Patriarchal Marriage Rabbi Simon Altaf, 2013-02-21 Latest release Feb 11 2015 How did the Y sra elites live What form of marriages did they practice and how did they do it This book is about to show you what was G d s design from the beginning and how the Y sra elites lived within G d s required parameters Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted monogamy is wrecking lives and destroying families and society around us How many marriages are breaking down as a result of the wrong model How many children are living fatherless lives while women live husbandless and unfulfilled lives This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work What about the gentile marriage license should you have that While G d s model of plural marriage is an everlasting model that not only works but saves many children from losing their father s and women from losing good husbands How to select your wife or how to select your husband what criteria to use All explained to help you live the right life
