Pat Smythes Story Jump For Joy:

Jump for Joy Pat Smythe,1955 **Women in Sports History** Carol Osborne,Fiona Skillen,2014-06-03 Women are and have been for many years actively involved as players supporters and co ordinators in a range of sports and yet they are often missing from or sidelined in accounts of the history of these sports Commenting first on the lack of inclusion of women in British sports history the book goes on to examine aspects of women s participation between the late nineteenth century and the mid twentieth century more broadly It draws together some of the latest research undertaken by international scholars working in the field and includes case studies about golf bridge rowing figure skating and athletics Between them the chapters demonstrate that women enjoyed mixed fortunes in sport They positively highlight the scope of participation as well as the complex interactions and responses that participation generated on account of life stage social class ethnicity and national identity across time and place The incorporated methodological and theoretical approaches invite readers to reconsider existing sport historiography and point to new directions for future research This book was first published as a special issue of *Sport in History* A Contemporary History of Women's Sport, Part One Jean Williams,2014-04-24 This book is an historical survey of women s sport from 1850 1960 It looks at some of the more recent methodological approaches to writing sports history and raises questions about how the history of women s sport has so far been shaped by academic writers Questions explored in this text include What are the fresh perspectives and newly available sources for the historian of women s sport How do these take forward established debates on women s place in sporting culture and what novel approaches do they suggest How can our appreciation of fashion travel food and medical history be advanced by looking at women s involvement in sport How can we use some of the current ideas and methodologies in the recent literature on the history and sociology of sport in order to look afresh at women s participation Jean Williams s original research on these topics and more will be a useful resource for scholars in the fields of sports women s studies history and sociology **The Bookseller** ,1962 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1956 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June *Nike is a Goddess* Lissa Smith,1999 A collection of thirteen narratives that profile the top female athletes in different sports including Babe Didrickson Zaharias Billie Jean King Jackie Joyner Kersee and Sheryl Swoopes **The World Who's who of Women** ,1990 General Catalogue of Printed Books British Museum. Department of Printed Books,1969 **Quarterly Bulletin of Recent Accessions** Kern County Free Library, Bakersfield, Calif,1958 Vols 1 7 11 15 include the library s Annual report for 1919 20 1924 25 1926 27 1930 31 1934 35 1936 37 **Great Horses of Our Time** M. A. Stoneridge,1972 **Britain's Olympic Women** Jean Williams,2020-07-26 Britain has a long and distinguished history as an Olympic nation However most Olympic histories have focused on men s sport This is the first book to tell the story of Britain s Olympic women how they changed Olympic spectacle and how in turn they have reinterpreted the Games Exploring the key themes of gender and

nationalism and presenting a wealth of new empirical archival evidence the book explores the sporting culture produced by British women who aspired to become Olympians from the early years of the modern Olympic movement It shines new light on the frameworks imposed on female athletes individually and as a group by the International Olympic Committee IOC the British Olympic Association BOA and the various affiliated sporting international federations Using oral history and family history sources the book tells of the social processes through which British Olympic women have become both heroes and anti heroes in the public consciousness Exploring the hidden narratives around women such as Charlotte Cooper Lottie Dod Audrey Brown and Pat Smythe and bringing the story into the modern era of London 2012 Dina Asher Smith and Katarina Johnson Thompson the book helps us to better understand the complicated relationship between sport gender media and wider society This is fascinating reading for anybody with an interest in sport history Olympic history women s history British history or gender studies Who's who ,1975 **Books and Bookmen** ,1962 Books in Print ,1959 **Four to**

Fourteen Kathleen M. Lines,2015-04-09 First published in 1956 this book contains a list of children s books suitable for children from infancy until the early teens *People of Today* ,1995 **British Book News** ,1956 In Praise of Famous Horses Sean Magee,2020-10-01 Horses is an A Z companion to perhaps the most loved of all domesticated animals The book s entries include a wealth of unexpected fascinating and serendipitous information from horse slang phrases to horses in British pub signs and from the horse in advertising to the horse as a food item Themes such as the horse in warfare and the horse in folklore abound These features add up to a richly satisfying accumulation of information about the horse s role in human culture and society over two millennia Horses will not only be a helpful reference source and congenial bedside book for those who work with or enjoy horses but also a satisfying and browsable companion for the inquisitive general reader
