Mothers On The Margin The Significance Of The Women In Matthews Genealogy:

Mothers on the Margin? E. Anne Clements, 2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew s Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel s identity in terms of ethnicity marginality and gender The women signal that Matthew s Gospel is concerned with the construal of a new identity for the people of God

Matthew's Account of the Massacre of the Innocents in Light of its Reception History Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great s massacre in Matthew 2 16 18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho s examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives

Escaping Shame: Mary's Dilemma and the Birthplace of Jesus N. Clayton Croy, 2022-08-01 The only narratives of Jesus birth locate the event in Bethlehem but the adult Jesus is consistently associated with Nazareth How do we reconcile these two indisputable facts Some dismiss Bethlehem as a theologoumenon a theological fabrication Others insist on Bethlehem based on the census of Quirinius In the present volume N Clayton Croy argues that both are wrong Instead Jesus birthplace was determined by the scandalous nature of Mary s pregnancy with it being necessary for Mary and Joseph to escape the inevitable shame of an ill timed conception and decamp to a less hostile environment In this light a Bethlehem born Jesus who grew up in Nazareth should never have been considered problematic Mothers on the Margin? ,2012

Women Without Walls Mary Cotes, 2021-05-07 Women who follow Jesus are passionate and dynamic forging ahead and unafraid of putting their faith into practice In their every walk of life they are God s agents of change We live in a scary world torn apart by them and us thinking and threatened by disease violence and environmental destruction How does God shape women to be pro active in society as Christian disciples equipping them to build community and change the world around them Jesus calls men and women alike to be ambassadors of God s kingdom in society What kind of spiritual journey can strengthen them to rise to this challenge engage in the public arena and thrive as the strong significant players in mission that God calls them to be This is the question that lies at the heart of this book Reflecting on the parable of the yeast and weaving together the stories of women from the Bible with those of Christian history the author reflects on the experiences of women such as Alice Domon and St Perpetua Sojourner Truth and Amy Carmichael She offers inspiration and encouragement to all women of today who seek to become passionate followers of Christ faithful to the values of God s kingdom in every aspect of their daily lives

What Jesus Learned from Women James F. McGrath, 2021-02-26 Dehumanization has led to serious misinterpretation of the Gospels On the one hand Christians have often made Jesus so much more than human that it seemed inappropriate to ask about the influence other human beings had on him male or female On the other hand women have been treated as less than fully human their names omitted from stories and their voices and influence on Jesus neglected When we ask the question this book does what Jesus learned from women puzzling questions that have frustrated readers of the Gospels throughout history suddenly find solutions Weaving cutting edge biblical scholarship together with an element of historical fiction and a knack for writing for a general audience James McGrath makes the stories of women in the New Testament come alive and sheds fresh light on the figure of Jesus as well This book is a must read for scholars students and anyone else interested in Jesus and or in the role of ancient women in the context of their times **The Poetics of**

Matthew 1 Timothy Lewis, 2023-01-20 The Poetics of Matthew 1 is about seeing what has not previously been seen in the

first chapter of Matthew by explaining key literary patterns What is the reason for the five references to mothers in the Messiah s genealogy How can the genealogy be called Jesus s lineage if it is not Jesus s biological lineage What kind of genesis is the Messiah s kind of genesis in verse 18 Why is Joseph labeled as righteous in verse 19 Why does verse 22 say This has all happened seemingly before it has all happened Questions such as these were not previously thought to have answers within the text The Poetics of Matthew 1 employs an underestimated method of answering text based questions with text based answers Calm and Quiet My Soul Alyssa Lynn Bell,2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts The biblical truth is that spiritual rest is a gift from God not an achievement a refreshing reminder for women who hold the dual roles of mom and minister This book invites women leading in these spaces to remember that the God of the Old and New Testaments the one who pours out replenishment for weary hearts is a God who is Mother as well as Father and mothers them with tenderness and strength Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God **Four Portraits, One Jesus, 2nd Edition** Mark L. Strauss,2020-03-24 A thorough introduction to the four biblical Gospels and their subject the life and person of Jesus Like different artists who render the same subject using unique styles and points of view the Gospels paint four distinctive portraits of the same Jesus of Nazareth To Christians worldwide he is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life With clarity and insight biblical scholar Mark Strauss illuminates these four books addressing the following important areas The nature origin methods for study and historical religious and cultural backgrounds of each of the Gospels A closer study of the narratives and themes found in Matthew Mark Luke and John and their contribution to our understanding of Jesus A detailed examination of what the Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential This fully updated textbook together with its workbook video lectures and laminated sheet gives students everything they need for a thorough and enriching study of Jesus and the Gospels **Exploring the New Testament** David Wenham,Steve Walton,2021-03-30 Written by scholars with extensive experience teaching in colleges and universities the Exploring the Bible series has for decades equipped students to study Scripture for themselves Filled with classroom friendly features this first volume now it its third edition provides an accessible introduction for anyone studying Jesus the Gospels and Acts The Case for Catholicism Trent Horn,2017-11-29 This is the most up to date comprehensive and thorough defense of the Catholic Church against Protestant objections in print This book is especially relevant as the 500th anniversary of the Protestant Reformation

The Ministry of Women in the New Testament Dorothy A. Lee, 2021-02-16 Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women s ministry is confirmed by the biblical witness Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus with a particular focus on passages that have been used in the past to limit women s ministry She argues that women in the New Testament were not only valued as disciples but also given leadership roles which has implications for the contemporary church

Bible and Bedlam Louise J. Lawrence, 2018-08-23 **Bible and Bedlam** first critically questions the exclusion and stereotyping of certain biblical characters and scholars perceived as mad as such judgements illustrate the sanism prejudice against individuals who are diagnosed or perceived as mentally ill perpetuated within the discipline of Western biblical studies Second it seeks to highlight the widespread ideological gatekeeping protection and policing of madness in both western history and scholarship with regard to celebrated biblical figures including Jesus and Paul Third it initiates creative exchanges between biblical texts interpretations and contemporary voices from mad studies and sources autobiographies memoirs etc which are designed to critically disturb disrupt and displace commonly projected and often pejorative assumptions surrounding madness Voices of those subject to diagnostic labelling such as autism schizophrenia and or psychosis are among those juxtaposed here with selected biblical interpretations and texts

worship required for believers in Jesus to live in the kingdom of heaven In accordance with all that Jesus taught and exemplified regarding authentic worship believers are invited to complement their worship of God by worshiping and praying to Jesus as God's beloved Son who represents God with us They are also invited to complement their ritualistic worship especially the baptism and Eucharist instituted for them by Jesus with an ethical worship that extends to others especially to disciples children and the least ones with whom Jesus identifies himself the mercy God desires for a holistic worship Indeed a compassionate mercy toward all is the distinctive and noteworthy hallmark that characterizes the theme of worship in the kingdom of heaven according to the Gospel of Matthew
