Party Politics in America (Longman Classics in Politics Science) Marjorie R. Hershey,2012-06-20 This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book Updated in its 15th edition Party Politics in America examines the impact of the Tea Party the battles over the rights of public employees unions the effects of Citizens United and Super PACs on congressional and presidential campaigns and much more Long regarded as the gold standard of parties texts Party Politics in America has remained a best seller because of the care and attentiveness with which each edition is written Building upon the work of Frank Sorauf and Paul Allen Beck Marjorie Hershey has maintained the book s three pronged coverage of party organization party in the electorate and party in government while also introducing contemporary and historical examples to bring to life the fascinating story of how parties have helped to shape our political system **Why Parties?** John H. Aldrich,2011-05 Since its first appearance fifteen years ago Why Parties has become essential reading for anyone wishing to understand the nature of American political parties In the interim the party system has undergone some radical changes In this landmark book now rewritten for the new millennium John H Aldrich goes beyond the clamor of

arguments over whether American political parties are in resurgence or decline and undertakes a wholesale reexamination of the foundations of the American party system. Surveying critical episodes in the development of American political parties from their formation in the 1790s to the Civil War, Aldrich shows how they serve to combat three fundamental problems of democracy: how to regulate the number of people seeking public office, how to mobilize voters, and how to achieve and maintain the majorities needed to accomplish goals once in office. Aldrich brings this innovative account up to the present by looking at the profound changes in the character of political parties since World War II, especially in light of ongoing contemporary transformations including the rise of the Republican Party in the South and what those changes accomplish, such as the Obama Health Care plan. Finally, *Why Parties: A Second Look* offers a fuller consideration of party systems in general, especially the two-party system in the United States, and explains why this system is necessary for effective democracy.

A Divided America: Understanding Party Politics in the Modern Age Pasquale De Marco, 2025-04-15

In the ever-changing landscape of American politics, understanding party politics has never been more crucial. *A Divided America: Understanding Party Politics in the Modern Age* provides a comprehensive and engaging exploration of the dynamics of party politics in the modern age, offering readers a deeper understanding of the two major parties that shape the nation's political landscape: the Republican and Democratic Parties. Delving into the historical roots of party politics, the book traces the evolution of these parties, examining the key factors that have contributed to their dominance in American politics. It analyzes the challenges that party politics currently faces, including the increasing polarization of the electorate, the rise of third parties and independent candidates, and the impact of money and special interests on the political process. Moving beyond a historical perspective, the book delves into the specific characteristics and strategies of the Republican and Democratic Parties. It examines their core principles and ideologies, highlighting how these principles have shaped their respective policies and positions on various issues. The book also profiles key figures and leaders who have played pivotal roles in shaping the parties' identities and guiding their political agendas. Additionally, it explores the parties' electoral strategies, analyzing how they mobilize their bases, target swing voters, and compete for control of government at various levels. Furthermore, the book explores the complex relationship between party politics and other key aspects of American society and governance. It examines the role of interest groups and the media in influencing party platforms and policies, analyzing the strategies that these groups employ to exert their influence. The book also considers the impact of public opinion on party politics, examining how public attitudes and sentiments shape the parties' positions and electoral fortunes. With its comprehensive analysis and insightful perspectives, *A Divided America: Understanding Party Politics in the Modern Age* offers readers a deeper understanding of party politics in America. It provides valuable insights into the challenges and opportunities that the two major parties face and offers thought-provoking perspectives on the future of party politics in the United States. If you like this book, write a review on Google Books.

Party Politics in America Paul Allen Beck, 1997

Party Politics in America now considerably revised and updated is a longtime leading text on American political parties. Its coverage is comprehensive including the American party system and its third parties and independents, all three parts of the parties: the party organizations, the party in the electorate, and the party in government, and the interaction among these parts especially during election campaigns. Professor Beck integrates academic research on the parties with contemporary and historical examples of party politics in the U.S. The eighth edition incorporates new research and political events through the beginning of the 1996 presidential election campaign, employs more comparisons with other democratic party systems than before, and addresses directly the question of the changing role of the parties in American politics.

Party Politics And Elections In Latin America J. Mark Ruhl, Ronald H. McDonald, 2019-08-30 This book is an introduction to party politics, elections, and electoral behavior in Latin America. The subject is vast and the available research on it extensive. The principal purpose is to summarize and conceptualize the subject, making comparisons where appropriate among nations. The authors try to point out both the specific parochial experiences of individual Latin American nations as well as the more universal experiences.

Welfare and Party Politics in Latin America Jennifer Pribble, 2013-04-22 Explores the variation in welfare and other social assistance policies in Latin America.

Party Politics in America Plus MySearchLab with eText -- Access Card Package Marjorie Randon Hershey, 2014-03-11 **ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab check with the seller before completing your purchase. Used or rental books: If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes: Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. Shows the realities of modern parties, organizations, funding, and polarization on issues. Party Politics in America opens the door to a new understanding of political parties and American politics. Building upon the work of Frank Sorauf and Paul Allen Beck, Marjorie Hershey has maintained the book's three-pronged coverage of party organization, party in the electorate, and party in government, while also introducing contemporary and historical examples to bring to life the fascinating story of how parties shape our political system. MySearchLab is a part of the Hershey program. Research and writing tools, including access to academic journals, help students understand critical thinking in even greater depth. To provide students with flexibility, students can download the eText to a tablet using the free Pearson eText app. 013381503X 9780133815030 Party Politics in America Plus MySearchLab with eText Access Card Package Package consists of 0205239927 9780205239924 MySearchLab with Pearson eText Valuepack Access Card 0205992099 9780205992096 Party Politics in America
