Nella Larsen

Passing Penguin Classics:

Passing Nella Larsen, 2025-02-14 *Passing* by Nella Larsen is a powerful novel that explores themes of race identity and societal expectations in 1920s America. The story centers around two childhood friends, Clare Kendry and Irene Redfield, who reconnect as adults. Clare is of mixed race and has a light complexion that allows her to pass as white. She has chosen to live in white society, distancing herself from her African American heritage. Irene, on the other hand, embraces her identity as a Black woman and is married to a successful African American man. As the two women meet again, their lives take different paths. Clare's life is filled with glamour and privilege, but it also comes with the complexities of hiding her true identity. Irene is initially intrigued by Clare's world but soon feels a mix of admiration and jealousy. The novel delves into the internal struggles both women face regarding their racial identities and the choices they make. Clare's desire to reconnect with her Black roots creates tension in her relationship with Irene. Irene becomes increasingly aware of the dangers and challenges Clare faces in her quest for acceptance in both worlds. The friendship between Clare and Irene highlights the emotional and psychological toll of passing for another race. It raises questions about loyalty, identity, and the societal pressures that dictate how individuals navigate their lives. The narrative is rich with vivid imagery and explores the vibrant cultural backdrop of the Harlem Renaissance. Larsen's writing captures the essence of the time, showcasing the complexities of race relations and the struggles of individuals seeking their place in society. The novel also addresses the intersections of gender and class, adding depth to the characters' experiences. *Passing* is a poignant exploration of the human experience and the choices people make in the face of societal expectations. It challenges readers to reflect on their own perceptions of race and identity. Nella Larsen's masterful storytelling invites readers into a world of intrigue and emotional depth. This novel remains relevant today, resonating with contemporary discussions about race and identity. *Passing* is a must-read for those interested in literature that confronts the complexities of race and the search for self in a divided society.

Passing Nella Larsen, 2024 *Passing* is a novel by American author Nella Larsen, first published in 1929. Set primarily in the Harlem neighborhood of New York City in the 1920s, the story centers on the reunion of two childhood friends, Clare Kendry and Irene Redfield, and their increasing fascination with each other's lives. The title refers to the practice of racial passing and is a key element of the novel. Clare Kendry's attempt to pass as white for her husband, John Jack Bellew, is a significant depiction in the novel and a catalyst for the tragic events.

The Cambridge Companion to the Black Body in American Literature Cherene Sherrard-Johnson, 2024-05-16 This volume tracks and uncovers the Black body as a persistent presence and absence in American literature. It provides an invaluable guide for teachers and students interested in literary representations of Blackness and embodiment. It centers Black thinking about Black embodiment from current, diverse, and intersectional perspectives.

Passing (African American Heritage Classics) Nella Larsen, 2010-08 Nellallitea Nella Larsen, first called Nellie Walker (1891–1964), was an American novelist of the Harlem Renaissance who wrote two novels and a few short stories.

Though her literary output was scant what she wrote earned her recognition by her contemporaries and by present day critics In *Passing* Clare and Irene were two childhood friends They lost touch when Clare s father died and she moved in with two white aunts By hiding that Clare was part black they allowed her to pass as a white woman and marry a white racist Irene lives in Harlem commits herself to racial uplift and marries a black doctor The novel centers on the meeting of the two childhood friends later in life and the unfolding of events as each woman is fascinated and seduced by the other s daring lifestyle The novel traces a tragic path as Irene becomes paranoid that her husband is having an affair with Clare Human Contradictions in Octavia E.
