**Pastoral Compensation 101** Jamie Allen, 2015-12-17 How should church members determine what to pay their pastor What should churches do when they can't afford to compensate their pastors properly Too often questions like these go unanswered because they're too difficult or too awkward to address Thanks to Pastoral Compensation 101 however you can now learn not only the biblical philosophy on the matter but also practical steps to caring for your pastor Both resourceful and humorous it starts off with a modern day parable about a church committee tasked with setting the pastor's salary This comprehensive guide also provides how to select the compensation committee and have annual meetings how to appreciate why pastors are gifts to each church why a pastoral effectiveness assessment is biblically supported ways to avoid harm caused by underpaying or overpaying a pastor types of benefits like insurance housing allowance retirement and leave superb ministry related IRS and other tax resources Whether yours is a mega church or a small church with limited resources Pastoral Compensation 101 will prove indispensable in taking care of the pastor of your church The American Revolution ... Subcommittee on Taxation and Debt Management, 1985 *Feminization of the Clergy in America* Paula D. Nesbitt, 1997-04-24 Feminization is said to occur when women enter any given occupation in substantial numbers and ostensibly leads to such dynamics as sex segregation reduced opportunities for men and depressed wages and diminished prestige for the occupation as a whole Spanning more than 70 years Paula Nesbitt's study of feminization concentrates on the Episcopal Church and the Unitarian Universalist Association utilizing both statistical results and interviews to compare occupational patterns prior and subsequent to the large influx of women clergy Among her findings the author discovers that a decline in men's opportunities is evident before the 1970s preceding the great influx of women over the last two decades She also finds that increases in the number of women ordained reduced occupational prospects for other women but enhanced those for men thus contradicting the popular myth that women in the workplace are responsible for occupational decline **Formosa Under the Dutch** William Campbell, 1903 **Parish Law, Or, A Guide to Justices of the Peace, Ministers, Churchwardens, Overseers of the Poor, Constables, Surveyors of the Highways, Vestry-clerks, and All Others Concerned in Parish Business** Joseph Shaw, 1755 *Historical Data and Life Sketches of the Deceased Ministers of the Indiana Conference of the Evangelical Association, 1835 to 1915* Evangelical Church.
