In the Company of Soldiers Melia Meichelbock,2007-08-17 In the Company of Soldiers is an entertaining and honest read This book takes the reader behind the scenes of the Iraq war and offers a perspective not often seen on television news or in the newspapers It is interesting to hear about day to day life in a war zone It is also interesting to learn about the little details of the everyday life of a soldier such as how the bathroom situation works etc The idea of telling the narrative through a daily journal is great and offers a good variety of ups and downs since the reader lives each day with the author This book took a lot of courage and fortitude to write Writer s Digest 16th Annual International Self Published Book Awards
