

A man with a beard and bald head, wearing a dark blue zip-up jacket, is speaking into a professional microphone. He has a serious expression. The background is a dark blue wall with faint, repeating patterns of a hand holding a pen. A white-bordered box on the left contains text.

Motivational Speaker 3 Tilawan, 2012 There are some things when we miss them in life it won t matter what else we gained There are some things when we gain them it won t matter what else we missed and no greater wisdom can we discover than this and the greatest wisdom is to discover our purpose in life The day you discover God s purpose for your life you will cease to be using your your efforts but His You will no longer use your strength but His You will no longer be using your wisdom in what you are doing but His You will no longer use your approach to issues of your life but His for you have discovered His assignment for your life Your assignment in life is

never far from you but it could be far from your focus Always change your focus to discover what is God s purpose for your life Wealth is not your purpose it is a slice of it Fame is not your purpose it is a slice of it Power is not your purpose it is a slice of it and until you discover your purpose the slices will keep distracting you from God s plan for your life Let no attraction either the attractions of money fame or power distract you from pursuing your purpose in life The attractions that cannot distract you at the early stage of your struggles in discovering your purpose in life will serve you at its later stage Trying to do like everybody else might not be your purpose Trying to do what people like may not be your purpose Trying to do as you are told may not be your purpose Trying to to impress the people around you may not be your purpose Discovering your purpose in life will give you a picture of where your tomorrow will be It will give you the right mentality to achieving a breakthrough in life Because whenever the journey of your struggles starts to bog down you cannot breakthrough with the wrong mentality that sees you from a picture of where you found yourself You can only go forward with a right mentality of the picture of where your tomorrow will be And when tomorrow comes and you see yourself in great victory you will then realise that what is needed is not to thank God for answered prayers but to apologise to Him for the times we go about in behaviours that shows He was not faithful to us A feeling in actions and activities that shows He might not really have cared about our situation I came to the point that I planned to stop the show for the day My dear listeners always have a positive attitude to whatever you are going through in life and keep to the path and action that will carry you to your victory in life You can t get an answer by following a formula half way You can t get an answer by following a formula the wrong way The formula ensures that we do away with anything that is stopping us from achieving our victory in life Most times it is the presence of some little things that is denying the coming of some wonderful things in our lives HE CHANGES PEOPLE S LIVES THROUGH HIS MOTIVATIONAL **The Great Motivation Swindle** Laura Tong,Mark Tong,2014-06-08 Do you dream of doing something awesome big or small towards a Great Life anything indeed but when you try to motivate yourself into actually getting off your burgeoning ass and taking some kick ass action nothing happens zilch Somehow for some damn reason you can t identify your motivation always fails to show up for the party Goes AWOL There s a strong chance it s never your true dream you re chasing but some swindling parasitic desire foisted on you in short you ve been swindled you re a casualty of The Great Motivation Swindle Too many great people are failing to achieve the success and Great Life they could be living and it seems to be assumed that this is a natural state of affairs and there is little that can be done about it So what do you do if you find it harder to get motivated than a shark at a salad bar If you re feeling more demotivated than an albino in a heatwave What happens is you turn to self improvement But the killer is that this industry is largely just putting out the same swindling message as society more and more dressed up in pseudo science and psychological jargon The mountains of motivational literature images and quotes that are designed to get you fired up enough to get going and kick some ass are in fact doing the oh so opposite rather than motivating ordinary people to get out there and chase down some sweet dream they

are demotivating them or worse still encouraging the swindleous practice of substituting some other bastard's aims and desires for yours So what's the alternative The alternative is a Revolution A Revolution for the Common Man A Revolution where you buck the swindle and the whole concept of self improvement replace all the corrosive crap in your head with your own unique desire and motivation to pursue your own happiness and go grab whatever the hell you want as you The book also includes 19 Motivational Rules for the Common Man *READY - SET -- GO! ---* d.Merzo,2023-11-10 Is a heartwarming story about a father who bestows his daughter valuable gifts that money could not buy His thoughtful giving of these three simple words began as childlike play and became what launched a positive mindset self confidence and an inner fire that ignited motivation These powerful words initiated important skills that brought about massive changes to her life This inspirational book shares dynamic potential that springs forth from the words Ready Set Go The energy flowing from these words automatically extinguishing fear anxiety doubt and removes worry This vibration ripples into the mind cultivating a path for improving self image self esteem self confidence and self regulation The chapters contain strategies to fire up your inner strength to become motivated and techniques to develop new habits They make you more productive focused better equipped to make decisions able to set boundaries and become more resilient This undeniably is the go to book when negative thinking germinates confusion anxiety chronic worry and lack of motivation enters into your life The words profoundly generate optimism to see beyond the glass as half full They deliver a natural pathway for courage fortitude and confidence to tackle whatever is around the corner **READY SET GO** is a trusted power source that releases vital sparks to ignite motivation and propel your life forward These words truly validate that some of the simplest things in life are often the most effective

SuperMotivation Dean R. Spitzer,1995 Showing how to motivationally transform an entire organization Spitzer supplies a completely new approach to an age old dilemma explaining how to identify motivators that exist in a company find ways to increase them uncover demotivators and reduce or eliminate them and weave the principles of motivation into six core systems
