## **Mother Of Faith Daughters Of Faith:**

**Mother of Faith** Thom Lemmons, 2011-05-11 Many commentators assume John's reference to the chosen lady and her children in 2 John 1 refers to the church. But what if there really was a respected Christian sister in the community to whom John entrusted his epistle? What might have been this woman's life story? What might she remember of the apostle whom Jesus loved? Thom Lemmons's biblically based fiction third in his popular Daughters of Faith series recounts what life might have been like for this woman whom he envisions as a young Nubian mother. In his dynamic portrait of Amanis we become eyewitnesses of the last days of the apostolic era, gaining insights into our own ways of dealing with monumental change within the church and society today.

**The Mothers and Daughters of the Bible Speak** Shannon Bream, 2022-03-29 God always keeps His promises but not always in the way we expect. Have faith is a phrase we hear all the time. But what does it actually look like to live it out? In *The Mothers and Daughters of the Bible Speak* Shannon Bream examines the lives of biblical women to see how God's plans can turn our worlds upside down. She tells the story of Jochebed, a mother who took enormous risks to protect her son Moses from Pharaoh. Could Jochebed have imagined that God's actual design for her son involved flight into exile and danger? And yet this was all part of the master plan to deliver Israel from slavery. Another biblical mother, Rebekah, made terrible choices in an attempt to ensure her son's place in history. And a daughter, Michal, struggled to keep her faithless father Saul from sin while battling pride in herself. Through these stories, Shannon explains the intimate connection between faith and family and how God's unexpected agenda can redefine the way we think about family. Not all of these mothers and daughters in the Bible were paragons of virtue. Like us, they were human beings who faltered and struggled to do their best. While some heard God's voice, others chose their own paths. Through the lens of their imperfections, we can see how God used their stories to bring about His divine plans. He's still doing the same work in our lives today. *The Mothers and Daughters of the Bible Speak* shows that faith is more often a twisting road than a straight line. Yet as the stories of biblical families attest, at the end of these journeys lies greater peace and joy than we could ever imagine. Supplemental enhancement PDF accompanies the audiobook.

**The Mothers and Daughters of the Bible Speak Workbook** Shannon Bream, 2022-11-01 EXPLORE THE INTIMATE CONNECTION BETWEEN FAITH AND FAMILY God uses mothers and daughters in critical roles throughout the Old and New Testaments. They are often used to change the course of history, but more importantly, these female relationships and roles reveal a deeper depth of God's love for and faithfulness to each of us. This workbook is based on the #1 New York Times bestseller *The Mothers and Daughters of the Bible Speak*. In these nine lessons, you will consider the parallels between the relationships, experiences, and challenges of women in the Bible as mothers and daughters and your own. You'll reflect on how God focused on their faith and trust and how He is doing the same with you. Each lesson includes four components: REFLECT invites you to read key moments of each woman's life in the Bible and connect with her story; CONNECT asks you to consider how God in the Old Testament or Jesus in the New

**The Reign of God is Such as These** Sharon Betsworth, 2010-09-30 This is a new analysis of the daughters in the Gospel of Mark Betsworth analyzes the daughters in the Gospel of Mark the woman from the crowd whom Jesus calls daughter Jairus daughter 5:21-43 Herodias daughter 6:14-29 and the daughter of the Syro-Phoenician woman 7:24-30 To demonstrate how the Gospel's first century audience may have heard these stories Betsworth begins by examining daughters in their ancient Mediterranean context Betsworth then considers representations of daughters in select texts from the Septuagint and Greco-Roman literature from the seventh and sixth centuries B.C.E. to the second century C.E. Although these depictions seem to be in contrast to the social historical construction of daughters Betsworth shows that in many ways the literary portrayals of daughters function to uphold the values of Greco-Roman culture especially those of virginity before and faithfulness in marriage These two lines of enquiry undergird Betsworth's investigation From it she is able to show that the daughters in the Gospel uphold the values of the reign of God as an integral part of the Gospel's inclusive social vision of God's reign This title was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches
