Pastoring With Elders:

Pastoring with Elders Kevin Mahon, 2012-07 Kevin is a preaching elder in an Associated Gospel Church in Canada AGC Their elders have had a growing influence on other congregations and have frequently been asked to share their effective shepherding elder model So how do you grow elders Many pastors are looking for another program or quick fix to accomplish this end However the answer is rooted in the theology of ministry and the need to focus on the biblical mandate given to pastors rather than the tyranny of expectations inherent in pastor led churches This book is designed to help senior pastors walk through a process of deconstructing their understanding of pastoring and redirect them to a focused ministry within a plurality of shepherd elders About the Author Kevin Mahon has been the preaching elder at Peoples Church Sarnia Lambton since 1999 At the age of thirteen he made a bargain with God and promised to become a priest He and his wife were born again during their university days and joined the priesthood of all believers God was faithful in shepherding that youthful promise made by Kevin who now makes his living from the Gospel as a preaching pastor Kevin s heart is for the local church for preaching God s Word and for growing men as disciples of the Lord He has been married to Charlene for twenty six years and has five children and a daughter in law

Miller, 2017-04-20 Elders Lead a Healthy Family explores the biblical paradigm for shared leadership elders as the spiritual big brothers and shepherds to the family of God This book is a fresh biblical alternative to the standard fare of pragmatic church leadership Delivered in a winsome and irenic style the book addresses the key concerns of our day including pastoral burnout women as elders women and the pastoral gift power in leadership abuse of power in ministry ministerial pay and fostering missional leadership structures The answer to so many of the problems facing the church is not more coaching or better education The answer requires our churches to change the very structures that foster abuse isolation and burnout If we hope to save our pastors then we need our pastors to abandon the pastor as CEO model of leadership If we want to reach the lost we need a systemic change in the way we plant grow and maintain our churches Instead of putting a solo leader at the top of Church Incorporated we need to build teams of elders doing ministry together as they lead the family of God
