revealing account of Polish cooperation with Nazis in WWII a grim compelling and significant scholarly study Kirkus Reviews

Between 1942 and 1943 thousands of Jews escaped the fate of German death camps in Poland As they sought refuge in the Polish countryside the Nazi death machine organized what they called Judenjagd meaning hunt for the Jews As a result of the Judenjagd few of those who escaped the death camps would survive to see liberation As Jan Grabowski s penetrating microhistory reveals the majority of the Jews in hiding perished as a consequence of betrayal by their Polish neighbors Hunt for the Jews tells the story of the Judenjagd in Dabrowa Tarnowska a rural county in southeastern Poland Drawing on materials from Polish Jewish and German sources created during and after the war Grabowski documents the involvement of the local Polish population in the process of detecting and killing the Jews who sought their aid Through detailed reconstruction of events Grabowski offers incredible insight into how Poles in rural Poland reacted to and not infrequently were complicit with the German practice of genocide Grabowski also implicitly challenges us to confront our own myths and to rethink how we narrate British and American history of responding to the Holocaust European History Quarterly

**Second Generation Voices** Alan L. Berger, Naomi Berger, 2001-06-01 Heirs to the legacy of Auschwitz the children and grandchildren of Holocaust survivors and perpetrators have always been thought of as separated by fear and anger mistrust and shame This groundbreaking study provides a forum for expression in which each group reflects candidly upon the consuming burdens and challenges it has inherited In these intensely personal and frequently dramatic pieces understandable differences surface The Jewish second generation is unified by a search for memory and family Their German counterparts experience the opposite Yet surprising common ground is revealed Each group emerges out of households where for vastly different reasons the Holocaust was not mentioned Each struggles to break this barrier of silence Each has witnessed the continued survival of parents and must grapple with living in households haunted by denial And each knows it is his or her charge to shape the Holocaust for future generations To be sure there is disagreement among the groups about the need for or wisdom of dialogue Yet *Second Generation Voices* boldly engenders authentic grounds for discussion Issues such as guilt anger religious faith and accountability are explored in deeply felt poems essays and narratives Jew and German alike speak openly of forming and affirming their own identities reconnecting with roots and working through their own psychological Holocaust
