Family Activism in the Aftermath of Fatal Violence Elizabeth A. Cook, 2020-11-29 Family Activism in the Aftermath of Fatal Violence explores how family and family activism work at the intersection of personal and public troubles and considers what influence family testimonies of fatal violence can have on matters of crime justice and punishment The problem of fatal violence represents one end of a long continuum of violence that marks society the effects of which endure in families and friends connected through ties of kinship identity and social bonds The aftermath of fatal violence can therefore be an intensely personal encounter which confronts families with disorder and uncertainty Nevertheless bereaved families are often found at the forefront of efforts to expose injustice rouse public consciousness and drive forward social change that seeks to prevent violence from happening again This book draws upon ethnographic research with those bereaved by gun violence who became involved in family activism in the context of fatal violence namely the attempts by bereaved families to manage their experiences of violent death through public expressions of grief and become proxies for wider debates on social injustice This is an ever more pressing issue in a landscape which increasingly sees the delegation of responsibility to families and communities that are left to deal with the aftermath of violence An accessible and compelling read this book will appeal to students and scholars of criminology sociology cultural studies and all those interested in learning more about the after effects of fatal violence Learning from Baby P Sharon Shoesmith, 2016-08-20 Sharon Shoesmith was Director of Children s Services for Haringey in 2007 at the time of the death of Peter Connelly also known as Baby P In Learning from

Baby P she carries out a dispassionate analysis of the events which followed Peter Connelly's death documenting the responses of the media politicians and the public She explores the psychological and emotional responses we share when faced with such horrifying cases of familial child homicide and how a climate of fear and blame which follows such tragedies can lead to negative consequences for other children at risk of harm and for the social workers striving to protect them Learning from Baby P is a thought provoking book which aims to deepen understanding and shed light on the difficult relationship between politics the media and child protection
