The Pastoral Counseling Handbook Dan Boone, 2013-02-04 In our world stories matter Methods and systems are beneficial because they provide structure and help keep us on the right road but the motivation and courage to keep walking the road come from the stories we hear and see and experience stories that inspire hope and bring us face to face with God For ministers the call to preach is a call into a story that forms and shapes us It s about stumbling into revelation as life unwinds and scripture unfolds It s about listening to God s voice and then sharing it with others It s about recognizing that when people gather to hear a sermon God speaks And it s about understanding that when He speaks He speaks through you Preaching the Story That Shapes Us is more than a textbook on preaching It s an empowering call for preachers to present a picture of the kingdom of God already at work among us recognizing that the work of preaching is not just about arranging words it s about people With elegant prose and crafted reason Dan Boone weaves together scripture personal narrative structure and theological reflection to provide a satisfying efficient guide to narrative preaching From exploring the importance of biography to walking readers through creative processes that shape the sermon Boone shows preachers how to awaken lives and share the stories of God that reveal who we are and lead us to who we will be
