Otherland: Mountain of Black Glass Tad Williams, 2000-09-01 The third book in New York Times bestselling author Tad Williams's cyberpunk fantasy series Tad Williams is the brightest and best of the fantasists Neil Gaiman author of American Gods The Grail Brotherhood has built the most powerful sophisticated simulation network imaginable At the same time they have manipulated and injured the minds of thousands of children This proclamation from the mysterious Mr Sellars confirmed what Renie Sulaweyo had feared to be true when she first broke into the Otherland network in a desperate search for the cause of her brother Stephen's deathlike coma Now Renie the Bushman Xabbu and their companions find themselves navigating a treacherous and ever changing course from a strangely unfinished land to a seemingly endless labyrinthine House pursuing a sociopathic killer who has stolen one of their group To Renie's despair she is no closer to uncovering the secrets which could help save Stephen's life and now it appears that something may be very wrong with the Otherland network itself As Paul Jonas Orlando Renie and the rest strive to reach Priam's Walls in the heart of Troy they know that their quest is running perilously short of time For the Grail Brotherhood has finally set the date for the Ceremony when they will make their bid for the immortality and thereby seal the fate of Earth's children forever But before Renie and her allies can hope to stop the Brotherhood they must first solve the mysteries of Otherland itself and confront its darkest secret an entity known only as the Other

**Otherland: River of Blue Fire** Tad Williams, 1998-07-01 Second book in New York Times bestselling author Tad Williams's cyberpunk fantasy series Tad Williams is the brightest and best of the fantasists Neil Gaiman author of American Gods Otherland In many ways it is humankind's most stunning achievement a private multidimensional universe built over two generations by the greatest minds of the twenty first century But this most exclusive of places is also one of the world's best kept secrets created and

controlled by an organization made up of the world's most powerful and ruthless individuals a private cartel known to those who know of their existence at all as The Grail Brotherhood Though their purpose in creating Otherland is still a mystery it may not remain so for long For they have exacted a terrible price from humanity in the process and even their highly organized global conspiracy cannot hide the nature of their crimes forever And now a small band of adventurers has penetrated the veil of secrecy that prevents the uninitiated from entering Otherland But having broken into the amazing worlds within worlds that make up this universe they are trapped unable to escape back to their own flesh and blood bodies in the real world And as dangers and circumstances split their party into small widely scattered groups their only hope of reuniting lies in returning again and again to the River that flows in one form or another through all the worlds But the odds seem to be completely against them as they and the one outsider with whom they might join forces become hopelessly lost in realms where an Ice Age tribe's fears can only be quenched in blood where insects are as large and deadly as dinosaurs where they are caught in the war between a man made of straw and one made of tin where cartoon ads take on a life of their own where humans strive to survive in the aftermath of an alien invasion and where one among their party is actually The Grail Brotherhood's most terrifying weapon a sociopathic killer who has never failed and whose current mission is to make certain that not even one member of this little invasion force lives long enough to reveal the truth about Otherland to the people of Earth
