Ariel Dorfman

Noam Chomsky Open Media Collection 9 11 Media Control Acts Of Aggression:

Secret and Suppressed II Adam Parfrey, Kenn Thomas, 2008 The groundbreaking first edition of Secret and Suppressed influenced many in the conspiratorial 90s including Chris Carter and his X Files Now comes the second edition presenting a new set of revelations rants visions and nightmares that illuminate the paranoid and nightmarish post 9 11 world *Media Control* Noam Chomsky, 2011-01-04 Noam Chomsky's backpocket classic on wartime propaganda and opinion control begins by asserting two models of democracy one in which the public actively participates and one in which the public is manipulated and controlled According to Chomsky propaganda is to democracy as the bludgeon is to a totalitarian state and the mass media is the primary vehicle for delivering propaganda in the United States From an examination of how Woodrow Wilson's Creel Commission succeeded within six months in turning a pacifist population into a hysterical war mongering population to Bush Sr's war on Iraq Chomsky examines how the mass media and public relations industries have been used as propaganda to generate public support for going to war Chomsky further touches on how the modern public relations industry has been influenced by Walter Lippmann's theory of spectator democracy in which the public is seen as a bewildered herd that needs to be directed not empowered and how the public relations industry in the United States focuses on controlling the public mind and not on informing it Media Control is an invaluable primer on the secret workings of disinformation in democratic societies Terrorism and War Howard Zinn, 2011-01-04 Truth as Zinn shows us in the interviews that make up Terrorism and War has indeed been the first casualty of war starting from the beginnings of American empire in the Spanish American War But war has many other casualties he argues including civil liberties on the home front and human rights abroad In Terrorism and War Zinn explores the growth of the American empire as well as the long tradition of resistance in this country to U S militarism from Eugene Debs and the Socialist Party during World War One to the opponents of U S military intervention in Afghanistan today **Exorcising Terror** Ariel Dorfman, 2011-01-04 Renowned author Ariel Dorfman obsessed for twenty five years with the malignant shadow General Pinochet cast upon Chile and the world followed every twist and turn of the four year old trial in Great Britain Spain and Chile as well as in the U S the country that had created Pinochet Told as a suspense thriller filled with court room drama and sudden reversals of fortune the book at the same time addresses some of today's most burning issues made all the more urgent after the terrorist attacks of September 11th 2001 What are the limits of national sovereignty in a globalizing world How does an ever more interconnected world judge crimes committed against humanity What role do memory and pain and the rights of the survivors play in this struggle for a new system of justice But above all the author by listening carefully to the voices of Pinochet's many victims explores how can we purge ourselves of terror and fear once we have been traumatized and asks if we can build peace and reconciliation without facing a turbulent and perverse past Open Media Collection Noam Chomsky, 2003 *Manifesto for Another World* Ariel Dorfman, 2011-01-04 In this interlocking prose web of first person

testimony novelist poet and playwright Ariel Dorfman relates the struggles of fifty human rights activists hailing from more than forty countries Manifesto for Another World features the words and struggles of internationally celebrated activists including Vaclav Havel Baltasar Garz n Helen Prejean and Marian Wright Edelman and Nobel Prize Laureates the Dalai Lama Desmond Tutu Elie Wiesel Oscar Arias S nchez Rigoberta Mench Tum Jos Ramos Horta and Bobby Muller Equally moving are the stories of more than thirty others unknown and as yet unsung beyond their national boundaries Kailash Satyarthi who has spent a lifetime working to free tens of thousands of victims of child labor in his native India and Juliana Dogbadzi who was sold into sexual slavery by her parents at age twelve escaped after seventeen degrading years and now is devoted to the liberation of African girls bound in the same terror From their ranging voices Dorfman culls the message freedom from persecution and freedom of opportunity for all Manifesto for Another World is both a political testament and a work of art
