Mission in the Way of Paul Christopher R. Little,2005 What relevance does the Apostle Paul have for the mission of the church in the twenty first century By investigating his socioeconomic background examining his doxological orientation in mission delineating how and why he shared resources in the first century and then relating all this to what has been called the contemporary International Partnership Movement this book demonstrates that when the church engages in cross cultural mission and ignores Pauline orthopraxy it places unnecessary obstacles in the path of the missio Dei Therefore Mission in the Way of Paul Biblical Mission for the Church in the Twenty First Century is pertinent for any course devoted to learning from and implementing biblical models of mission today

The Message of the Church Don Carson,2013-04-23 The Bible begins and ends with God dwelling with his people from Adam and Eve in the garden of Eden to the great multitude in the New Jerusalem in the book of Revelation At each step God gathered his people together to speak to them hear from them and change them to be more like him God assembling his people whom he loves is what the Bible calls church The church should aspire to be a group of vibrant loving risk everything people who are passionately committed to living out the values of God s Word and looking forward to the new creation Churches and their pastors and leaders need to hear what the Bible says about who they are and what they are to do Chris Green takes the message of the church to mean first that the church has a message which is that God has saved his people through Christ second that the church is the created and saved result of that message and third that the church is a message which is that he has saved broken people like us and by belonging to his people we are trying to respond to him in the ways he requires His stimulating and insightful exposition begins with a survey of the church from eternity to Eden to exodus to exile to eternity and then focuses on various dimensions of the church s life and ministry including its worship unity maturity servants gifts holiness boundaries and future

The Facilitator Era Tom Steffen,2011-01-01 Some time ago Ralph Winter brilliantly identified three eras of modern missions Era 1 William Carey focused on the coastlands Era 2 Hudson Taylor focused on the inlands Era 3 Donald McGavran and Cameron Townsend focused on unreached peoples With all the fast and furious changes swirling around us today in twenty first century missions have we entered a Fourth Era If so who are the people primarily involved How are they selected How are they trained How long do they serve Has the Third Era ministry focus reaching the unreached changed If so to what Are there any successful case studies out there Have McGavran and Townsend passed the baton to a new leader s If so to whom This book seeks to answer these and related questions

Corporate Decision-Making in the Church of the New Testament Jeff Brown,2014-08-28 Debate

about church order has gone on for centuries within Christianity and an end is nowhere in sight Perhaps that is good since the debate shows the weaknesses of many ideas that need correction Corporate Decision Making in the Church of the New Testament examines church order from a careful exegetical perspective with particular attention to the social world of the New Testament While most works about church government address structure and qualities of leadership Jeff Brown deals with the interaction of the people of the church both with their leaders and with one another in setting policy In brief though all believers in the young church of the New Testament revered Christ and his Word as authoritative not all church decisions were from the top down from earthly leaders On the contrary many were from the bottom up This should come as no surprise to those familiar with Jesus admonition in the Gospels You have one teacher and you are all brothers *You Will Be My Witnesses* Brian A. DeVries, 2024-09-24 A Theological Introduction to the Witness of the Church within the Mission of God Mission is God's work God spoke the first promise of gospel hope sent his Son into this fallen world and commissioned his Spirit to empower his church for witness Until the day Christ returns God has called his people to participate in his mission through evangelism apologetics church planting cultural engagement gospel suffering and many other activities that faithfully communicate gospel hope in Christ This practical introduction provides a biblical framework for understanding the church's role in God's mission It reviews the biblical story of God's mission draws insights from the church's witness since Pentecost and studies aspects of contemporary Christian witness Each chapter ends with study questions to encourage further reflection and discussion by church members and ministry leaders Readers will gain refreshing insights into how they can participate in faithfully bearing witness to Christ through the church's work in the world today Confessional and Contemporary Precisely defines the biblical aspects of God's mission and Christian witness built upon time tested theology yet freshly applied for witness in the post Christendom world Accessible Written for church members college and seminary students ministry workers and church leaders who are committed to creating a community that bears witness to Christ in an unchurched society Practical and Motivational Clear and crisp writing style enhanced by many helpful figures and charts and infused with a gospel passion to declare God's glory among the nations Spurs Discussion Thought provoking study questions at the end of each chapter to encourage further reflection and faithful action **Finding Lost Words** G. Geoffrey Harper, Kit Barker, 2017-03-31 The brokenness of this world inevitably invades our lives But how do you maintain faith when overwhelmed by grief When prayer goes unanswered When all you have are questions not answers What do you say to God when you know he is in control but the suffering continues unabated Is there any alternative to remaining speechless in the midst of pain and heartbreak This book is about finding words to use when life is hard These words are not new They are modes of expression that the church has drawn on in times of grief throughout most of its history Yet the church in the West has largely abandoned these words the psalms of lament The result is that believers often struggle to know what to do or say when faced with distress anxiety and loss Whether you are in Christian leadership training for ministry or simply struggling

to reconcile experience with biblical convictions Finding Lost Words will help you consider how these ancient words can become your own Early Christian Mission: Paul & the early church Eckhard J.
