Advanced Public Speaking Dr. Ruth Livingston, 2015-01-23 The text provides instruction on how to give different types of presentations and how to improve upon other communication skills including listening. Topics include harnessing the fear of public speaking, applying immediacy, storytelling, motivating others, listening actively, interviewing successfully, lecturing and conducting workshops effectively, speaking off the cuff, selling yourself and your business, and presenting for special occasions. Aristotle's Canons of Rhetoric are also discussed as a foundation to organizing and delivering dynamic presentations. The book is ideal as a text for an Advanced Public Speaking course.

Business Guide for Strategic Management Alfred-Joachim Hermanni, 2023-07-26 This book follows the credo "Don't work hard, work smart." Smart in the sense of cleverness, systematic organization of work and time, as well as farsightedness to open up business perspectives. In alphabetical order, the book presents the success factors, methods, and strategies that help strengthen market positions and realign strategies. The clear chapters are also very suitable for reference. The book is aimed at managers, executives, and self-employed people who want to use their most valuable resources sustainably and consciously to develop products and services that customers really want. Over 100 national and international case studies provide a high utility value. For the 2nd edition, numerous text passages have been revised, new case studies have been integrated, and up to date data material has been made accessible. With valuable practical tips at the end of each chapter. The electronic usage of the German language edition of the book has so far led to more than 1.6 million accesses.
