Most Solitary Of Afflictions Madness And Society In Britain 1700 1900:

The Most Solitary of Afflictions Andrew Scull,1993-01-01 Andrew Scull studies the evolution of the treatment of lunacy in England tracing transformations in social practices beliefs the development of institutional management of the mad exposing the contrasts between the expectations of asylum founders the harsh realities of institutional life Originally published 1993

Insanity, Institutions and Society, 1800-1914 Bill Forsythe,Joseph Melling,2013-01-11 This comprehensive collection provides a fascinating summary of the debates on the growth of institutional care during the nineteenth and twentieth centuries Revising and revisiting Foucault it looks at the significance of ethnicity race and gender as well as the impact of political and cultural factors throughout Britain and in a colonial context It questions historically what it means to be mad and how if at all to care

Madness in Seventeenth-Century Autobiography K. Hodgkin,2006-11-28 What did it mean to be mad in seventeenth century England This book uses vivid autobiographical accounts of mental disorder to explore the ways madness was identified and experienced from the inside asking how certain people came to be defined as insane and what we can learn from the accounts they wrote

Revolution Peter Ackroyd,2016-09-22 Revolution the fourth volume of Peter Ackroyd s enthralling History of England begins in 1688 with a revolution and ends in 1815 with a famous victory In it Ackroyd takes readers from William of Orange s accession following the Glorious Revolution to the Regency when the flamboyant Prince of Wales ruled in the stead of his mad father George III and England was again at war with France a war that would end with the defeat of Napoleon at Waterloo Late Stuart and Georgian England marked the creation of the great pillars of the English state The Bank of England was founded as was the stock exchange the Church of England was fully established as the guardian of the spiritual life of the nation and parliament became the sovereign body of the nation with responsibilities and duties far beyond those of the monarch It was a revolutionary era in English letters too a time in which newspapers first flourished and the English novel was born It was an era in which coffee houses and playhouses boomed gin flowed freely and in which shops as we know them today began to proliferate in our towns and villages But it was also a time of extraordinary and unprecedented technological innovation which saw England utterly and irrevocably transformed from a country of blue skies and farmland to one of soot and steel and coal

Mental Health and Canadian Society James E. Moran,David Wright,2006-08-14 In Mental Health and Canadian Society leading researchers challenge generalisations about the mentally ill and the history of mental health in Canada Considering the period from colonialism to the present they examine such issues as the rise of the insanity plea the Victorian asylum as a tourist attraction the treatment of First Nations people in western mental hospitals and post World War II psychiatric research into LSD

A history of disability in England Simon Jarrett,2023-12-01 Throughout history numerous individuals with disabilities have had to pit themselves against huge obstacles placed in their way because of the type of person they were born as the type of person they became through accident illness or circumstances or the type of person they have been perceived as This book tells the story of how disabled

people have done this how they have seen themselves how they have been perceived and treated by others and how they have influenced society People with disabilities have always been a part of English society and this concise thousand year history ranges from the surprisingly integrated communities of the medieval and early modern periods to the institutionalisation of the 19th and 20th centuries Sometimes the history of disability is described as a hidden history This book argues that it is no such thing The history of people with disabilities is often in front of our eyes yet we frequently choose to ignore it or simply do not see it Accounts of daily life events art literature family histories and political debate have always featured people with disabilities who are there for all to see but too often observers particularly non disabled observers gaze straight past them

Private Madhouses in England, 1640-1815 Leonard Smith, 2020-06-18 This book examines the origins and early development of private mental health care in England showing that the current spectacle of commercially based participation in key elements of service provision is no new phenomenon In 1815 about seventy per cent of people institutionalised because of insanity were being kept in private madhouses The opening four chapters detail the emergence of these madhouses and demonstrate their increasing presence in London and across the country during the long eighteenth century Subsequent chapters deal with specific aspects in greater depth the insane patients themselves their characteristics and the circumstances surrounding admissions the madhouse proprietors their business activities personal attributes and professional qualifications or lack of them changing treatment practices and the principles that informed them Finally the book explores conditions within the madhouses which ranged from the relatively enlightened to the seriously defective and reveals the experiences concerns and protests of their many critics

The Evolution of the British Welfare State Derek Fraser, 2017-09-15 An established introductory textbook that provides students with a full overview of British social policy and social ideas since the late 18th century Derek Fraser s authoritative account is the essential starting point for anyone learning about how and why Britain created the first Welfare State and its development into the 21st century This is an ideal core text for dedicated modules on the history of British social policy or the British welfare state or a supplementary text for broader modules on modern British history or British political history which may be offered at all levels of an undergraduate history politics or sociology degree In addition it is a crucial resource for students who may be studying the history of the British welfare state for the first time as part of a taught postgraduate degree in British history politics or social policy New to this Edition Revised and updated throughout in light of the latest research and historiographical debates Brings the story right up to the present day now including discussion of the Coalition and Theresa May s early Prime Ministership Features a new overview conclusion identifying key issues in modern British social history

Imperial Island Paul Kléber Monod, 2009-03-30 *Imperial Island* A History of Britain and its Empire 1660 1837 is a comprehensive account of Great Britain s imperial path from the Stuart Restoration of 1660 to its emergence as a dominant global superpower Suitable for students with no prior knowledge of British history Organized to help students and

instructors comprises 21 thematic chapters set within a clear chronological framework Includes over 30 illustrations and maps to help orient the reader Addresses the new generation of American and British students that are interested in global environmental and cultural history

Madness at Home Akihito Suzuki, 2006-03-13 The history of psychiatric institutions and the psychiatric profession is by now familiar asylums multiplied in nineteenth century England and psychiatry established itself as a medical specialty around the same time We are however largely ignorant about madness at home in this key period what were the family's attitudes toward its insane member what were patient's lives like when they remained at home Until now most accounts have suggested that the family and community gradually abdicated responsibility for taking care of mentally ill members to the doctors who ran the asylums However this provocatively argued study painting a fascinating picture of how families viewed and managed madness suggests that the family actually played a critical role in caring for the insane and in the development of psychiatry itself Akihito Suzuki's richly detailed social history includes several fascinating case histories looks closely at little studied source material including press reports of formal legal declarations of insanity or Commissions of Lunacy and also provides an illuminating historical perspective on our own day and age when the mentally ill are mainly treated in home and community

Memory, Anniversaries and Mental Health in International Historical Perspective Rebecca Wynter, Jennifer Wallis, Rob Ellis, 2023-07-19 This book is the first to explore memory misremembering forgetting and anniversaries in the history of psychiatry and mental health It challenges simplistic representations of the callous nature of mental health care in the past while at the same time eschewing a celebratory and uncritical marking of anniversaries and individuals Asking critical questions of the early Whiggish histories of mental health care the book problematizes the idea of a shared professional and institutional history and the abiding faith placed in the reform of medicine administration and even patients It contends that much post 1800 legislation drafted to ensure reform acted to preserve beliefs about the bad old days and a brighter future in the state memories of imperial powers which in turn exported these notions around the world Conversely the collection demonstrates the variety of remembering and forgetting building on recent interest in the ideological and cultural linkages between past and present in international psychiatric practice In this way it seeks to trace the pathways of memory exploring the direction of travel and the perpetuation remodeling and uprooting of recollection Chapter The New Socialist Citizen and Forgetting Authoritarianism Psychiatry Psychoanalysis and Revolution in Socialist Yugoslavia is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com

Disability and Social Policy in Britain since 1750 Anne Borsay, 2004-11-17 This approachable study explores experiences of physical and mental impairment in Britain since the Industrial Revolution Using literary visual and oral sources to complement documentary evidence Anne Borsay pays particular attention to the testimonies of disabled people Disability and Social Policy in Britain since 1750 Places disability policies within their historical context examines citizenship and social exclusion from a historical perspective Sketches the

key characteristics of modern industrial societies Focuses on the shifting mixed economy of welfare the development of social rights and the construction of identity Assesses institutional living in workhouses hospitals asylums and schools Appraises community living with reference to employment financial relief and community care Reviews social policies post 1979 Borsay argues that disabled people were excluded from the full rights of citizenship because they were marginal to the labour market and suggests that history may play a role in raising personal and political consciousness Containing illustrations and clearly structured this book is an ideal guide for all those with an interest in the history of disability and social policies

'This Rash Act' Victor Bailey, 1998 What made some 700 men and women in the Yorkshire town of Kingston upon Hull in the years 1837 to 1900 take their lives This book attempts to answer this question and also to study how suicide was understood by victims families and friends how the causes of suicide changed over time and what coroners inquests can tell us about Victorian life beliefs and values in general Mental Illness and Learning Disability since 1850 Pamela Dale, Joseph Melling, 2006-04-18 Taking forward the debate on the role and power of institutions for treating and incarcerating the insane this volume challenges recent scholarship and focuses on a wide range of factors impacting on the care and confinement of the insane since 1850 including such things as the community Poor Law authorities local government and the voluntary sector Questioning the notion that institutions were generally benign and responsive to the needs of households this work also emphasizes the important role of the diversity of interests in shaping institutional facilities A fresh stimulating step forward in the history of institutional care Mental Illness and Learning Disability since 1850 is undoubtedly an important resource for student and scholar alike Mothers, Criminal Insanity and the Asylum in Victorian England Alison C. Pedley, 2023-07-13 Tracing the experiences of women who were designated insane by judicial processes from 1850 to 1900 this book considers the ideas and purposes of incarceration in three dedicated facilities Bethlem Fisherton House and Broadmoor The majority of these patients had murdered or attempted to murder their own children but were not necessarily condemned as incurably evil by medical and legal authorities nor by general society Alison C Pedley explores how insanity gave the Victorians an acceptable explanation for these dreadful crimes and as a result how admission to a dedicated asylum was viewed as the safest and most human solution for the madwomen as well as for society as a whole Mothers Criminal Insanity and the Asylum in Victorian England considers the experiences treatments and regimes women underwent in an attempt to redeem and rehabilitate them and return them to into a patriarchal society It shows how society's views of the institutions and insanity were not necessarily negative or coloured by fear and revulsion and highlights the changes in attitudes to female criminal lunacy in the second half of the 19th century Through extensive and detailed research into the three asylums archives and in legal governmental press and genealogical records this book sheds new light on the views of the patients themselves and contributes to the historiography of Victorian criminal lunatic asylums conceptualising them as places of recovery rehabilitation and restitution **The Insanity of Place / The Place of Insanity** Andrew

Scull,2006-04-18 This compelling book brings together many of the major papers published by Andrew Scull in the history of psychiatry over the past decade and a half Examining some of the major substantive debates in the field from the eighteenth century to the present the historiographic essays provide a critical perspective on such major figures as Michel Foucault Roy Porter and Edward Shorter Chapters on psychiatric therapeutics and on the shifting social responses to madness over a period of almost three centuries add to a comprehensive assessment of Anglo American confrontations with madness in this period and make the book invaluable for those concerned to understand the psychiatric enterprise The Insanity of Place The Place of Insanity will be of interest to students and professionals of the history of medicine and of psychiatry as well as sociologists concerned with deviance and social control the sociology of mental illness and the sociology of the professions

Lunatic Hospitals in Georgian England, 1750-1830 Leonard Smith,2013-10-18 Lunatic Hospitals in Georgian England 1750 1830 constitutes the first comprehensive study of the philanthropic asylum system in Georgian England Using original research and drawing upon a wide range of expertise on the history of mental health this book demonstrates the crucial role of the lunatic hospitals in the early development of a national system of psychiatric institutions These hospitals were to form an essential historical link in the emergence of a national system of institutional provision for mentally disordered people They provided important prototypes for the subsequent development of a network of state sponsored lunatic asylums during the nineteenth century This is an impressive volume which covers various areas including the provincial lunatic hospitals managing the hospital managing the insane This book will interest specialist historians as well as mental health professionals and people interested in local and regional studies **The Certification of Insanity** Filippo

Maria Sposini,2023-11-30 This book represents the first systematic study of the certification of lunacy in the British Empire Considering a variety of legal archival and published sources it traces the origins and dissemination of a peculiar method for determining mental unsoundness defined as the Victorian system Shaped by the dynamics surrounding the clandestine committal of wealthy Londoners in private madhouses this system featured three distinctive tenets standardized forms independent medical examinations and written facts of insanity Despite their complexity Victorian certificates achieved a remarkable success Not only did they survive in the UK for more than a century but they also served as a model for the development of mental health laws around the world By the start of the Second World War more than seventy colonial and non colonial jurisdictions adopted the Victorian formula for making lunacy official with some countries still relying on it to this very day Using case studies from Europe the Americas and the Pacific this book charts the temporal and geographical trajectory of an imperial technology used to determine a person s destiny Shifting the focus from metropolitan policies to colonial dynamics and from macro developments to micro histories it explores the perspectives of families doctors and public officials as they began to deal with the delicate business of certification This book will be of interest to scholars working on mental health policy the history of medicine disability studies and the British Empire **The Early Public Lunatic**

Institutions of England Part I Robert J. Wycherley, 2017-12-20 In the published literature of madness and its institutional management the earliest English institutions for the mad have tended to be treated as part of a bad old days from which progress has been painfully made to modern knowledge and humanitarian treatment of mental illness This book takes issue with this simplistic account and re examines these early institutions using their own records It suggests that the institutional governors while somewhat distanced from day to day institutional management were relatively well intentioned and that the institutions were far more complex in their organisation and functioning than has previously been reported Disorder Contained Catherine Cox, Hilary Marland, 2022-03-10 The first historical study to offer an in depth exploration of the complex relationship between the prison and mental breakdown
