Patricia Green Prophecy:

The Final Seven Patricia Green, 2012-04-12 When will the Tribulation begin Are you ready for The Final Seven Dr Patricia Green has been shown spiritual visions of future events to precede and encompass the final seven years of tribulation She describes a nuclear world war a clandestine meeting of world leaders and many other catastrophic events that will change the landscape of America Dr Patricia expertly conveys scriptural evidence to confirm the surety of these revelations and to prepare people for the perilous times ahead God's Man in the White House James Beverley, 2020-03-15 Standing in absolute opposition to each other are two distinct groups One side who proclaim that he can do nothing right The other side who believe he has been particularly selected by God with a host of unusual skills for just such a time as this Both can not be right And so a political moral and spiritual battle is raging in America and around the world about President Donald J Trump Quite unknown by most of the general public is the fact that Christian prophets have been claiming for over a decade that Donald Trump is the chosen one that he is God's man for the White House for this particular hour In this book God's Man in the White House Professor James A Beverley documents the hundreds of prophecies about Donald Trump that started over 10 years ago and provides the political and religious context for the ongoing prophecies and controversies about the 45th president Here is the most complete collection of over 500 prophesies and statements made by more than 100 prophets and top Christian leaders including Kim Clement Mark Taylor Lance Wallnau Lana Vawser Lou Engle Jeremiah Johnson Michael Brown Frank Amedia Franklin Graham Jerry Falwell Jr Paula White Stephen Strang Robert Jeffress Rodney Howard Browne Jim Garlow and James Dobson Whatever your view you will benefit greatly from this collection The Great Tribulation Frederick Guttman, This work is called Apocalypse Remote Vision in inspiration of the documentary we made where the idea of it is to address the results of the ability of human beings to see the future US Navy Remote Viewing Covert Ops Lieutenant Colonel Ed Dames talks about some covert missions and makes it clear that others he can't talk about recounting how his nation and Russia use psychics to anticipate events to come In his day the Israelite prophet Joel had predicted that in the twilight of this age that we are experiencing many people of all kinds would have intuitive premonitory and prophetic dreams and visions I always believed that there were messages in dreams but I did not know how to interpret what I dreamed and as time passed I assumed that it was rash to give deliberate interpretations to dreams but after certain incidents in my family life I began to consider it important not to discard this service that our esenaur's guardian angels provide us *The End of the Age* Frederick Guttman, In the first part of Apocalypse Remote Vision we have observed the points that deal with what is related to the Great Tribulation that our world will live and even the elect and faithful so that with this many may be perfected and likewise many other lukewarm awaken I have told you that the basis of these two end world books is intuition premonition visions revelations dreams extrasensory perception and remote viewing regarding things to come and I have chosen many topics that I have been able to compare and link with each other There are other popular

people who have seen remarkable things but some of them are not the subject that I am dealing with here at the moment or they are not entirely clear There are others from which data can be taken with tweezers as is the case of Mrs Baba Vanga a Bulgarian citizen who predicted many things in her time She is said to have given specific dates for future events but the times and sequences attributed to the events predicted by her are exaggerated and mixed up in their temporal location Baba Vanga would have died on August 11 1996 at the age of 85 and the only allusion that seems coherent that he gave for just after his death is the one that defines that by 2018 the nation of China would become the new power world Even so we will see that this will not be exactly the case despite the fact that it is now the global economic power and perhaps the second or third military power on our planet If we remove the dates that he is supposed to have mentioned and simply refer to his warnings then we do have logical citations and which coincide with a host of other prophecies Vanga is said to have prophesied that after China became the world power the subsequent thing would be that the Earth s orbit would change slightly I would also have argued that then Europe would have serious demographic problems that hunger would slowly become a problem for humanity that there would be polar melting and strong sea level rise and the like It is also said that he warned that later the world economy would improve remarkably while in Europe the Muslims dominate We already know that this has to do with the new currency and the Islamic invasion but Vanga adds something strange

The Seven Spirits of Yahweh Patricia Green,2014-05-17 Dr Patricia Green gives biblical proof that Yahweh has Seven Spirits full of supernatural power that He desires to impart Patricia describes each of His Spirits and recounts dreams visions and stories revealing how the Seven Spirits of Yahweh operate Do you desire more spiritual power to proclaim His truth with mighty signs wonders and miracles Do you need a miracle in your life Then you need an impartation of The Seven Spirits of Yahweh included in this book

The Fall of the New Babylon Frederick Guttman, The advent of the industrial age was the beginning of the U S era The young nation was beginning to leave the greats behind empires that until then had sustained great hegemonies The Jesuits saw a unique opportunity in this American continent to reestablish Catholic power but also the European oligarchies they wanted to use these lands to expand their power and influence USA it was the ideal fertile and prosperous land from which to direct a new world government With the rise of the mighty North American empire both in the Bible and in recent and not so recent visions saw clear references to a decisive stage in our history of the hand of this nation Said country starting with promoting values biblical would become the mother of the most rotten forces that operate on our planet A den of thieves a den of spirits abhorrent greedy greedy and unscrupulous men souls sold to power and wealth prostitution and degradation at its most high levels nameless aberrations and the most sinister of all this hidden from the eyes of the people ignorant of all that takes place behind back stage As in a cunning game of chess sometimes the queen is sacrificed for a greater end sometimes the fall of an

important head in the power game it can mean the rise of an empire one greater than that which has ever existed on the face of our globe On This thesis will expose what many of us are clear about is destruction of the United States of America as we know it as a Master strategy of the Masters of the World to bring up the last great empire of our time We are talking about the raising of a dictatorial world government based on surveillance technology police force and mass mind control A system that the own Bible called the Thirion or The Beast In this investigation I will explain why the book of Revelation prophesies about the power behind the US that so called Deep State of the that the Q Anon movement has propagandized that power in the shadow that is known in Christianity under the name of the Great Harlot or The Great Babylon We do not talk about the suicide of the Deep State but of a sum of events that push the cataclysm of the USA as the headquarters of the same to make room for a world government

Bible John's Secret Daughter David Leslie,2011-04-29 There was one partner the pretty young women who danced away the 1960s in Glasgow s Barrowlands were desperate to avoid Bible John so named because he quoted scripture to his victims He was being hunted for three brutal unsolved sex murders and each of his victims had been picked up after a night at the famous dance hall Police were still investigating the first terrifying murder when Hannah Martin was raped on her way home from the Barrowlands When Bible John struck twice more Hannah confided to friends that his description matched that of her own attacker The next shock came when Hannah discovered she was pregnant Her distraught father banished her from the family home and forced her to give her child up for adoption She would never see her daughter again but in a bizarre twist three decades later an investigation into the infamous World s End murder would result in Hannah s daughter discovering the identity of the mother she never knew Tragically the news came too late for them to be reunited but it set her on a course to uncover the shocking secrets of her mother s life Did Hannah know Bible John What did Hannah Martin reveal of her baby s father How did she then become a member of a multimillion pound drug smuggling gang Why after expecting a huge bounty did she die in poverty The answers are all here in Bible John s Secret Daughter

This is Not a Grail Romance Natalia Petrovskaja,2023-07-15 *This is Not a Grail Romance* provides answers to some of the most important questions surrounding the medieval Welsh Arthurian tale *Historia Peredur vab Efreu* one of the few surviving medieval Welsh narrative compositions and an important member of the Grail family of medieval European narratives The study demonstrates that *Historia Peredur* is an original Welsh composition rather than as previous theories have suggested being an adaptation of the twelfth century French grail romance The new analysis of the structure of *Historia Peredur* presented here shows it to be as complex as it has always been thought but also more formal and the result of intentional and intricate design The seeming inconsistencies or oddities in *Historia Peredur* can be understood by reading it in its medieval Welsh cultural context allowing the modern reader a greater appreciation of both the narrative and the culture that produced it
