Medical Tourism Stephanie Watson, Kathy Stolley, 2012-04-23 From exotic spa treatments to euthanasia this book examines the background and social context of medical tourism the practice of traveling for health care This work also documents how this industry is reshaping the face of medicine worldwide for individuals local communities and national health care systems Medical Tourism A Reference Handbook provides an accessible overview of the state of medical tourism written from a balanced unbiased perspective The authors provide relevant social context for this controversial topic discussing the state of extremely limited research data on medical tourism the ethical issues involved such as traveling to have a black market organ transplanted and the significant impact of medical tourism on health care systems that of the United States and those of the destination countries The book highlights many contemporary problems controversies and implications of medical tourism both for individuals and health care systems and presents thought provoking potential solutions The topic of medical tourism is also addressed against the backdrop of current healthcare reforms in the United States Readers can reference a wealth of additional material on medical tourism ranging from original documents to extensive directories of selected organizations and resources

Handbook on Medical Tourism and

Patient Mobility Neil Lunt, Daniel Horsfall, Johanna Hanefeld, 2015-06-29 The growth of international travel for purposes of medical treatment has been accompanied by increased academic research and analysis This Handbook explores the emergence of medical travel and patient mobility and the implications for patients and health systems **Health Tourism** David A. Reisman, 2010-01-01 In this unique and pathbreaking book David Reisman examines the relatively new phenomenon of health travel He presents a multidisciplinary account of the way in which lower costs shorter waiting times different services and the chance to combine recreational tourism with a check up or an operation all come together to make medical travel a new industry with the potential to create jobs and wealth while at the same time giving sick people high quality care at an affordable price The book illustrates that it is no longer the case that medical attention must be consumed at home Patients are travelling to Mexico India and Thailand for a heart bypass They are going to Hungary Poland and Malaysia for dentistry Doctors are migrating to Britain the USA and Canada for new challenges Hospitals are opening subsidiaries in Dubai the Philippines and Costa Rica to see overseas patients on the spot Integrating academic perspectives from medicine tourism health economics development studies and public policy the author concludes that the benefits both to the importing and the exporting nations are considerable but that there are also some costs He suggests that the new industry should be regulated and supported in order that it can do its best both for the local population and for the sick people who travel abroad for treatment This fascinating and highly original book will be of great interest to academics and researchers in areas such as health economics tourism social policy development studies Asian studies and public policy It will also prove invaluable to practitioners actively involved in planning and delivering medical attention in the global economic order **The Future of International Economic Law** William J. Davey, John Howard Jackson, 2008 This book comprises fifteen specially commissioned contributions from the Editorial Board of the Oxford Journal of International Economic Law in celebration of the Journal's tenth anniversary The contributions examine various issues confronting the international economic regime today and cover a wide range of international economic institutions such as the IMF the World Bank and the WTO This book constitutes a reflection by important individuals on almost all the major contemporary issues facing the WTO today and therefore represents a snapshot of the key lines of thinking among many of the leading legal scholars of the WTO and international economic regime which are likely to guide the field in the years to come **Sufficiency Thinking** Gayle C. Avery, 2020-07-17 Our world is under pressure with growing inequalities in wealth and access to food and clean water We depend too heavily on polluting fuels and diminishing natural resources Traditional cultural practices are being swamped by global popular culture The Thai model of sufficiency thinking aims to transform the mindset of a whole population to achieve the seemingly impossible enriching everyone's lives in a truly sustainable way Innovative management practices developed by King Bhumibol Adulyadej of Thailand have been applied across Thailand in agriculture education business government and community organisations for over two decades In this book chapters written by eminent Thai scholars explain sufficiency

thinking and review its implementation in different sectors including community development business agriculture health care schools and even in prisons Is Thailand unique in having discovered the holy grail of a more responsible form of capitalism No it is not but it is the first country whose government has adopted this kind of thinking as national policy we obviously need to revise dramatically our thinking about the outlines of a just economy and a decent society in which everyone can lead dignified lives Sufficiency Thinking provides creative approaches to this quandary and this important volume is a brilliant addition to the growing literature critical of mainstream business as usual ideology John Komlos Professor Emeritus University of Munich *Medical Tourism* John Connell,2011 Although it may seem a recent phenomenon tourism has long been associated with improved health and spa tourism has its roots in antiquity With the emergence of activities such as bushwalking and meditation and with increasing numbers of people travelling abroad for medical or cosmetic procedures medical tourism is now a growing niche in the tourism market This book looks at the background and rise of health tourism new emerging facets of the sector and examines how health related travel fits into a tourism framework It is suitable for undergraduate and postgraduate students **Patients Beyond Borders** Josef Woodman,2012-04 Supported by the leading healthcare facilities of Monterrey Mexico the Patients Beyond Borders research and editorial team worked with MHC to produce this 144 page fully digital guidebook which offers an in depth overview of Monterrey s leading American accredited hospitals selected health travel agents accommodations and essential medical travel information for the international patient Monterrey now boasts four JCI accredited hospitals within its city limits half the JCI hospitals in Mexico plus an array of private international specialty hospitals and clinics Readers will learn about Monterrey s commitment to healthcare including three first rate medical schools Tecnologico de Monterrey Universidad de Monterrey and the new Universidad Autonoma de Nuevo Leon and why thousands of medical travelers are making the short trip across the border to Monterrey for medical procedures including cosmetic surgery dentistry bariatrics weight management IVF reproductive services orthopedics cardiology cancer treatments and more **Patients Beyond Borders Taiwan Edition** Josef Woodman,2009 *Türkiye’de Sağlık Turizmi Hizmet Satın Alma Kararlarını Etkileyen Faktörler* Mehmet Emin BAYNAZOĞLU,2023-12-19 Sağlık hizmeti satın almak zere ayn zamanda keyifli bir tatil deneyimi ya amak amaçyla ya ad klar lkeden farklı bir yerde sağlık hizmeti almaya yönelik insanlar tarafından gerçekleştirilen ve son yıllarda turizm sektörünün en önemli türlerinden birisi olan Sağlık Turizmi dünya genelinde hızla büyüyor ve gelişen bir sektör haline gelmiştir Türkiye sunduğu yüksek kaliteli sağlık hizmetleri modern tesis altyapısı ve turistik cazibe noktalarıyla sağlık turizmi alanında planla km tır Bu kitap Türkiye’de Sağlık Turizmi Hizmet Satın Alma Kararları Etkileyen Faktörleri hakkında Türkiye’de ve dünyada sağlık turizminin gelişimini anlamak ve bu sektörde hizmet satın alma kararları ekillendiren faktörlere detaylı bir bakış sunmay amaçlamaktadır Türkiye sahip olduğu modern sağlık işletmeleri uzman sağlık personeli yenilikçi teknolojilerinin yanı sıra önemli tarihi kltrel ve turistik destinasyonları bu sektörde en sık tercih edilen yerlerden birisi haline gelmiştir Sağlık turizmi hakk
