Mount Vernon Love Story A Novel Of George And Martha Washington:

Mount Vernon Love Story Mary Higgins Clark, 2012-09-04 Always a lover of history Mary Higgins Clark wrote this extensively researched biographical novel and titled it *Aspire to the Heavens* after the motto of George Washington's mother. Published in 1969 the book was more recently discovered by a Washington family descendant and reissued as *Mount Vernon Love Story*. Dispelling the widespread belief that although George Washington married Martha Dandridge Custis he reserved his true love for Sally Carey Fairfax his best friend's wife Mary Higgins Clark describes the Washington marriage as one full of tenderness and passion as a bond between two people who shared their lives even the bitter hardship of a winter in Valley Forge in every way. In this author's skilled hands the history the love and the man come fully and dramatically alive.

Mount Vernon Love Story Mary Higgins Clark, 2002 **Mount Vernon Love Story** Mary Higgins Clark, 1968
Charming insightful and immensely entertaining in its unique presentation of one of America's legendary figures this first novel by Mary Higgins Clark originally published as *Aspire to the Heavens* shows the reader the man behind the legend a man of flesh blood and passion. *100 Facts about Mount Vernon Love Story* Austin Corning, 2013-03 In this book we have hand-picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of *Mount Vernon Love Story A Novel of George and Martha Washington*. Don't say we didn't warn you these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy. Don't buy this book if 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all. **Sex and the Founding Fathers** Thomas A. Foster, 2014-01-17 Biographers, journalists and satirists have long used the subject of sex to define the masculine character and political authority of America's Founding Fathers. Tracing these commentaries on the Revolutionary Era's major political figures in *Sex and the Founding Fathers* Thomas Foster shows how continual attempts to reveal the true character of these men instead exposes much more about Americans and American culture than about the Founders themselves. *Sex and the Founding Fathers* examines the remarkable and varied assessments of the intimate lives of George Washington Thomas Jefferson John Adams Benjamin Franklin Alexander Hamilton and Gouverneur Morris from their own time to ours. Interpretations can change radically consider how Jefferson has been variously idealized as a chaste widower condemned as a child molester and recently celebrated as a multicultural hero. Foster considers the public and private images of these generally romanticized leaders to show how each generation uses them to reshape and reinforce American civic and national identity. **Mary Higgins Clark** Linda De Roche, 2011-03-21 This incisive exploration probes the relationship between the novels of bestselling author Mary Higgins Clark and the key events and influences of her life. In her 2002 memoir *Kitchen Privileges* Mary Higgins Clark shared the details of her life with her readers but she offered little significant reflection on those details. For that readers must look to her fiction where her themes characters and subjects suggest her responses to her life experiences. Mary Higgins Clark

Life and Letters provides readers with an analysis of these connections in a volume that should increase their understanding and appreciation of the author and her work Focusing on subjects associated with the literary elements of representative Clark novels Linda De Roche explores the relationship between the life of this bestselling author and the books that have won her legions of fans for more than a quarter century Themes and issues woven into Clark s fiction such as the role of the past in people s lives repercussions of violence and the concept of identity are considered while close critical readings uncover psychological feminist and sociopolitical interpretations that will delight fans and inform scholars *Encyclopedia of American Popular Fiction* Geoff Hamilton,Brian Jones,2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides Encyclopedia of the American Novel Abby H.
