Pathway to Freedom Study Guide Alistair Begg, 2021-08 In the audio series *Pathway to Freedom How God s Laws Guide Our Lives* Alistair Begg teaches step by step through the Ten Commandments He explains how each commandment points to the responsibilities laid upon us by our Creator and ultimately to our need for saving grace You ll learn that the Ten Commandments are not a ladder to climb to find acceptance with God rather they are a mirror that exposes our sin and our need for a Savior The *Pathway to Freedom* study guide is a companion to the *Pathway to Freedom* audio series It contains twelve sessions that dive deep into the most well known list of moral precepts in human history The study guide presents thought provoking questions for individual reflection and group discussion Each session includes four parts Getting Started a summary statement or commentary on the sermon followed by an introductory question Key Scriptures important Bible verses that were referenced in the sermon and are highlighted for further meditation and memorization Going Deeper questions to help you process the main ideas of the sermon Giving Praise a poem or hymn that can be committed to memory incorporated in worship and used as the basis for prayer about what you have learned and considered

Pathway to Freedom Alistair Begg, 2021-10-05 God s code of conduct is as relevant and insistent today as it s always been The landscape of contemporary society reveals that we neither know nor care much about the Law of God There is A general lawlessness in the lives of professing Christians An absence of the fear of God in public worship and private living A growing confidence in ourselves and doubt concerning God and His Word Amidst this moral crisis the message of the Ten Commandments can give us order direction and hope With dynamic implications for how each of us lives every day *Pathway to Freedom* will challenge you to think long and hard about the significance of God s Law We have entered into a time of moral crisis in our culture and in the church as well Stories about divorce adultery and the individualized picking and choosing of doctrines abound *Pathway to Freedom* is forthright and necessary teaching that today s church cannot afford to ignore How now shall we live The beginning of the answer must be in obedience to God s moral law summarized in the Ten Commandments

What Are God's Goals? Carl Wells, 2014-12-17. Does God Have Goals? We human beings tend to be pretty self-absorbed. We have goals and we hope to meet those goals, whether they are wise or unwise. We seldom stop to consider that perhaps God also has goals. If He does, they are certain to be wise, and He has the power to reach those goals. But what are they? Does God intend that mankind help Him reach His goals? Does our current model of Christianity truly reflect what the Bible teaches? Is the model flawed or broken? What would a biblical model of Christianity look like? Does God torture most people in Hell for eternity? Or have we misread Scripture on that topic? These are some of the questions wrestled with in *What Are God's Goals*.
