Guice,2018-02-09 Im not magical mommy This vital statement was stated when I began to take a closer look at myself and realized I had become overwhelmed with all the jackets that I had worn for years as a mom I understood that I had made the choice to have a child but felt it wasnt a life sentence This was the critical moment when I began to reflect how I quieted a crying infant consoled fussy preschoolers worried about adolescence and pre teens and tearfully said good byes to children that had become adults I learned that being a parent takes strength and love I realized that being a mother is purely magical

Confessions of a Scary Mommy Jill Smokler,2012-04-03 Sometimes I just let my children fall asleep in front of the TV In a culture that idealizes motherhood it s scary to confess that in your house being a mother is beautiful and dirty and joyful and frustrating all at once Admitting that it s not easy doesn t make you a bad mom at least it shouldn t If I can t survive my daughter as a toddler how the hell am I going to get through the teenage years When Jill Smokler was first home with her small children she thought her blog would be something to keep friends and family updated To her surprise she hit a chord in the hearts of mothers everywhere I end up doing my son s homework It s wrong but so much easier Total strangers were contributing their views on that strange reality called motherhood As other women shared their stories Jill realized she wasn t alone in her feelings of exhaustion and imperfection My eighteen month old still can t say Mommy but used the word shit in perfect context But she sensed her readers were still holding back so decided to start an anonymous confessional a place where real moms could leave their most honest thoughts without fearing condemnation I pretend to be happy but I cry every night in the shower The reactions were amazing some sad some pee in your pants funny some brutally honest But they were real not a commercial glamorization I clock out of motherhood at 8 P M and hide in the basement with my laptop and a beer If you re already a fan lock the bathroom door on your whining kids run a bubble bath and settle in If you ve not encountered Scary Mommy before break out a glass of champagne as well because you ll be toasting your initiation into a select club I know why some animals eat their young In chapters that cover husbands The Biggest Baby of Them All to homework Didn t I Already Graduate *Confessions of a Scary Mommy* combines all new essays from Jill with the best of the anonymous confessions Sometimes I wish my son was still little then I hear kids screaming at the store As Jill says We like to paint motherhood as picture perfect A newborn peacefully resting on his mother s chest A toddler taking tentative first steps into his mother s loving arms A mother fluffing her daughter s prom dress These moments are indeed miraculous and joyful they can also be few and far between Of course you adore your kids Of course you would lay down your life for them But be honest now Have you ever wondered what possessed you to sign up for the job of motherhood STOP DO NOT OPEN THIS BOOK UNTIL YOU RECITE THESE VOWS I shall remember that no mother is perfect and my children will thrive because and sometimes even in spite of me I shall not preach to a fellow mother who has not asked my opinion It s none of my damn business I shall maintain a sense of humor about all things motherhood **Mommy Needs a Raise (Because Quitting's Not an Option)** Sarah Parshall Perry,2016-07-05 Goodbye Board Room and Legal Briefs Hello Dimples Diapers and

Destruction Women know that raising children will be different from climbing the corporate ladder But nothing can truly prepare them for the mind muddling world of motherhood It doesn't take long for a new mom to question whether her tyrannical diapered boss really understands her value to the organization Because honestly She's not always sure herself With her signature wit lawyer turned full time mommy Sarah Parshall Perry says what all new moms are thinking when they trade annual reports for homework help and yoga pants Perry invites moms to laugh alongside her amidst the Are you kidding me moments that come with the job of raising humans This book is story of every mother who gives up one thing to get something better and ends up finding out what she's worth along the way **Not All Mothers Love Their Baby** Kirsty Mac, 2021-10-06 Unlike the glamorous image of motherhood we see portrayed in film TV and social media bonding through breastfeeding family days out capturing lifelong memories and well put together mothers who can do it all this book shows a raw and gritty reality that for a lot of first time parents is far from what they expected Her world turned upside down through shock and trauma of childbirth and dealing with the heartache of postnatal depression in its wake Kirsty recounts the first few years of motherhood that this cruel mental illness stole from her robbing her of joy threatening her relationship and rendering her incapable of feeling any love for her baby whatsoever Instead she found herself in a constant state of mental brutality with The Mind Demons isolating her from loved ones berating her with intrusive thoughts and sending her into a downward spiral of self loathing and suicidal ideation Without holding back Kirsty takes her readers on a painful albeit rich with humour and wit journey through postnatal depression cracked nipples and swollen yoohas galore Believing herself to be a toxic horrid beast and a failure of a mother so much of her story will relate to new parents everywhere especially those who have also found themselves asking why everyone else seems to have it together and they don't From breakdowns mid passion to weeping over postpartum belly pouches this is a real story of parenthood in all its sincere pain rage and love eventually
