Mostly Mittens Ethnic Knitting Designs From Russia

Robin Hansen

Mostly Mittens Ethnic Knitting Designs From Russia:

Mostly Mittens Charlene Schurch, 2009-11-17 Developed by Russia's Komi people these patterns were originally passed down visually from knit pieces so they're easy to understand and knit. They only look complex. This updated version of Charlene Schurch's previous collection includes her original designs plus new versions of several mittens. Mittens are knit in the round and include a thumb gore for excellent fit. Collection features patterns for 35 pairs of mittens plus four traditional hats. Projects use stranded color work and include easy to follow color coded charts. *Mostly Mittens* Charlene Schurch, 1998 An exploration of the rich knitting traditions of the Komi people, an ethnic minority living in the northeast of European Russia. Here are complete instructions for 36 mittens, two socks, and two hats accompanied by necessary charts and patterns, 70 color photos, 15 b/w illustrations. **Gloves** Ida Tomshinsky, 2011-12-13 No outfit is complete without accessories. Trinity of hats, scarves, and gloves is a common ensemble that is used as modern fashion accessory by both men and women. It was a necessity to protect hands from gusty winds and keep them warm during cold weather winters. The historic evolution and democratization development of gloves had an exotic trip with detours aplenty throughout the centuries. Gloves in fashion were an exclusive enterprise, a pursuit of the wealthy. Therefore the use of materials, the length, and fabrication evolved from made at home into real industry. Eventually an array of hand wear of different styles and colors became available for masses. In the intervening time, Europe countries were the ones that planted the seeds that would define fashion culture: chic and elegance for decades to come. Today whatever its seasonal vagaries, gloves and mittens as fashion accessories have been a reflection of society as an industry often stirring provocative debate: Is it art or craft? Who would wear elbow long opera gloves? Is couture dead? Is department store obsolete? The answers are in the gloves themselves in their history and present. **Sock Club** Charlene Schurch, Beth Parrott, 2010-01-19 Charlene Schurch and Beth Parrott invite knitters to stay close knit using patterns from sock clubs everywhere. In today's knitting community, socks are hot; they're small, inexpensive, quick to finish, and completely portable. With this collection of 23 patterns, knitters of all skill levels will find something to tickle them down to their sock-covered toes. Discover unique patterns from local and Internet yarn stores as well as indie dyers and designers. Learn techniques including top-down and toe-up knitting, various heel construction methods, cable and lace patterning, embellishing, and customizing sock sizing. Enjoy a sense of connection and camaraderie with others in the knitting world. Knitting Around the World Lela Nargi, 2011-10-24 Here is the history of knitting around the globe, examining styles, techniques, and particular styles, countries, and regions including England, Ireland, Scotland, Norway, Sweden, Finland, Estonia, Latvia, Iceland, Japan, Australia, Canada, United States, Peru, Bolivia, and more. Highlighted are 20 profiles of historically significant knitters who are using particular techniques today, plus 20 patterns that exemplify knitting traditions from around the world. **Knitting Marvelous Mittens** Charlene Schurch, 2001 Why mittens? They're small, the materials are affordable, you can complete a pair quickly, and they're fun to wear at any age. If you've ever knitted, you know the

satisfaction that comes with creating both pattern and shape at the same time Ethnic knitting is one way to expand your design repertoire while touching on the past and each of these 42 brightly colored patterns is based on the rich knitting tradition of Russia's Komi people At first glance they may seem complex but look again and you'll see the clever sophisticated use of simple symmetry to build these bold geometric patterns Included are complete instructions and charts for 36 mittens two socks and two hats 8 1 2 X 10 All in Color  **2014**  **No.161** ,2014-02-05 18 *The Library Journal* ,1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 **Library Journal** ,1999 **Piecework** ,1995 **Latvian Mittens** Lizbeth Uptis,Patricia Katsura Rollins,1981 *Knit Like a Latvian* Ieva Ozolina,2021-05-25 Create wrist warmers fingerless gloves and mittens in fifty beautiful Latvian designs Discover the magical story of Latvian mittens and learn to knit fifty designs based on traditional patterns in this colorful collection by Latvian knitter Ieva Ozolina Learn the stranded colorwork technique and the basic mitten recipe needed to knit like a Latvian Choose from fifty beautiful designs each presented with a chart Get started with simple wrist warmers and fingerless gloves and progress to full mittens as your confidence grows *Favorite Mittens* Robin Hansen,2006-02-24 Robin Hansen can justifiably claim to be the person who started the groundswell of interest in roots knitting patterns for mittens When Fox Geese Fences A Collection of Traditional Maine Mittens was published a generation ago it was an instant success and nary a knitter above the age of thirty has not heard of it It was followed by a second equally inspiring collection Flying Geese Partridge Feet More Mittens from Up North Down East Favorite Mittens is a compilation of some of the most popular traditional designs from Robin's groundbreaking first two books presenting these tried and true patterns in a new format with step by step directions revised and updated for ease of knitting thanks to the helpful feedback Robin has gotten from the knitters who flock to her workshops all around the country *Latvian Mittens* Lizbeth Uptis,1997 A pattern book that shows the knitting techniques and tells the history of traditional Latvian mitten designs Full text in English and Latvian *Mittens of Latvia: 178 Traditional Designs to Knit* ,2015 *Folk Mittens* Marcia Lewandowski,2013-02-25 Offering mitten patterns from around the world this introduction to folk knitting is followed by a generous section on the techniques of knitting mittens Among topics covered are gauge wool selection including techniques for washing and felting wool casting on plait edging ribbed and unribbed cuffs and a long section on the ever elusive thumb Also detailed are techniques for hand knit mitten cords finishing and sizing *The Big Book of Latvian Mittens* Ieva Ozolina,2024-08-06 This is the ultimate collection of knitting patterns for colourful Latvian mittens featuring 100 knitting patterns and charts Author Ieva Ozolina has designed 33 new patterns for traditional Latvian mittens and gloves This collection of stranded colourwork knitting patterns features these all new designs with additional patterns that were previously published in her books Knit Like a Latvian and Knit Like a Latvian Accessories in order to create this bumper

edition of knitting patterns Traditionally knitting in Latvia has been very important with children being taught how to knit from an early age at school Brides were expected to gift hand knitted mittens to guests at their wedding and the designs and colours used in Latvian mitten knitting are steeped in tradition and folk lore The traditional pointed design of Latvian mittens is very distinctive along with the beautiful Latvian braid which is often featured in Latvian knitting designs particularly around the cuff of mittens The collection features 100 different patterns with large colour charts for each design so you can easily follow even the most elaborate patterns There are instructions for the basic mitten glove and fingerless glove patterns as well as step by step instructions and artworks for techniques such as forming the thumb Latvian braids and other cuff finishing techniques including fringing and notches All of the designs are made using stranded colourwork techniques and the same tools and materials 2 ply 100% wool and double pointed needles so it s perfect for using up scraps of colourful yarn you have in your stash This bumper collection of Latvian mittens gloves fingerless mittens and more will be the perfect reference for mitten knitters providing inspiration and support so you can create beautiful gifts for friends and family

Lost and Found Mittens Robin Hansen,2003-07-01 In her exciting new knitting book Lost and Found Mittens Robin Hansen presents a wonderful variety of mitten patterns for knitters of all skill levels from Thumbies Plain and Simple to Lithuanian Ridgy Mittens to Kennebunk Woolly Bear Mittens She includes detailed instructions patterns and color photos of finished projects This welcome addition to any knitter s collection even includes information on adding details such as buttons ties and cords to mittens as well as directions on washing and storing wool mittens Last but not least yarn suppliers and knitting resources are listed

[Fox and Geese and Fences](#) Robin Hansen,1983 Only a few knitters in Maine still use the traditional patterns of their great grandmothers Fortunately Robin Hansen has searched out these talented craftspeople and has reconstructed lost patterns from surviving examples Her popular book includes 11 designs in sizes for infants children and adults
