

Did you know that Brazil is the largest country in South America? It takes up nearly half of the land on the **continent**. It is also the fifth largest **nation** in the world because of its **area** and population (the number of people living there). It is located on the eastern side of South America with a coastline running along the Atlantic Ocean. It really is an interesting country with **diverse** people and beautiful **landscapes**. What a lovely place for a holiday!

Capital City: Brasilia

Population: Over 180 million people

Main Language Spoken: Portuguese

Currency: Real

Size (area): Over 8.5 million square kilometres

Major Cities: Sao Paulo, Rio de Janeiro and Salvador

People and Culture

The people of Brazil come from a wide range of different backgrounds and cultures. This mixture of people has led to the country being rich in different religions, music, food and **traditions**.

Brazilians also love sport. They are football crazy and their country has produced some of the most successful players in the world, including Pele! Brazil has won the FIFA World Cup finals a record five times, which is more than any other country in the world.

Non Chronological Reports Brazil:

Alternative News Reporting in Brazil Claudia Sarmento, 2023-06-23 This book examines the emergence of alternative forms of news reporting in Brazil with a focus on progressive not for profit initiatives In combining different genres of non commercial journalism this study allows us to better understand the potential of alternative news producers in times of continuing technological shifts and their efforts to diversify the news production Sarmento explores a range of significant questions including what does it mean to practice alternative journalism To what extent do non mainstream practices subvert the taxonomy of news values Do alternative journalists adhere to or reject journalism s core values And more specifically as more and more journalists or media producers are collecting disseminating and interpreting news without being employed by large media groups what insights can they provide in relation to the economics of digital journalism Using the turbulent political landscape of Brazil as a case study Sarmento asks us to reflect on what the erosion of traditional journalism really means The resulting conclusions will be of value to all those who study or practice journalism around the world in addition to media researchers and activists

Non-State Actors and Sustainable Development in Brazil Eduardo Gonçalves Gresse, 2022-11-23 This book investigates how non state actors have become key drivers of the diffusion of the UN 2030 Agenda for Sustainable Development in Brazil The UN ranks Brazil as the most biodiverse country in the world but the country s environment has never been under greater threat with the rise of multiple crises bringing mounting challenges to socioeconomic development and environmental protection As state support has fallen away non state actors have actively engaged and eventually mobilized other social actors towards the promotion of the SDGs and the implementation of the UN agenda This book asks why it is that non state actors have dedicated so much time effort and resources to promote a non binding agenda that was ratified by and is mainly assigned to state actors Looking at the roles of academia civil society and the private sector the book explores the different ways in which these social actors make sense of and translate the 2030 Agenda into practice within their respective local contexts Drawing on extensive fieldwork this book sheds light on a series of challenges opportunities and contradictions within the global agenda and its implementation Assessing what the Brazil case can teach us about the diffusion of the 2030 Agenda and the SDGs more broadly this book will be of interest to academics in the field of Sustainable Development Latin America Studies and Environmental Politics as well as sustainable development researchers and policy makers

Portuguese Jews and New Christians in Colonial Brazil, 1500-1822 Alan P. Marcus, 2024-11-15 The diaspora of Portuguese Jews and New Christians known as *Gente da Nação* People of the Nation is considered the largest European diaspora of the early modern period Portuguese Jews not only founded the first congregations and synagogues in Brazil Recife and Olinda but when they left Brazil they played an imperative role in establishing the first Jewish communities in Suriname throughout the Caribbean and in North America Portuguese Jews and New Christians and their descendants were deeply involved in the colonial enterprise in Brazil They were among the New World's first sugarcane industry experts skilled laborers merchants rabbis calligraphists playwrights poets writers pharmacists medical doctors real estate brokers and geographers a fact that remains largely unknown in most public and academic spheres Drawing on nearly twenty thousand digitized dossiers of the Portuguese Inquisition this volume offers a comprehensive critical overview informed by both relatively inaccessible secondary sources and a significant body of primary sources

Brazil as a Rising Power Kai Michael Kenkel, Philip Cunliffe, 2016-01-08 This book examines the normative tensions inherent in upward mobility within the international system focusing particularly on the clash between sovereign self interest and the putatively universal norms associated with international interventions It provides extensive detail and

deep analysis of Brazil's nature as a rising power and that nature's implications for how the country crafts its international profile on issues such as intervention. In addition, the book proposes innovative ways of re-organising thematic conceptual and empirical research on the normative behaviour of emergent powers with regard to institutions of global governance and questions of intervention. In analysing what distinguishes Brazil as a rising power, the contributors begin from the assumption that participation in intervention is an increasingly crucial element in demonstrating the capacity and responsibility for which demand accrues as a state seeks increased international profile. As such, the debates around intervention serve as an indicative locus for examining the clash of norms that accompanies emergence as a global player. The book's approach is to organise the analysis around thematic rather than chronological or praxis-based lines, using the Brazilian case as an illustrative example capable of extrapolation to other emerging powers such as Turkey, India and others. This work draws together rich empirical detail with sophisticated and varied conceptual analysis and will be of interest to scholars of international relations, Latin American politics and global governance.

Non-Western Approaches in Environmental Humanities Gabriela Jarzębowska, Aleksandra Ross, Krzysztof Skonieczny, 2025-08-11. This volume critically interrogates non-Western frameworks within environmental humanities seeking to challenge and deconstruct dominant Western paradigms. Through a range of interdisciplinary contributions, the book explores alternative epistemologies including Indigenous, postcolonial and regional perspectives from Eastern Europe, Latin America and the Global South. It addresses the intricate relations between humans and the environment, emphasizing localized knowledge systems and ecological philosophies. By engaging with diverse cultural, historical and geographical contexts, the work aims to decolonize environmental discourse and advance more inclusive, pluralistic theoretical approaches to global ecological challenges.

Primary Education Voices Matt Roberts, 2023-10-27. Over the past two years, the Primary Education Voices podcast has welcomed dozens of inspirational educators with a variety of roles across primary education to share what they are passionate about. This book gives some of these educators the chance to discuss their ideas, research and reflections in a more in-depth manner to help the reader reflect more deeply about their own practice. This publication is a collation of writing of incredible philosophies, resources and ideas from primary practitioners for primary practitioners. Engaging chapters cover a wide range of topics for the contributors of this book, from developing the right ethos and culture in your school or classroom to considering how to make your curriculum more rich and inclusive, to considering how to look after your own well-being and vitality in the role of a primary educator. Within each chapter, you will hear from a number of contributors and be given the space to reflect on what they have shared, along with some thought-provoking questions to prompt you on how to adapt and refine your practice. These ideas and insights will be essential to all who work within the primary sector, including trainees, early career teachers.

and middle and senior leaders as well as all those who support and consult with these individuals who seek to change and improve their practice
