North Cyprus One Man Bus:

North Cyprus Robert Wingfield,2015-12-23 This is the colour photograph version of the set of North Cyprus books There is also a cheaper one with monochrome photographs North Cyprus One Man in a Grey Bus and a pocket guide that really will fit in your pocket especially for keeping with you as you explore for yourself North Cyprus One Man in a Pocket As with all of these 50% of the royalties will go to Kyrenia Animal Rescue for their untiring work keeping the stray animals looked after and safe The thing that struck me most about The Republic of North Cyprus TRNC is that there are few travel guides that tell it like it really is To experience a country on your own gives you freedom but you can potentially miss many sights that you wouldn't normally visit so either go for a guided tour or follow the trail detailed in this book If you go in summer then sitting on a Mediterranean beach is what you are looking for It is probably too hot to explore If you want to choose a place with the best exchange rate you can't do any better than TRNC with food and drink being of high quality and low price However that is not why I visited the country I am interested in the history of the place meeting the people and experiencing the culture Because the British were here for 85 years and left in 1963 the TRNC has a wonderful feel of having been frozen in time Driving on the left side of the road stopping at familiar traffic lights and seeing speed cameras ready to catch the motorist who is concentrating more on driving than slavishly following an arbitrary speed limit all help with that feel Most people speak English too There is a Muslim culture here but the overall feeling is one of relaxed devotion The five daily call to prayer is mostly ignored by the populace I decided on a guided tour Our guide was a lady who has lived in TRNC all her life but travelled widely in the English speaking world so her translations were faultless She was so good that I couldn't even trick her with our quirky phrases such as Know what I mean John and Leave it out We were taken to many of the major sites in the country and given a very good historic background to each all from memory I never saw her with notes I of course took lots writing them up on a handheld device each evening before the wine levels reached eye height and it is these along with a great deal of extra research that are summarised in the book As with all my writing there is an underlying element of humour real life is funny enough if you look at it the right way I have added my own photographs so apologise for the price of this book but this is not greed but the actual cost of printing I hope you enjoy the adventure As always if you do and think it worthy of top marks please submit a review on Amazon The encouragement does wonders for an impoverished writer

North Cyprus - a Diary in Monochrome Robert Wingfield,2016-11-20 50% of the royalties of all my North Cyprus books are being donated To Kyrenia Animal Rescue Before my visit the thing that struck me most about The Republic of North Cyprus TRNC is that there are few travel guides to tell it like it really is To experience a country on your own gives you freedom but you can miss many sights without inside information There is a lot of history in this crossroads of the Med a country only about the same size as Cornwall in the UK The book is partially a diary but includes facts figures history extra research and input from locals to give you the best ideas of what to expect on your visit Because the British were here for 85

years and left in 1963 TRNC has a wonderful feel of having been frozen in time Driving on the left stopping at familiar traffic lights seeking out the old telephone boxes and buses and seeing vintage speed cameras which are switched off if the electricity bill isn't paid on time all help with that feel The exchange rates are still very good with food and drink being of high quality and low price Everyone speaks English too This version North Cyprus One Man in a Grey Bus is identical to the third edition of North Cyprus One Man in a Bus except that the photographs are in monochrome to keep the price down The colour versions of the photographs can be found at www.cantbearsd.co.uk/trnc/page1.html There is also now a short guide North Cyprus One Man in a Pocket that you can use to get around on your own And it really will fit in a pocket It has all the information without my narrative

Into the Fourth Universe Robert Wingfield,2019-08-30 Just when he thought he was dead and could have some time off Tom Two Dan mith sic is catapulted into leading a business in a chaotic world where bureaucracy and process have taken over from all logic and good sense Everything seems to perpetuate an organisational structure but nobody knows what his company actually does Tom's challenge is to find out and track down who is really in charge Add into this multiple attempts on his life as people try to stop him his quest to find true love an investigation into a murder without a victim the first rule of being a private investigator and the impending total collapse of four universes and we have a tangled knot that even Alexander the Great would have trouble cutting Tom has to do something otherwise it will be the end of everything he knows and quite a few bits he doesn't A lusty romp through everything wrong with business and life today Adults only and only those not easily offended and managers everywhere *The Legend of Dan* Robert

Wingfield,2019-04-21 Tom Two Dan mith sic thought his life couldn't get any worse until a gorgeous alien turns up at his door and drags him off on a quest to sort out the company responsible for all the troubles in the galaxy But as is usual with Tom what glitters is nothing more than polished coal His guide has another agenda using him as cannon fodder Taken in by her charms he follows her directions surviving by sheer luck and circumstance only to the very end of Time itself and discovers a confluence of unimaginable universes and an alien plot to take over the lot If that wasn't bad enough Tom has to challenge a super intelligent being created by a brewing accident and a lot of radiation and our man's not even sober by now

Commonwealth Office migrated archive Fighting EOKA is the first full account of the operations of the British security forces on Cyprus in the second half of the 1950s It shows how between 1955 and 1959 these forces tried to defeat the Greek Cypriot paramilitary organisation EOKA which was fighting to bring about enosis that is the union between Cyprus and Greece By tracing the evolving pattern of EOKA violence and the responses of the police the British army the civil administration on the island and the minority Turkish Cypriot community David French explains why the British could contain the military threat posed by EOKA but could not eliminate it The result was that by the spring of 1959 a political stalemate had descended upon Cyprus and none of the contending parties had achieved their full objectives Greek Cypriots had to be content with independence rather than enosis Turkish Cypriots who had hoped to see the island partitioned on ethnic lines were given only a share of power in the government of the new Republic and the British who had hoped to retain sovereignty over the whole of the island were left in control of just two military enclaves **The Lemming Syndrome**

Encounters with a Fat Chemist Chris Payne,2012-05-29 Chris Payne writes a hilarious surreal account of life as a university professor at a dysfunctional university in the Turkish Republic of Northern Cyprus On the beautiful island of Cyprus little works as you expect it to from the primitive plumbing to the maniacal university bus service The American Institute of Cyprus is a seat of higher learning like no other The place is chaotically organised for the students who attend class only if they feel like it They cheat on their exams photocopy textbooks illicitly with university approval and deliberately fail their courses to avoid military service Meanwhile the management spends its time devising all sorts of ingenious money raising scams and schemes to cheat students and teachers alike while the AIC owners business strategy is to sell as many university degrees as he can alongside his cake shops and motorcycle franchises But then as everyone says this is Cyprus an Edenic Mediterranean paradise where everyone is on the make and the only guiding principle is money is money

The Icon Hunter Tasoula Georgiou Hadjitofi,2017-04-11 Tasoula Hadjitofi was only a child when her homeland Cyprus was invaded As bombs fell and soldiers marched through the streets her mother stood guard reminding her

children to not be afraid not of the bombs or anything else that may follow They would always have their family and their faith Soon thereafter Tasoula found herself homeless and nation less A refugee Decades later she s a successful entrepreneur and the honorary Cypriot consul to The Netherlands But family and faith remained her touchstones and she never lost her longing for home She often thought of the gorgeous Cypriot churches and their icons One day an art dealer offers her a chance to buy Cyprian icons stolen during the war Icons hold a special place in the hearts of many Greek Cypriots They are not just masterpieces they are artistic manifestations of faith and a gateway to the divine Outraged Tasoula sets out on a quest to repatriate these artifacts An immensely difficult task as icons often lack provenance in the eyes of the law But she is determined Yet the road to The Munich Case the largest art trafficking sting in European history is filled with mind games subterfuge global politics and a shady figure named Van Rinj whose motives are never entirely clear Never Drive A Hatchback to Austria R.A. Dalkey,2018-08-24 If being a grown up were as simple as holding down a job buying a reliable car finding the home of your dreams and living happily ever after there d be no need for this true story But our mid thirties author s unorthodox approach and complete failure to accept the world as defined by adults was never going to make it quite so straightforward especially when Brexit threw a spanner in the works If you liked the works of Bill Bryson Pete McCarthy or Tony Hawks you will enjoy this Amazon Review by Ian S Set against the backdrop of his ever swelling grumpiness and the growing realization that he might never actually become a millionaire this book follows him and his trusty hatchback as they travel by road from England to Vienna seizing the chance to live in Europe before it closed to Brits forever It s a journey that takes him to Cyprus and Venice Slovenia and Surrey Belgium and Bonn A hybrid of Victor Meldrew and Tony Hancock with attitude Direct Reader Comment **The Northwestern Miller** ,1925 **Belfast In Your Pocket** ,
