

# ANIMAL FRIEND

Masin lay facedown in the mud, clutching at the arrow in his thigh as the bandits moved warily forward.

"You've got heart, outsider," their leader said. "I'll give you that much. But heart will only get you so far in this world. The rest is steel and brains, and what you've got in the former you lack in the latter. Or didn't the townies tell you how stupid it was to come into my woods alone?"

Masin's mumbled reply was lost to the sound of the storm.

"What's that?" The leader edged closer. "Speak up!"

Suddenly, a blood-curdling howl split the night, stopping the bandits in their tracks. Masin raised his head. "I said, 'Who says I'm alone?'"

An animal friend focuses his energy on training and augmenting his animal companion, a loyal creature that grows more powerful as he does. When a massive tiger or wolf is bounding about the battlefield, it's easy for enemies to overlook the animal friend himself, and the animal friend is free to cast combat spells, weave additional enhancement spells for his friend, or even transform into a powerful beast and join in the carnage.

**Picking a Race:** Dwarves, humans, half-elves, and half-orcs all make good animal friends because they can have a bonus to Wisdom, an important attribute to animal friends. Gnomes have a close connection to nature, and their racial traits fit well with the theme. In addition, because gnomes and halflings are smaller-sized creatures, people of both races can use many animal companions as mounts.

- Fights with powerful animal ally
- Casts spells that draw upon the power of nature
- Can learn to take on animal form

Go to page 58 for the druid class.
