**Everything Is Useful** Garth J. Hallett, 2023-05-25 A spiritual quest typically begins with a critical shock or loss one that casts us back upon ourselves to question the meaning of life Should our suffering affect us deeply enough it will plummet us into our hearts where the hidden treasures of life are to be found Should we happen to fully let go we will let go into what IS and thus adversity and pain fulfill their natural roles From that point onward our emphasis and priorities change But discovering our truth and living by it are entirely different things Obstacles frequently beset our path some without the greater part within Everything is Useful identifies such obstacles It offers strategies for overcoming them by seeing them as what they are cosmic strength building exercises that empower us to learn to grow and ultimately to transcend for like the pain that sparked our quest the obstacles in our way double as a means to enlightenment

Learning Through Dialogue Kenneth Paul Kramer, 2013-04-08 Educational practice today often fails to make the crucial distinction between learning as an accumulation of information and learning as a dialogical interaction that elicits one s personal response to the material Learning Through Dialogue offers an alternative approach to teaching and learning which utilizes Martin Buber s dialogical principles turning toward addressing affirmatively listening attentively and responding responsibly The book first presents Buber s educational theory and method and second presents specific examples of how Buber s dialogical philosophy can be
