Rape Culture, Purity Culture, and Coercive Control in Teen Girl Bibles Caroline Blyth,2021-02-10 In this fascinating book Caroline Blyth takes a close look at Bibles marketed to teen girls and asks how these might perpetuate harmful gender stereotypes that lie at the heart of rape culture The author considers the devotionals commentaries and advice sections placed throughout these Bibles which offer teen girl readers life advice on topics such as friendships body image and how to navigate romantic relationships Within these discussions there is a strong emphasis on modesty purity and sexual passivity as markers of young women s godliness Yet as the author argues these gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest to those studying the Bible religion gender and theology as well as the general reader

My Family Kurt Johnston,Mark Oestreicher,2009-08-30 Families can be complicated and this reference guide is here to help you get through whatever issue you might face from frustrations with your parents to what to do if your family is breaking apart from divorce or even if there s been abuse in your home With seventy five short chapters that cover almost twenty major topics there s plenty of understanding advice and wisdom to help you navigate issues with your family AND strengthen the bonds that matter most Middle school is tough and figuring out who you are during this time can sometimes mean more issues with your family members from not feeling understood to wondering why you can t have a little more freedom and trust now that you re not a little kid anymore And maybe your family itself is changing in ways you never thought could happen In this book everything from dealing with small frustrations to dating getting more privacy handling issues with siblings and what to do when a parent lets you down or even hurts you physically is discussed and explored giving you advice and ideas on how to navigate the issues in your family today My Family is written by two youth specialists with over forty combined years of experience dealing with the issues today s preteens and young adults face every day contains stories from the authors that add honesty and where appropriate humor to the topics being discussed can be used as a reference guide on specific topics or read straight through for a wider experience provides a biblical yet candid approach is also ideal for anyone dealing with teenagers in a mentoring teaching or leadership environment

the only NIV Bible specifically for teen girls ages 13-16 now in Italian Duo Tone **Gospel Portraits** K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly. With such changes, new challenges for how churches live as a proclamation of the gospel have and continue to emerge. These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges. Because Scripture is revered as God's word, this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel. **Gospel Portraits** addresses the intersection of mission and hermeneutics for churches within their local contexts. Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God, this book proposes that churches should read the Bible as a Christ-centered and kingdom-oriented narrative. This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts. Discerning what a contextual embodiment of the gospel involves, churches portray God's new creation in ways that are coherent with the biblical story and relevant to their local context. In doing so, churches live as Christ-formed and Spirit-led communities portraying the gospel. **Children's Books in Print, 2007**, 2006
