*The Journey* Kgaogelo Precious Rasweswe, 2023-10-17 Life can be troublesome at some point but in the midst of troubles and inexperience we get knocked down and pricked by its thorns However no matter what life brings to our plates each day it is not to drown us but to sharpen our minds and create stories upon which one day we shall tell to inspire chastise and correct This is a novella about a young lady who forgot her dreams when she got to the university and fell into the snares of love and lust She lived her life without ease and kissed some abhorrent lips in the name of love She had to lick self inflicted wounds as she kept the hope that one day the sun shall rise After all she sojourned through the throngs of troubles regardless of her heart being stabbed by so many blunted and sharp knives yet bleeding without losing hope As we speak she might be counting her blessings who knows

Pendulum Loren Ogin, 2010-11-04 This book explores Bi Polar Mood Disorder and the symptoms of the disorder as well as coping with it In it I also write about coming out of the closet as homosexual The consequent discrimination and stigmatization I went through at the hands of one of the organizations I worked at is also discussed This book was cathartic for me to write as I was able to let go of the anger I felt towards the individuals at whose hands my dignity and self esteem

was destroyed and the struggle to get it back so I could become a whole person again To be considered as a deviant in society is very difficult to deal with I have found the strength to deal with it by surrounding myself with people who are also considered as deviant The book also gives people who have Bi Polar Mood Disorder the information they need to understand their illness and how medication works as well how to deal with the anger and behaviour which goes along with the disorder I hope that the information in the book is helpful to readers and their families and promotes understanding and acceptance instead of discrimination

Wisden Almanack      The Garden of Burning Sand Corban Addison, 2014-05-06

The New York Times bestselling author John Hart raved that "If you like stories of good people struggling to do right in the world's forgotten places, there is no one better suited than Corban Addison to take you on the ride of your life." In *The Garden of Burning Sand*, Addison, the bestselling author of *A Walk Across the Sun*, creates a powerful and poignant novel that takes the reader from the red light areas of Lusaka, Zambia, to the gilded chambers of the Washington D.C. elite, to the splendor of Victoria Falls and Cape Town. Zoe Fleming, an accomplished young human rights attorney, has made a life for herself in Zambia, far from her estranged father, an American business mogul with presidential aspirations, and from the devastating betrayals of her past. When a young girl with Down syndrome is sexually assaulted in a Lusaka slum, Zoe joins Zambian police officer Joseph Kabuta in investigating the rape. Piecing together clues from the victim's past, they discover an unsettling connection between the girl, Kuyeya, and a powerful Zambian family who will stop at nothing to bury the truth. As they are drawn deeper into the complex web of characters behind this appalling crime, Zoe and Joseph forge a bond of trust and friendship that slowly transforms into love. Opposed on all sides, they find themselves caught in a dangerous clash between the forces of justice and power. To successfully prosecute Kuyeya's attacker and build a future with Joseph, Zoe must risk her life and her heart and confront the dark past she thought she had left behind      **Suid-Afrikaanse Hofverslae**, 1992
