**Praying the Pattern** Andii Bowsher, 2005 The Our Father is often repeated as a set prayer but rarely prayed as a pattern However using it as a framework can let it blossom into our whole life This book takes a holistic approach to praying encouraging us to take seriously the fact that Christ gave us this prayer and challenging us to weave it into our lives more fully Here are creative ideas for prayer groups retreats and worship as well as for devotional use by individuals praying with the body with organisers scrapbooks stones cards labyrinths lifestyles and liturgies Then share your own discoveries on the book's website Books on the Lord's prayer tend to be one of two kinds On the one hand there are scholarly books which go into the history theology and literary things On the other hand there are more devotional books with meditations on the the prayer There

seem to be few books that take the insights about meanings and structure of the prayer and turn them into practical strategies for praying. Praying the Pattern fills the gap between noting that the Our Father is supposed to be a structuring framework for prayer and the usual practice of recitating the prayer while using other patterns to shape everyday prayer. You can interact with the book and the author at the book's website where there is also new material not in the book like liturgies, further links, articles, and readers' comments.

**Patterns of Religious Commitment** Rodney Stark, Charles Y. Glock, 1968. How religious are Americans these days? How many still believe in God, in Biblical miracles, in heaven and hell? Do people pray? How much money is being given to churches by Episcopalians, Presbyterians, Roman Catholics, Lutherans, and other groups? American Piety, the first of a three-volume study of religious commitment, answers these and a host of other questions about the contemporary religious scene. Particularly startling are the contrasts in beliefs, practices, and experiences revealed among the eleven major Christian denominations whose membership is compared.
