Mosshammer,2008-10-16 The system of numbering the years AD Anni Domini Years of the Lord originated with Dionysius Exiguus Dionysius drafted a 95 year table of dates for Easter beginning with the year 532 AD Why Dionysius chose the year that he did to number as 1 has been a source of controversy and speculation for almost 1500 years According to the Gospel of Luke 3 1 3 23 Jesus was baptized in the 15th year of the emperor Tiberius and was about 30 years old at the time The 15th year of Tiberius was AD 29 If Jesus was 30 years old in AD 29 then he was born in the year that we call 2 BC Most ancient authorities dated the Nativity accordingly Alden Mosshammer provides the first comprehensive study of early Christian methods for calculating the date of Easter to have appeared in English in more than one hundred years He offers an entirely new history of those methods both Latin and Greek from the earliest such calculations in the late second century until the emergence of the Byzantine era in the seventh century From this history Mosshammer draws the fresh hypothesis that Dionysius did not calculate or otherwise invent a new date for the birth of Jesus instead adopting a date that was already well established in the Greek church Mosshammer offers compelling new conclusions on the origins of the Christian era drawing upon evidence found in the fragments of Julius Africanus of Panodorus of Alexandria and in the traditions of the Armenian church **Generations of Praise** Bruce E. Réka Tímea

Újlaki-Nagy,2022-09-05 Transylvanian Sabbatarianism emerged from the aspirations of the Reformation without direct contact with the Jews Although the most frequently asked question about them concerns their identity were they Christians or Jews the answers of the literature are superficial biased and take only an external point of view The aim of this book therefore is to move closer to the 16 17th century Sabbatarian manuscripts and to examine how much they were still connected to Christianity in their biblical interpretations doctrines and religious practices how they adapted to Judaism and how they saw themselves in relation to the two world religions The analysis of R ka T mea jlaki Nagy shows that although

they still held some Christian beliefs these were considered to be incidental and unnecessary to salvation Sabbatarians followed the ideal of an age preceding Christ consequently the Reformation effort to reconstitute apostolic Christianity disappeared from their religious thought      **There's an Easter Egg on Your Seder Plate** Steven Carr Reuben,2007-11-30 This book is a practical guide for parents whose children intermarry It draws upon Rabbi Reuben s personal experiences officiating at over a thousand interfaith weddings The author imparts the lessons he has learned for helping parents create loving supportive and successful relationships with their own children their new son or daughter in law and their new interfaith in laws without compromising the integrity of their own dearly held beliefs and faith In addition he incorporates anecdotal experiences of parents who have shared their own formulas for successfully coping with the day to day issues of maintaining the best relationship with their children And he includes stories from same sex unions as well Written for people of various faiths across the religious spectrum this book is a valuable source of information guidance and support It speaks directly to parents with concrete practical suggestions about how to maintain the best possible relationship with their children and be a positive influence upon their grandchildren      **Rose Guide to the Feasts, Festivals and Fasts of the Bible** Paul H Wright,2022-06-28 Packed with dozens of charts maps and timelines over 150 illustrations and photographs and easy to understand summaries this full color reproducible book on the feasts and celebrations of the Bible will help you understand key information at a glance Passover Yom Kippur Feast of Tabernacles Rosh Hashanah With all the ceremonies festivals and observances in the Bible it s hard to keep track of them all and remember why they re important to our faith But what if you could distill all this key information across dozens of chapters of the Bible into one solid easy to read handbook with images charts and diagrams It s never been easier to get an expert look at the traditions fasts and feasts of the Bible with this guide 5 leading authorities on biblical celebrations and disciplines will help condense their research and historical knowledge into key takeaways that you can learn quickly and easily Solid overviews of the feasts celebrations and rituals kept in ancient Israel and the Old Testament Historical background of the feasts and holy days in the centuries leading up to the New Testament Summary of modern day traditions kept by Jews today Key takeaways of how messianic communities observe biblical feasts and holidays today Presentation of how non messianic Christian congregations have adopted the feasts into liturgies theologies etc God commanded Moses and the children of Israel to observe feasts and holy days as memorials to the great things that he had done in their lives With expert research clearly understand how these times of celebration are important to help us better see God s complete picture and plan of redemption      **Food and Drink in American History** Andrew F.
