Trainer's Resource was published in 2007 it became a resounding success among professional dog trainers and behaviorists. It also introduced a new generation of dog trainers to the profession and started them on the road to success with information from experts in the field. This new volume, The Dog Trainer's Resource 2, contains more cutting edge information collected from dog training's most influential magazine, The APDT Chronicle of the Dog, published by the Association of Pet Dog Trainers. Subjects covered in this book range from puppy training and socialization to working with veterinarians and how to run the business end of the leash. A special emphasis in this volume is on behavior problems including how to diagnose problem behaviors, training and management strategies. It includes detailed case studies that give the reader insights from experts. Both new and seasoned dog trainers will benefit from the 73 articles written by 43 authors.

**From Practice to Competition** Gibson Darden, Sandra Wilson, 2023-02-27 Practice may arguably be the most important predictive factor of athlete success in sport. As such, designing and conducting effective practice sessions should be an essential element of coach education and development efforts. In *From Practice to Competition: A Coach's Guide for Designing Training Sessions to Improve the Transfer of Learning*, Gibson Darden and Sandra Wilson provide practical, research-based recommendations for coaches to help them get the most out of their athletes at every practice. Easily transferrable across a variety of sports, this guide explores and applies transfer of learning concepts that coaches can use to better design and structure their training sessions. When implemented, these techniques yield greater positive transfer of their practices to the game. Featuring sample scenarios, real world examples, potential difficulties, and helpful tips for each of the key transfer of learning concepts, this book is the perfect guide to help coaches answer the important question of "Will it transfer when designing and conducting each and every practice session?"

National Standards for Sport Coaches: Quality Coaches, Quality Sports Lori Gano-Overway, Melissa Thompson, Pete Van Mullem, 2020-09-15 The third edition of the National Standards for Sport Coaches outlines the standards for quality sport coaching based on the latest research and practical work in coaching science and the varied fields of exercise science. This useful resource outlines the standards which highlights the core responsibilities coaches should possess along with supporting competencies that provide insight into the knowledge and skills needed to support a quality amateur sport experience for athletes. Coaches, sport administrators, and coach educators and developers who are informed about core coaching responsibilities and competencies can improve the preparation, training, and evaluation of sport coaching. Ultimately, the National Standards for Sport Coaches should assist in improving the sport experiences for all athletes and will elevate the profession of coaching.
