Mothering Through The Darkness Women Open Up About The Postpartum Experience:

Mothering Through the Darkness Stephanie Sprenger, Jessica Smock, 2015-11-03 Approximately 1 in 7 women suffer from postpartum depression after having a baby Many more may experience depression during pregnancy postpartum anxiety OCD and other mood disorders Postpartum depression is in fact the most common pregnancy related complication yet confusion and misinformation about this disorder are still widespread And these aren't harmless myths the lack of clarity surrounding mothers mental health challenges can have devastating effects on their well being and their identities as mothers which too often leads to shame and inadequate treatment In this one of a kind anthology thirty mothers break the silence to dispel myths about postpartum mental health issues and explore the diversity of women's experiences Powerful and inspiring Mothering Through the Darkness will comfort every mother who's ever felt alone ashamed and hopeless and hopefully inspire her to speak out

Second Chance Thais Nye Derich, 2025-07-30 On the joyful day of her son's birth Thais Derich never questioned going to the hospital A week later she walked out physically spiritually and emotionally injured and fully disabused of the idea that the medical field would ever put her best interests before protocol money and legal concerns The next three years of her life were spent recovering from that day and preparing herself to do things her way when she became pregnant again And then she did get pregnant again and that resolve was put to the test A universal story about betrayal and trust and the roller coaster ride in between Second Chance illuminates the many ways in which our healthcare system is broken when it comes to helping women give birth and gives a voice to all the mothers who have walked away from their delivery experiences wondering what the hell just happened

Maternal Ambivalence Margo Lowy PhD, 2025-03-25 Picture yourself as a young mother with a three year old daughter and a newborn at the playground In the moment you ve turned to the diaper bag your toddler disappears at first all you can feel is terror and then instinctively you look up and there she is at the top of the slide looking so proud of herself At this moment you might find yourself deluged with conflicting feelings including anger and relief and resentment and gratitude and fear and even flashes of hate you told her to wait for you before running off You re overwhelmed by these colliding feelings including the waves of guilt and self blame you feel for all the fuss when everything has turned out just fine This is the experience of maternal ambivalence In *Maternal Ambivalence* Dr Margo Lowy explores the complex emotional landscape of mothering and the taboo issue of maternal ambivalence arguing that it s actually these darker feelings that most powerfully fuel our love for our children in fact they are the key to being a mother Confronting the many moods of motherhood using them to understand ourselves and our children better and learning the language of ambivalence

strengthens our love and leads to its own reward maternal wisdom Throughout her narrative Dr Lowy offers case studies from her professional practice cultural examples from classic and contemporary literature and film and anecdotes from her own experience of mothering children born over three separate decades Maternal Ambivalence both overturns the long held secretive misunderstandings of mothering and reshapes the maternal language of love and self acceptance with a transformative invaluable new point of view

Big Dreams Donna Brazzi Barnes,2025-07-30 Growing up in the 50s in what was then the small town of Napa California Donna Brazzi had loving parents a backyard the size of a football field with a swing and a big wooden picnic table perfect for summer barbecues a cocker spaniel named Patty and a cat named Stinky everything a kid could want She was a happy child But as she grew older and started to reach for more than a young woman from a working class Swiss Italian family was expected to want a university education and a career in the larger world beyond her hometown she began to see that if she was going to realize her big dreams she was going to have to fight for them Big Dreams is Donna s story of pursuing her education goals while confronting society s assumptions about women s roles in work marriage and motherhood from the 1950s through the mid 2000s helped along by the evolving social movements for equality Her journey from obedient daughter to minister s wife to PhD in sociology was never a smooth one but ultimately with passion and persistence she broke free of the family and cultural assumptions constraining her forged her own identity and shaped the life she wanted

The Self-Care Solution Julie Burton,2025-07-30 Combining the thoughtful and expert narrative of a veteran mom of four children with the voices of hundreds of moms she surveyed The Self Care Solution offers insightful answers to poignant questions about how mothers take care of themselves their relationships and their jobs while raising their children and how they don t Here mothers reveal their struggles with self care and the consequences of neglecting themselves and their relationships and share successful strategies to combat these issues Each chapter also includes reflective self assessment questions for mothers to gauge where they are from a self care standpoint as well as lists of tried and true tools they can employ to achieve more balance and ultimately more satisfaction within themselves and in their relationships Inspirational yet practical The Self Care Solution will dramatically impact women who are navigating the critical responsibility of motherhood while attempting to stay true to themselves

All In Her Head Sunny Mera,2025-07-30 As a young girl growing up in the Midwest Sunny experiences the shame and stigma of scandal when her father is banned from their church for having an affair with the pastor s best friend s wife As Sunny grows older she begins to build the life she s always wanted she marries buys a house enrolls in graduate school and soon has a baby on the way But when she experiences the psychological phenomena of orgasmic labor it triggers a chain of bizarre events and she gradually descends into a world of delusion and paranoia As Sunny struggles to separate the real from the unreal she relies upon friends and family to ground her in truth and love and keep her from going over the edge into madness
