Patients I Will Never Forget:

Nurses in War Elizabeth Scannell-Desch, Mary Ellen Doherty, 2012-04-23 This unique volume presents the experience of 37 U S military nurses sent to the Iraq and Afghanistan theaters of war to care for the injured and dying The personal and professional challenges they faced the difficulties they endured the dangers they overcame and the consequences they grappled with are vividly described from deployment to discharge In mobile surgical field hospitals and fast forward teams detainee care centers base and city hospitals medevac aircraft and aeromedical staging units these nurses cared for their patients with compassion acumen and inventiveness And when they returned home they dealt with their experience as they could The text is divided into thematic chapters on essential issues how the nurses separated from their families and the uncertainties they faced in doing so their response to horrific injuries that combatants civilians and children suffered working and living in Iraq and Afghanistan for extended periods personal health issues and what it meant to care for enemy insurgents and detainees Also discussed is how the experience enhanced their clinical skills why their adjustment to civilian life was so difficult and how the war changed them as nurses citizens and people Key Features Describes verbatim the experiences of 37 nurses in two brutal chaotic theaters of war Offers poignant encounters with patients Includes advice clarity and lessons learned about nursing in war Offers a women s health perspective on working and living in a war zone Demonstrates the dedication expertise and spirit of military nurses

Life of a Nurse Alice Marlett, 2021-03-15 A complex healthcare system involving many moving parts often makes us forget what matters most is the people Marlett presents her observations of the inner workings of the hospital system with a book that tells what it is really like to work in one as a nurse Not only does Marlett tell us her story but she also tells us her patients stories And it s their stories that ultimately form the heart and soul of Marlett s book Dylan Ward The US Review of Books If I was considering a career change this book might encourage me to become a nurse or it might dissuade me from becoming a nurse Either way it s a no holds barred look at nursing Alice Marlett s writing is so descriptive that readers will feel like they re on the hospital floor with her Joe Wisinski Readers Favorite I liked the uncompromising honesty concerning cases of negligence in health facilities Further the book sufficiently explores the risks associated with understaffing in nursing Kibetious Online Book Club [Framing Our Past](#)

Sharon Anne Cook, Lorna R. McLean, Kate O'Rourke, 2001 Reflecting a rethinking of the making of modern Canada this well illustrated anthology of 85 essays reaches beyond ivory tower images and taken for granted assumptions of women s roles This sampling by primarily women contributors drawn from personal and organizational records emphasizes the experiences of diverse women engaged in all spheres of private and public life from a vignette of Native community life to profiles of innovators in many fields Includes a cross referenced essay index 10 x 9 5 format Cook is a professor of education at the U of Ottawa c Book News Inc [Proceedings](#) Interstate Postgraduate Medical Association of North America, 1926

Naini,Daljit S. Gill,2016-12-13 ORTHOGNATHIC SURGERY Orthognathic Surgery Principles Planning and Practice is a definitive clinical guide to

orthognathic surgery from initial diagnosis and treatment planning to surgical management and postoperative care Addresses the major craniofacial anomalies and complex conditions of the jaw and face that require surgery Edited by two highly experienced specialists with contributions from an international team of experts Enhanced by case studies note boxes and more than 2000 clinical photographs and illustrations Serves as an essential reference for higher trainees and practicing clinicians in cranio maxillofacial surgery orthodontics plastic and reconstructive surgery and allied specialties *Trouble Talking* Daniel R. Boone,2018-06-07 The ability to speak is an important part of human interaction In this book a glimpse into the lived realities of 37 adults and 3 children with communication disorders whose humanism is somewhat compromised by their speech language or voice disorders is offered in humorous and heartbreaking detail The patient s struggle to communicate is often matched by their listeners who are struggling to understand Stories are presented of patients treated in medical settings for such problems as aphasia dementia Parkinson s disease PD amyotrophic lateral sclerosis ALS and other CNS diseases apraxia and head trauma Other stories look at people who were treated in university clinics for such disorders as cerebral palsy and stuttering The last few stories look at speech voice treatment for a transgender woman the loss of voice in a young man in a state penitentiary and finally a humorous story of a pilot with left hemiplegia flying the author Seasoned specialist Daniel Boone does not offer therapy suggestions for either the SLP or the patient s family or friends to try Rather for anyone with a communication disorder he strongly recommends that such patients should seek the guidance and therapy of an ASHA certified speech language pathologist SLP The SLP determines what to do in therapy and practice The stories illustrate the struggles of those who cannot always make their listeners understand They may only be able to repeat the same phrase over and over They may not be able to articulate words clearly enough to be understood They may give bizarre confusing answers to everyday questions Taken together they also illustrate the difficulties listeners those who wish to understand have in trying to make heads or tails of the intended communication Ultimately this work provides a sensitive look at the various disorders people have their attempts to overcome them the treatments that might be available and the actions listeners can take in making communication easier and more productive **Transactions of the Section on Nervous and Mental Diseases of the American Medical Association at the Annual Session** American Medical Association. Section on Nervous and Mental Diseases,1927 **Transactions of the Section on Nervous and Mental Diseases of the American Medical Association** ,1927 *Juta's Counselling Handbook for Healthcare Professionals* Robin Hamilton,Natalya Dinat,2006 To lessen confusion and create a more uniform approach to counselling this volume addresses various disciplines in three parts The first section deals with basic communication skills the second explores counselling skills and the third presents specific situations for analysis This applied approach provides a context to aid assimilation and skill development for health care workers **Medical Sociology: Coping with illness** Graham Scambler,2005 Masterclass in Medicine Marcy B. Bolster,Jason Liebowitz,Philip Seo,2024-10-29 Nearly every medical school around the

world teaches a class about the clinical foundations of medicine and how to start the process of becoming a skilled and caring physician However there has never been a book on it until now This premier text brings together talented and renowned physicians from across the globe in order to discuss important topics related to clinical excellence including humility empathy and ingenuity in medicine Students physicians in training and health care professionals will gain tremendous knowledge by hearing the stories of what these master clinicians have learned from their patients and colleagues thereby providing a foundation in how to achieve greatness as a clinician

KEY FEATURES Features engaging patient stories and personal reflections from a diverse set of authors Explores successes failures and lessons learned that cut across all fields of medicine Serves as a comprehensive meditation on master clinicianship that is ideal for courses in clinical foundations of medicine

Love Your Life to Death Yvonne Heath,2015-09-16 An Award Winning Book first published in 2015 with second addition released in 2019 Love Your Life to Death will make you laugh it will make you cry but most importantly it may give you a new perspective on life and death Through heartfelt stories of those who have been deeply impacted by loss and found happiness again and interviews of professionals who deal with grief death and dying you will gain from their insightful experiences You will be empowered by Exploring why we have become a death phobic society better understanding medical futility and quality vs quality of life Discovering how living fully can help you die peacefully Looking at grief and filling your self care tool box Learning how to start The Talk about end of life wishes and planning and so much more Yvonne Heath is a nurse with a mission to help bring death out of the darkness and into our conversations and to create a culture of acceptance with less fear With over 25 years experience working in healthcare she has witnessed a great deal of excessive suffering in our death phobic society She has also felt it in her own life Inspired by those who have lived fully and died peacefully she has chosen to share her knowledge and experience through authoring books and speaking to the world about the value of talking planning and preparing for grief death and dying before they arrive By doing so we will suffer less This is her wish for the world

The scientific Naturopath A leap into the evidence behind naturopathy philosophies Prof. (Dr.). Pradeep MK Nair,2022-04-19 The science of yoga naturopathy has always stood the test of time and continues to amaze both the health seekers and healthcare givers However the quest for modernization and impatience among the stakeholders to invent shortcut remedies to mimic modern medical practice has dimmed the original philosophical essence of this holistic system of medicine The younger generation naturopaths are influenced by the gimmicks of illusory truth and have developed a strong notion that there is no science left behind naturopathy philosophies The Scientific Naturopath is comprehensive coverage of the evidence behind naturopathy philosophies and showcases its strength relevance in modern times This book will be immensely useful for yoga naturopathy students physicians and academicians in comprehending naturopathy philosophies like vitality toxaemia unity of cure unity of disease etc using modern scales

Treating Alcoholism Robert R. Perkinson,2004-07-29 Help your clients find the path to overcoming their addiction Alcoholics are one of the most difficult

client groups to treat effectively To preserve their way of life they may lie about their problem or deny that one exists that is the nature of this profoundly powerful disease Yet if you can guide each of your clients through their own resistance towards the truth not only will you be rewarded with starting them on the road to recovery you will no doubt have saved their life as well Achieving such a victory goes to the heart of being an addiction counselor it is the experience of healing on a direct and tangible level Treating Alcoholism provides a complete road map for assessing diagnosing and treating this multifaceted and tenacious illness Detailed clinical information on the disease accompanies ready to use tools for practice With a special emphasis on the 12 Steps of Alcoholics Anonymous the author walks you through the first five steps of this established methodology in comprehensive detail showing how to easily apply each one to treatment Other useful resources in Treating Alcoholism include A sample treatment plan Copies of alcohol screening tests SMAST and CAGE questionnaires Tests for other potentially related problems such as gambling and sexual addiction A sample behavioral contract for use with adolescents Listings of additional resources The treatment of alcoholism is fraught with struggles and hazards for both client and caregiver Written in a lively tone that resonates with the author s compassion for his own clients Treating Alcoholism gives you reliable up to date and practice tested information and materials you need to successfully confront this deadly disease and start your clients on the path to recovery
