Swindoll,2016 Swindoll has spent many years studying scripture in his book he combines verse by verse commentary charts maps photos key terms and background articles with practical application Swindoll now includes parallel presentations of the NLT and NASB before each section This book is great for pastors teachers and anyone else who is seeking a deeply practical resource for exploring God s Word Early Childhood Pedagogies Jane Murray,2018-12-07 Diverse international perspectives on the ways in which young children s learning and care may be supported converge in this book Traversing the

field of early childhood education and care from its established philosophical underpinnings to 21st century research policies and practices the contributions to this volume draw together past and present discourses as a basis for shaping future trajectories In spite of a growing international consensus on the strong influence of early childhood experiences on lifetime outcomes the nineteen chapters reveal contemporary early childhood pedagogy as a collection of spaces characterised by plurality complexity and dissonance These characteristics signal the importance of recognising early childhood pedagogies multiple models of practice for the many diverse learning and care contexts that have the capacity to value young children as individuals and enable each to flourish now and throughout their lives Moreover such characteristics disrupt notions that a single optimal early childhood pedagogy is either possible or desirable *Money and Spirit* Heather M. Day,

MBA,2025-01-21 Break the endless cycle of poor financial decisions and experience freedom from the anxiety emptiness and broken relationships of misplaced priorities When it comes to solving our financial problems there s no shortage of advice spend less save more invest smarter work harder But these traditional tactics are not enough to address the spiritual aspects of financial wellness *Money Spirit* is not another promise of health and wealth or a guidebook full of strategies to reduce debt and achieve financial security This is a journey of abiding in Christ s Spirit and surrendering one s burdens fears and worries about money to Him See how walking in obedience to God and surrendering full control can yield spiritual fruit in every area of life including finances Replace greed and heartache with love and kindness Trade anxiety and strife for peace and joy Stop relying on the world s tactics and solutions Start pursuing the Holy Spirit s real lasting transformation from the inside out
