publishing and missionary outreach programs in the world Over the course of her life White generated 70 000 manuscript pages and letters and produced 40 books that have enjoyed extremely wide circulation She ranks as one of the most gifted and influential religious leaders in American history and this volume tells her story in a new and remarkably informative way Some of the contributors identify with the Adventist tradition some with other Christian denominations and some with no religious tradition at all Their essays call for White to be seen as a significant figure in American religious history and for her to be understood within the context of her times
