*Mothering without a Home* , Ann G. Smolen, 2013-10-29 Homeless women and their children who reside in a transitional housing facility or shelter have experienced multiple traumas and disruptions in their earliest attachments These multiple chronic traumas often result in disorganized attachment disorders which in turn affect all future development Although there are a dearth of programs and interventions that work with disorganized attachment disorder within the homeless population there are few studies that explore the difficulties that homeless mothers experience in forming positive attachments with their children *Mothering without a Home* Attachment Representations and Behaviors of Homeless Mothers and Children explores the attachment style of homeless mothers and its effect on the resulting attachment style of their children Ann Smolen utilizes psychoanalytically informed interventions with the goal of aiding these women in developing a deeper capacity to understand and be attuned to their children s emotional needs

Monstrous Mothers: Troubling Tropes Andrea O'Reilly, Abigail L. Palko, 2021-08-01 Motherhood is one of those roles that assumes an almost outsized cultural importance in the significance we force it to bear It becomes both the source of and the repository for all kinds of cultural fears Its ubiquity perhaps makes it this perfect foil After all while not everyone will become a mother everyone has a mother When we force motherhood to bear the terrors of what it means to be human we inflict trauma upon those who mother A long tradition of bad mothers thus shapes contemporary mothering practices and the way we view them including the murderous Medea of Greek mythology the power hungry Queen Gertrude of Hamlet and the emasculating mother of Freud s theories Certainly there are mother who cause harm inflict abuse act monstrously Mothers are human But mothers are also a favourite and easy scapegoat The contributors to this collection explore a multitude of interdisciplinary representations of mothers that through their very depictions of bad mothering challenge the tropes of monstrous mothering that we lean on revealing in the process why we turn to them Chapters in *Monstrous Mothers Troubling Tropes* explore literary cinematic and real life monstrous mothers seeking to uncover social sources and results of these monstrosities

Motherhood, Mental Illness and Recovery Nikole Benders-Hadi, Mary E. Barber, 2014-08-01 Despite the importance of regaining social roles during recovery from

mental illness the intersection between motherhood and serious mental illness is often overlooked This book aims to rectify that neglect A series of introductory chapters describing current research and services available to mothers with serious mental illness are followed by personal accounts of clients reflecting on their parenting experiences One goal of the book is to provide clinicians with information that they can use to help patients struggling with questions and barriers in their attempts to parent The inclusion of personal accounts of mothers on issues such as stigma fears and discrimination in the context of parenting with a mental illness is intended to promote the message of mental illness recovery to a larger audience as well Finally it is hoped that this handbook will help inspire more research on mothers with mental illness and the creation of more services tailored to their needs

*Heavy Music Mothers* Julie Turley,Joan Jocson-Singh,2023-04-21 *Heavy Music Mothers* Extreme Identities Narrative Disruptions is an exploration of women and heavy music and the ways in which women have historically engaged with musicking as mothers Julie Turley and Joan Jocson Singh musicking mothers themselves largely employ an ethnographic lens foregrounded in powerful one on one original interviews as vignettes that narrate thematic patterns Other chapters examine motherhood identity embedded in respective published rock music memoirs discussions of rock performance as a site of maternal bonding and themes that arise when heavy music mothers write about motherhood Autoethnographic portions throughout give the book an intimate and personal tone one such chapter presents the concept of vigilante motherhood within an auto ethnographic context The authors reference the book s limitations meditating on historically marginalized moms the authors predict and hope the focus will be on for the future *Heavy Music Mothers* is a robust study of women and motherhood set within a music culture historically inhospitable to both women and mothers This book the first scholarly study of this topic is just the beginning
