Mother Me An Adopted Woman's Journey To Motherhood:

Mother Me Zara H. Phillips, 2011 The adopted daughter of loving parents Zara Phillips nonetheless felt out of place in her family and a misfit in the world around her Although cherished by a well meaning mother and father she grew up feeling deeply insecure and alone consumed by a void she found impossible to fill Isolation led to alienation yet her talent brought her to the center of the thriving London rock n roll scene of the 1980s Her downward spiral fueled by its lifestyle Zara became lost in drugs alcohol and destructive relationships An intense search for the truth of her birth led to an awakening and successful recovery Yet it was her experience of becoming a mother that revealed what being an adopted person really meant to her For the first time she gained deep understanding and compassion for both her birth mother and her adoptive mother and was able to start the healing process The tale of Zara's search for her birth mother and her path to health is riveting as are the stories of many people sharing her past Zara's activism for adoptee rights springs from a very personal passion **Mother Me** is a brave and compelling memoir that illuminates the lifelong impact of adoption on every member of the adoption triad adoptee birth mother and adoptive mother as well as the families of each

Single by Choice, Mothers by Choice Rosanna Hertz, 2006-10 A unique window on the future of the family this book offers a gold mine of insight and reassurance for any woman contemplating having children outside of marriage

Single Mothers in Twentieth-century Ireland and Britain Lorraine Grimes, 2025-08-21 Throughout the Twentieth Century many women in Ireland and Britain endured shame and institutionalisation for becoming pregnant outside of marriage In this welcome study Lorraine Grimes examines the journeys made by hundreds of pregnant Irish women to Britain as they fled to escape their local communities Their experiences in Britain however were not free of stigma and Grimes's book analyses the nuances of the institutional networks both in Britain and Ireland which these women utilised **Single Mothers in Twentieth Century Ireland and Britain** focuses on the experiences of women from 1926-1973 in cities with high Irish emigrant populations including London Liverpool Birmingham and Glasgow Unlike official narratives such as Ireland's Commission of Investigation into the Mother and Baby Homes this book prioritises the experiences of the survivors and ensure that women's experiences are central to the narrative It also incorporates original interviews with children born in institutions and for the first time interviews with religious and medical staff are also included in the historiography Using archival research and oral history Grimes reveals the methods British and Irish institutions developed from forced adoption to repatriation and the impacts of this on the women and children's lives Grimes makes a significant contribution to the historiography surrounding the movement of women and children across international borders through repatriation and adoption between institutions on both sides of the Irish Sea From extensive archival research this book reveals cases of Irish single mothers seeking assistance in Britain as well as cases of rape incest and domestic violence within the institutional records In addition archival cases expose prejudice towards women from other colonial countries in institutions in Britain particularly from the 1960s A first for the field **Single**

Mothers includes a chapter on the experiences of single fathers Sensitive to the underlying issues of class and gender politics the book also shows that women often enacted a large degree of agency to improve their situation If you are interested in women s political and social history and the history of the institutional relationships of Britain and Ireland this book is essential reading **Making Sense of Motherhood** Beth M. Stovell,2016-02-02 Motherhood provides a crucial place for

exploring human life and its meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood s meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and theological perspectives on understanding motherhood The authors reflect upon a selection of biblical texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood Voices of the Women's Health

Movement, Volume 1 Barbara Seaman,Laura Eldridge,2012-02-14 An unprecedented and definitive collection of rabble rousing writings on women s health Voices of the Women s Health Movement explores a range of provocative topics from reproductive rights to sexuality to motherhood Trail blazing advocate Barbara Seaman and health activist Laura Eldridge bring the revolutionary ideas of several generations together in this powerful new book celebrating women s bodies and women s voices The more than two hundred contributors include Jennifer Baumgardner Susan Brownmiller Phyllis Chesler Angela Y Davis Barbara Ehrenreich Germaine Greer Shulamith Firestone Charlotte Perkins Gilman Erica Jong Molly Haskell Shere Hite Susie Orbach Judith Rossner Alix Kates Shulman Gloria Steinem Sojourner Truth Rebecca Walker Naomi Wolf and many others With Voices of the Women s Health Movement for the first time every woman and girl can experience in one place the powerful history of stirring words and strong female perspectives that have inspired countless women to take control of their health and their lives Volume One highlights include influential writings on birth control menstruation pregnancy and birthing motherhood menopause abortion and lesbian bisexual and transgender health **"Bad" Mothers**

Molly Ladd-Taylor,Lauri Umansky,1998 With a distinct minority of American families living the two parent one worker lifestyle touted as the norm the authors examine the question Do most mothers now qualify as bad mothers in one way or another Cover Textual Mothers/Maternal Texts Elizabeth Podnieks,Andrea O'Reilly,2010-01-25 Textual Mothers Maternal Texts focuses on mothers as subjects and as writers who produce auto biography fiction and poetry about maternity International contributors examine the mother without child with child and in her multiple identities as grandmother mother

and daughter The collection examines how authors use textual spaces to accept negotiate resist or challenge traditional conceptions of mothering and maternal roles and how these texts offer alternative practices and visions for mothers Further it illuminates how textual representations both reflect and help to define or re shape the realities of women and families by examining how mothering and being a mother are political personal and creative narratives unfolding within both the pages of a book and the spaces of a life The range of chapters maps a shift from the daughter centric stories that have dominated the maternal tradition to the matrilineal and matrifocal perspectives that have emerged over the last few decades as the mother s voice moved from silence to speech Contributors make aesthetic cultural and political claims and critiques about mothering and motherhood illuminating in new and diverse ways how authors and the protagonists of the texts read their own maternal identities as well as the maternal scripts of their families cultures and nations in their quest for self knowledge agency and artistic expression
