

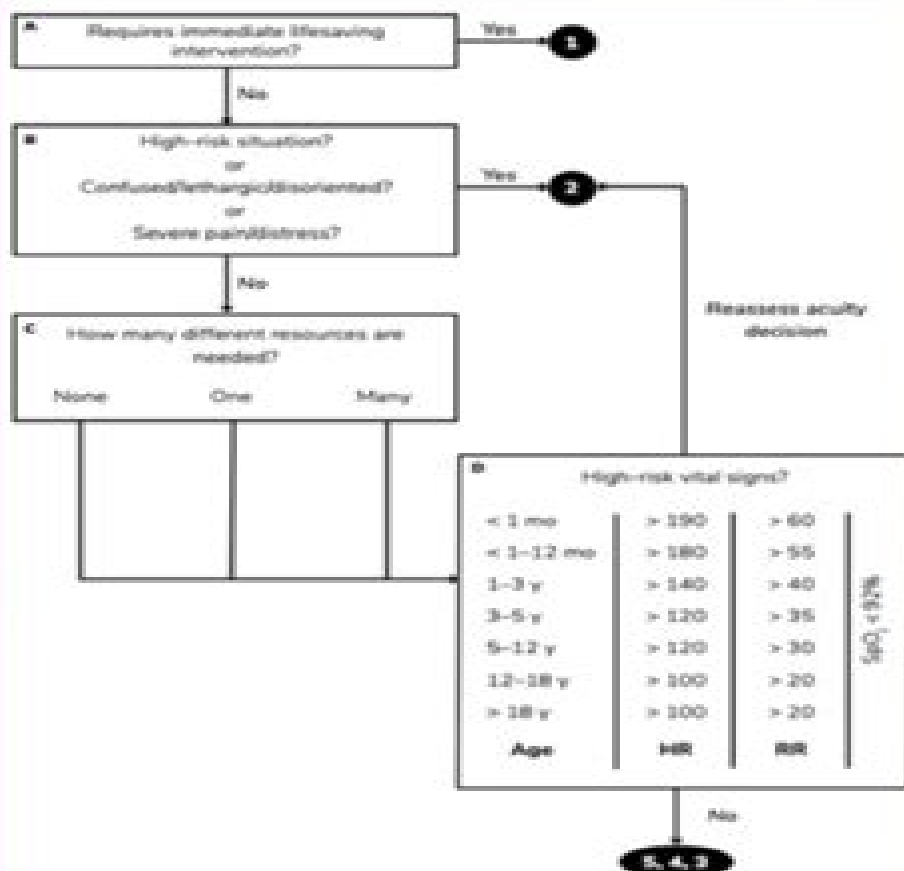

Figure 2-2. ESI Triage Algorithm, Version 5

A. Immediate life-saving intervention required: Airway or respiratory support, emergency medications, hemodynamic interventions such as fluid resuscitation or blood products.

Clinical presentations requiring lifesaving interventions include the following: intubated, unresponsive, pulselessness, apneic, severe respiratory distress, profound hypotension or hypoglycemia.

Unresponsiveness is defined as a patient who either:

1. Is nonverbal and not following commands (acutely)
- OR
2. Requires noxious stimulus (P or U on AVPU scale)

B. High-risk situation: May become unstable, have high risk for deterioration, or exhibit newly altered mental status. Severe pain or distress is determined by patient report, corroborated with clinical observation.

C. Resources: Count the number of different types of resources, not the individual tests or radiographs. (For example, complete blood count, electrolytes, and coagulant studies equal one resource because they are all laboratory tests, while complete blood count plus chest radiograph equals two resources because one is a laboratory test and one is imaging).

ESI Resources	Not ESI Resources
<ul style="list-style-type: none"> • Labs (blood, urine) • Electrocardiogram, radiographs • Computed tomography, magnetic resonance imaging, ultrasound, angiography • Intravenous fluids (hydration) • Intravenous, intramuscular, or nebulized medications • Specialty consultation • Simple procedure = 1 (laceration repair, urinary catheter) • Complex procedure = 2 (procedural sedation) 	<ul style="list-style-type: none"> • History and physical exam (including pelvic) • Point-of-care testing • Saline or heparin lock • Oral medications • Tetanus immunization • Prescription refills • Phone call to primary care physician • Simple wound care (dressings, recheck) • Crutches, splints, slings

D. High-risk vital signs: Reassess to determine whether the patient warrants a higher acuity level if a patient has one or more vital signs outside the normal parameters for the patient.

Pediatric Fever Considerations

1-28 days of age: Assign at least ESI 2 if T > 38° C (100.4° F)

1-3 months: Consider assigning ESI 2 if T > 38° C (100.4° F)

3 months and older: Consider assigning ESI 2 or 3 if:

1. T > 39°C (102.2°F) or < 36°C (96.8°F), or
2. Incomplete immunizations,
- OR
3. No obvious source of fever

This article will explore the advantages of Patent Professionalss Handbook 5th Edition A Training Tool For Administrative Staff books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Patent Professionalss Handbook 5th Edition A Training Tool For Administrative Staff books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Patent Professionalss Handbook 5th Edition A Training Tool For Administrative Staff versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Patent Professionalss Handbook 5th Edition A Training Tool For Administrative Staff books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Patent Professionalss Handbook 5th Edition A Training Tool For Administrative Staff books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Patent Professionalss Handbook 5th Edition A Training Tool For Administrative Staff books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Patent Professionalss Handbook 5th Edition A Training Tool For Administrative Staff books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Patent Professionalss Handbook 5th Edition A Training Tool For Administrative Staff books and manuals for download and embark on your journey of knowledge?
