musician instinctively knows and loves music From the light issuing from the risen Jesus Messiah whom he encountered on the Damascus road Paul mystically read the Jewish Scriptures and comprehended that God consummated Israel s history through the sending of Jesus Messiah and the Holy Spirit Paul s letters are paradigmatic of the earliest use of the word mystical that is how the Jewish Scriptures disclose Jesus Messiah Thus Paul the zealous Jewish Pharisee grew to understand Christianity as Judaism perfected     Catalogue of the General Theological Library, Boston, Massachusetts General Theological Library,1913     **Wisdom From the Margins** William G. Britton,2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn t ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It s not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I m hoping that like me you ll discover something that you didn t know you wanted or needed and something now you wouldn t give up at any price     **The Harvard Theological Review** ,1908     **The American Journal of Theology** University of Chicago.
