part Communities looks at interfaces that served to structure a whole community The second Margins examines instances where the relationship between religion and war and peace has occupied a more marginal space within a faith community The final section turns this interface Outward situating it away from American soil or noting how foreign war shaped the spirituality of those returning

Christians and a Land Called Holy Charles P. Lutz, Robert Ora Smith, Fair minded and sympathetic to Jewish Muslim and Christian concerns Lutz and Smith provide a clear account of the Israeli Palestinian situation and a compelling plea for Christian involvement in the area Carefully sorting out the tangled historical and religious roots of the problems they reveal the strong forces at work in the conflict and lay out the driving biblical notions of election and covenant the historical causes of the bitter and divisive clashes of the last 50 years the complex demographic and political issues today how Palestinians particularly Christians have been affected by the turmoil and how finally Christians must engage the future of justice and peace Includes maps and twelve black and white photos

Jesus and the Land Gary M. Burge, 2010-04 Describes first century Jewish and Christian beliefs

about the land of Israel and examines present day tensions helping readers develop a Christian theology of the land **A Short History of Christian Zionism** Donald M. Lewis,2021-08-31 Christian Zionism influences global politics especially U S foreign policy and has deeply affected Jewish Christian and Muslim Christian relations With a fair minded longitudinal study of this dynamic yet controversial movement Donald M Lewis traces its lineage from biblical sources through the Reformation to various movements of today

Comprehending Christian Zionism Göran Gunner ,Robert O. Smith,2014-10-01 The question of the Christian Zionism the religious and political support of the state of Israel is fiercely debated within theology and the church as well as in the wider political and social arenas Examination of the issue is however highly relevant and crucial as it cuts across a wide array of constitutive features and beliefs of Christian life from interpretation of scripture to religious and political ethics Comprehending Christian Zionism brings together an international consortium of scholars and researchers to reflect on the network of issues and topics surrounding this critical subject these essays are the fruit of several years of collaboration by the special working group on Christian Zionism The volume includes essays from Christian scholars around the globe as well as Jewish and Palestinian contributors to provide interfaith contextual dialogue Taken together the volume provides a lens on the history of Zionism within Christian theology from a variety of locations and perspectives and offers a constructive multidimensional path for assessment and introspection around the meaning of Zionism to Christian faith and practice Jerusalem in Memory and Eschatology Emma O'Donnell

Polyakov,2025-06-12 Investigating a range of eschatological ideologies this volume explores the connection between notions of sacred space and time in Jewish Christian and Muslim understandings of Jerusalem The recognition of Jerusalem as a holy city both unites and divides Judaism Christianity and Islam While these three religious traditions share a reverence for the same ancient city this veneration leads more often to tension and violence than to commonality and cooperation Each of these religions draws heavily from religious memory and eschatological prophecies and sees Jerusalem as a site of past and future upheaval however the distinctions in their visions imbue Jerusalem with meanings that reinforce conflicting and contested ideologies Offering multiple analyses of religious interpretations of the city and its sacred sites this volume explores these divergent visions of the remembered and anticipated Jerusalem **The Witness of Jesus, Paul and John**

Larry R. Helyer,2023-07-17 This book introduces the reader to the discipline of biblical theology In part one Helyer discusses the central problem of the unity of the Bible and the various options that have been proposed He then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of God Part two takes up the theology of three major witnesses Jesus Paul and John In these three witnesses Helyer finds the center of New Testament thought He emphasizes the importance of Jesus teaching as foundational for all the other the New Testament witnesses Without overlooking the diversity and individuality of the major witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of Scripture

Popular Evangelicalism in American Culture Richard Kyle, 2017-09-18 Popular Evangelicalism in American Culture explores the controversies complexities and historical development of the evangelical movement in America and its impact on American culture Evangelicalism is one of the most dynamic and growing religious movements in America and has been both a major force in shaping American society and likewise a group which has resisted aspects of the modern world Organised thematically this book demonstrates the impact of American culture on popular evangelicalism by exploring the following topics politics economics salvation millennialism the megachurch and electronic churches and popular culture This accessible and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America

The Crisis of Evangelical Christianity Keith C. Sewell, 2016-04-26 In the broad context of Christianity as it developed over two millennia and with special reference to the last three centuries this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith The evangelical outlook is much less scriptural than evangelicals generally assume When it comes to appreciating the order of creation our calling to develop integral Christian thinking and living the religious significance of culture and the coming of the kingdom reductionist Evangelicalism struggles with its only rarely acknowledged deficiencies As a result we have all too often ended up with a Christianity shorn of its cosmic scope and wide cultural implications and restricted to institutional church life and the cultivation of private spiritual experience The consequences are frequently enervating and corrosive Without disregarding what is important in the past evangelicals are here challenged to take the Bible much more seriously and thereby transcend the limitations of their habitual reductionism Evangelicals are encouraged to embrace an integral and full orbbed understanding of Christian discipleship that will equip the faithful to address the deep and complex challenges of the twenty first century

The Pro-Israel Lobby in Europe Elvira King, 2016-03-02 The activities of pro Israel pressure groups and lobbyists in the US are well known But the pro Israel lobby in Europe is less prominent in both academic and media accounts In a unique account Elvira King identifies the pro Israeli groups which attempt to influence policy makers and implementers in the EU specifically examining Christian Zionist groups Through a detailed study of the European Coalition for Israel ECI the only Christian Zionist lobby in Brussels Elvira King analyses whether and how a religious group can and can fail to influence decision makers in the EU By exploring the context of European relations with Israel as well as the mechanisms through which pressure groups are able to influence EU wide policies King offers an analysis which demonstrates how the EU can be a site where religion and politics meet rather than just being a secular institution It therefore contains vital primary research for both those interested in the pro Israel lobby as well as those examining the role of religion in politics more generally

Christianity and Rabbinic Judaism Jonas Alexis, 2013-01-10 Our way must be never knowingly support lies Having understood where the lies begin step back from that gangrenous edge Let us not glue back the flaking scale of the Ideology not gather back its crumbling bones nor patch together its decomposing garb and we will be amazed how swiftly

and helplessly the lies will fall away and that which is destined to be naked will be exposed as such to the world Alexander Solzhenitsyn Enlightenment writer Voltaire was amazed that twelve fishermen some of them unlettered from an obscure place in the world called Galilee challenged an empire through self denial and patience and eventually established Christianity He seriously thought that twelve philosophers or intellectuals himself included would do the opposite and crush Christianity Voltaires self appointed cheerleaders such as Diderot Helvitius dHolbach DAlembert Lametrie and Baron Cloots among others tried to do just that and wrote volumes of work trying to tear down the basis of Christianity and erect an edifice of their own Diderot in particular declared I would sacrifice myself perhaps if I could annihilate forever the notion of God Cloots wrote We shall see the heavenly royalty condemned by the revolutionary tribunal of victorious Reason Lametrie produced Man A Machine and an entire French encyclopedia was written between 1751 and 1772 by those philosophers because Christianity to a large degree had to go Voltaire would send letters to his disciples and friends saying crasez linfme Rousseau of course was a disciple of Voltaire and declared that Voltaires work inspired me The French Revolution failed Yet like all significant revolutions before and after that period the French Revolution indirectly had a theological root which was then a categorical and metaphysical rejection of Logos That theological substratum has jumped from one era to the next and had and still has historical political economic and spiritual ramifications This book is about the historical and theological struggle of that conflict which had its inception at the foot of the cross **Kingdom Come** Matthew K.

Thompson,2019-05-21 In his Pentecostal Spirituality A Passion for the Kingdom 1993 theologian Steven J Land issued a clarion call for Pentecostal theologians to reconsider eschatology outside the categories of premillennial dispensationalism Kingdom Come Revisioning Pentecostal Eschatology is Matthew Thompson s constructive answer to Land s invitation Thompson persuasively argues that Pentecostalism s adoption of premillennial dispensationalism as a hermeneutic as a philosophy of history and as an eschatology robs the movement of the potential for dynamic growth and of profound experiences of the power of the Holy Spirit Thompson concludes his account with an engagement of the eschatologies of John Fletcher J rgen Moltmann and Sergius Bulgakov in order to construct what he terms a genuinely Pentecostal eschatology formulated thematically through the lens of the five fold Pentecostal Full Gospel *The 80% Solution* Donald R.

Barbare,2012-04-28 none

Unveiling the Magic of Words: A Overview of "**On The Road To Armageddon How Evangelicals Became Israels Best Friend**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. On The Road To Armageddon How Evangelicals Became Israels Best Friend Introduction

In todays digital age, the availability of On The Road To Armageddon How Evangelicals Became Israels Best Friend books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of On The Road To Armageddon How Evangelicals Became Israels Best Friend books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of On The Road To Armageddon How Evangelicals Became Israels Best Friend books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing On The Road To Armageddon How Evangelicals Became Israels Best Friend versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, On The Road To Armageddon How Evangelicals Became Israels Best Friend books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing On The Road To Armageddon How Evangelicals Became Israels Best Friend books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization

that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for On The Road To Armageddon How Evangelicals Became Israels Best Friend books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, On The Road To Armageddon How Evangelicals Became Israels Best Friend books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of On The Road To Armageddon How Evangelicals Became Israels Best Friend books and manuals for download and embark on your journey of knowledge?

FAQs About On The Road To Armageddon How Evangelicals Became Israels Best Friend Books
