A Wolf Affair Eileen Sheehan, 2018-06-23 She moved from the big city to the werewolf-infested mountains and discovered that she had wolf blood in her. Targeted to become a mate to a sexy but overly possessive werewolf neighbor in this very surreal world that's run by them, she seeks the help of her vampire lover. Can he keep her safe? Filled with action, mystery, and mythical creatures, *A Wolf Affair* is one of the dark fantasy thriller romances. *A Wolf Affair Trilogy* is sure to keep you turning pages. What readers are saying: Overall, I liked this book. It was an easy, fast-paced read, and the author did a good job developing the characters. The sex scenes were mostly HOT, which I liked, and the horror scenes were decently gory. This was a dark romance with some sexy scenes. The story moves at a good pace, the characters are well developed, and it is very readable. Parts of it were a bit gory for me, however, I thought it was a good story and a page-turner. If you enjoy stories about hot werewolves and vampires with some horror mixed in, you will love it.
