### **Nolan Bentley Kathi S Barton:**

Nolan Kathi S. Barton, 2015-12-14 Nolan finally had a practice of his own and soon his brother Burke would be leaving the hospital and joining him. Now if the rest of the family would mind their own business, Nolan would be much happier or not. He was sulking over his dilemma when his nurse told him he had a patient, a hurt kid who wasn't doing much talking. Rylee nearly collapsed with worry when she found out her nephew had been hurt. She wasn't sure if she was cut out to be a parent. She loved her nephew Shane dearly and had taken on his care when her sister died, but how she'd missed the warning signs was beyond her. He was being bullied at school daily and she knew nothing about it until he'd been cut with a knife. I didn't know. Her entire body sagged at her confession. He said he had it handled. And I thought he did. It's my fault he's beaten up like this. I should have. I'm not any good at this parenting thing. Nolan reached for her just as Shane moved on the bed. He wasn't sure what the kid could do, banged up the way that he was, but as soon as Nolan touched her, he knew what she was to him. Her body warm and strong, leaned into his, even as he buried his nose into her neck. Christ, his body screamed at him. She was his. Licking her throat, tasting her, he could hear her moan, but when his head was jerked up by his hair, all he could do was stare at her.

**Burke** Kathi S. Barton, 2016-05-30 Burke Bentley's decision to quit the hospital and go into practice with his brother was the best decision he'd ever made. With the daily pressures gone, he could do what he loved to do most, be a doctor. Piper Cordale, Pip to her friends, just wanted to bust her friend out and go. She didn't handle people well and needed to be on her way, but fate had other things in store for her. Her friend's gorgeous doctor, Burke, insisted that he was her mate. Pip didn't have a mate nor did she want one. The chore of breathing in and out was hard enough. But when she saw Burke's nephew, Shane, sitting all alone, she reached out to him and they formed an instant bond. She was fae and told the boy if he ever needed her, all he needed to do was call out and she'd be there. When the unthinkable happens and Shane and his brother, Walter, are targeted by a madman, can Pip reach his side fast enough? Is she strong enough to save them both? The Bentleys must band together like never before to protect their young and pray that it's enough. Joseph Kathi S.

Barton, 2015-07-24 Christiana McKenzie. Chris to her friends was at her wit's end. She and her sister, Angel, were born witches. Their mother had warned them that using their powers would bring on another witch hunt and they'd risk being burned just like their ancestors. Her sister didn't heed their mother's warning and now Angel was dead. Angel had lived long enough to tell Chris that she'd left something for her with a man by the name of Bentley. Then she died. Chris had to track down this Bentley, no matter the cost. Joseph Bentley almost had everything finished: the house, the barn, everything. In a few weeks it would be finished and he would be able to move into the house and get the ranch going. But the progress wasn't going fast enough to suit him. He was lonely. Micah had come out to tell him that the sister of the girl that died to protect him was coming to see him and he was hoping that the nightmares since the incident would stop. Micah wanted him to come out to the main house and be there when she arrived. But the limo delivered the woman to Joey's house instead of Micah's. Joey couldn't

believe it the hostile woman was his mate and more than he could have ever hoped for Whether or not Chris wanted a mate or not was irrelevant Joey wasn't letting her out of his sight And when she found out that her mother had lied to her she wasn't an ordinary witch and that others would come to try to possess her If they couldn't do that then they would kill her to possess her powers she needed help The Bentleys band together to save one of their own but will it be enough Can they even fight the powerful magic that's targeting Chris and Joey      Micah Kathi S. Barton,2015-03-13 Micah Bentley is a third generation cop and a panther He always wanted to be a homicide detective like his dad but kept getting passed up for the job because he was too good at what he currently did working the beat Micah has a gift he can read people's minds Such a gift could be a help and a hindrance on a job He could pluck the information he needs right out of someone's mind but knowing they're guilty and proving it are two different things But when his dad is killed off duty it has him rethinking his career choice Regina Webster Reggie to her friends is just trying to make ends meet by working three jobs to keep her head above water and also take care of her invalid brother She doesn't have time for socializing with bossy men like Micah Bentley who butt into her life making everything concerning her his business She doesn't know anything about this mate thing he keeps spouting off about she just wants him to leave her alone Due to a random act of violence she finds herself suddenly homeless no home no money no car and suffering from a gunshot wound to boot Reggie has no choice but to accept a helping hand from the Bentleys at least until she can get back on her feet Trouble has Reggie marked and this time they take Micah's mom too Micah knows they're in trouble but when the bad guys don't go where they're expected it's a race against the clock
